Beyond Divorce Casualties Reunifying The Alienated Family

William Bernet

Beyond Divorce Casualties Reunifying The Alienated Family:

Beyond Divorce Casualties Douglas Darnall, 2010-06-16 This volume describes parental alienation which is a social dynamic generally occurring due to divorce or separation when a child expresses unjustified hatred or unreasonably strong dislike of one parent making access by the rejected parent difficult or impossible The author presents the how and why of unification therapy how to prepare for reunification how to effectively work with attorneys mediators parent coordinators and counselors and even how to say goodbye if reunification is not possible This book also provides many real life examples of alienating behavior exercises and specific instructions for how to change your feelings and behavior **Divorce Casualties** Douglas Darnall, 2008-10-16 Some parents consciously blatantly and even maliciously denigrate their ex spouse through negative comments and actions Others simply sigh or tense up at the mention of the targeted parent causing guilt and anxiety in the children The result is a child full of hate fear and rejection toward an unknowing and often undeserving parent Exploring issues such as secrecy spying false accusations threats and discipline Divorce Casualties recognizes the often subtle causes of alienation teaching you to prevent or minimize its damaging effects on your children Dr Darnall's practical techniques for understanding the effects of alienation including characteristics of alienators symptoms of alienators a self report inventory and exercises and real life examples will help even the most well intentioned of parents renew their commitment to helping their child maintain a healthy happy relationship with both parents *Toxic Divorce: A Workbook for Alienated Parents* Kathleen M. Reay, 2012-07-10 Are you an alienated parent dealing with a toxic divorce Is your former spouse making derogatory remarks about you to your children Have your children become really angry with you Is your ex claiming that your children don't want to see you anymore Do your children no longer want to have anything to do with your family friends or pets Is your ex resisting or refusing to cooperate by not allowing you access to your children If you answer yes to one or more questions then parental alienation PA or parental alienation syndrome PAS may be occurring This workbook will provide the knowledge understanding real life examples step by step directions and powerful strategies to deal with the ramifications of PA or PAS Alienated parents will learn effective ways to overcome negative thoughts feelings and behaviors that can stand in the way of rebuilding loving relationships with their children Mental health and legal professionals will find the information in this book extremely valuable to help their clients and work in the best interests of alienated children Children Who Resist Post-Separation Parental Contact Barbara Jo Fidler, Nicholas Bala, Michael A. Saini, 2012-09-13 Interest in the problem of children who resist contact with or become alienated from a parent after separation or divorce is growing due in part to parents increasing frustrations with the apparent ineffectiveness of the legal system in handling these unique cases There is a need for legal and mental health professionals to improve their understanding of and response to this polarizing social dynamic Children Who Resist Post Separation Parental Contact is a critical empirically based review of parental alienation that integrates the best research evidence with clinical insight from

interviews with leading scholars and practitioners The authors Fidler Bala and Saini a psychologist a lawyer and a social worker are an multidisciplinary team who draw upon the growing body of mental health and legal literature to summarize the historical development and controversies surrounding the concept of alienation and explain the causes dynamics and differentiation of various types of parent child relationship issues The authors review research on prevalence risk factors indicators assessment and measurement to form a conceptual integration of multiple factors relevant to the etiology and maintenance of the problem of strained parent child relationships A differential approach to assessment and intervention is provided Children s rights the role of their wishes and preferences in legal proceedings and the short and long term impact of parental alienation are also discussed Considering legal clinical prevention and intervention strategies and concluding with recommendations for practice research and policy this book is a much needed resource for mental health professionals judges family lawyers child protection workers mediators and others who work with families dealing with divorce separation and child custody issues

Working with Alienated Children and Families Amy J. L. Baker, S. Richard Sauber, 2013 This guidebook pulls together for the first time the best thinking in the field today about different approaches for working with these families It is written by and for mental health professionals who work directly with alienated children targeted parents and families affected by parental alienation

How the Sudanese People Adapt to the Trends in Marriages in America and the Popularity of Divorce Charles Degol Ben, 2011-10-31 none

Parental Alienation Theory: Official Synopsis Parental Alienation Study Group, Inc., 2025-08-11 Family law is fraught with conflict and few issues spark more debate among mental health and legal professionals than parental alienation When a child aligns strongly with one parent while rejecting the other often due to indoctrination rather than legitimate reasons the consequences can be devastating for families Yet professionals remain deeply divided on how to define diagnose and address this issue creating further polarization in both policy and practice Parental Alienation Theory Official Synopsis is a bold step toward consensus This synopsis provides an antidote to this issue by offering a concise comprehensive summary of current information about PA grounded in the impressive accumulation of evidence from social science about this complex area of family law It counters information on PA from sources that lack rigorous social science methodology and or propagate advocacy positions without an evidence base This concise text brings together a group of experts who have developed a shared framework on definitions terminology diagnosis prevention and intervention Designed as a foundation for ongoing dialogue this work invites contributions from researchers practitioners and policymakers to refine and expand upon its principles in future editions By fostering collaboration and standardizing approaches this book seeks to bridge professional divides and offer families a clearer path to resolution

Parental Alienation, DSM-5, and ICD-11 William Bernet, 2010 Parental alienation is an important phenomenon that mental health professionals should know about and thoroughly understand especially those who work with children adolescents divorced adults and adults whose parents divorced when they were children In this book the authors define

parental alienation as a mental condition in which a child usually one whose parents are engaged in a high conflict divorce allies himself or herself strongly with one parent the preferred parent and rejects a relationship with the other parent the alienated parent without legitimate justification This process leads to a tragic outcome when the child and the alienated parent who previously had a loving and mutually satisfying relationship lose the nurture and joy of that relationship for many years and perhaps for their lifetimes We estimate that 1 percent of children and adolescents in the U S experience parental alienation When the phenomenon is properly recognized this condition is preventable and treatable in many instances The authors of this book believe that parental alienation is not simply a minor aberration in the life of a family but a serious mental condition Because of the false belief that the alienated parent is a dangerous or unworthy person the child loses one of the most important relationships in his or her life This book contains much information about the validity reliability and prevalence of parental alienation It also includes a comprehensive international bibliography regarding parental alienation with more than 600 citations In order to bring life to the definitions and the technical writing several short clinical vignettes have been included These vignettes are based on actual families and real events but have been modified to protect the privacy of both the parents and children

PARENTAL ALIENATION Demosthenes Lorandos, William Bernet, S. Richard Sauber, 2013-12-01 Parental Alienation The Handbook for Mental Health and Legal Professionals is the essential how to manual in this important and ever increasing area of behavioral science and law Busy mental health professionals need a reference guide to aid them in developing data sources to support their positions in reports and testimony They also need to know where to go to find the latest material on a topic Having this material within arm s reach will avoid lengthy and time consuming online research For legal professionals who must ground their arguments in well thought out motions and repeated citations to case precedent ready access to state or province specific legal citations spanning thirty five years of parental alienation cases is provided here for the first time in one place Over 1000 Bibliographic Entries 500 Cases Examined 25 Sample Motions in MS Word Format Note The eBook version contains the additional supplemental materials in PDF format only It does not contain the MS Word formatted sample motions

Forensic Psychiatry, An Issue of Child and Adolescent Psychiatric Clinics of North America William Bernet, Bradley W. Freeman, 2011-07-28 This issue provides a unique and valuable perspective on forensic matters in child and adolescent psychiatry with an approach that adds new thinking to the discussion rather than rehashing known facts The issue is divided into several sections juvenile offenders family law custody and visitation child maltreatment personal injury law suits forensic issues in clinical child and adolescent psychiatry and training in child and adolescent psychiatry A wide range of topics are explored within each section All articles are geared toward child psychiatrists in clinical practice providing practical information in this very important area of study

Denied! Failing Cordelia Simon Cambridge, 2014-08-30 The Cankered Rose and Esther's Revenge begins the author's

dramatic journey of adopting his teenage daughter with severe attachment issues in Seattle The heartbreak of then seeing Cordelia stolen by the efforts of his former wife and the child welfare legal complex in Los Angeles alongside that of the trauma of being denied during efforts to reunify with her are each foreshadowed here Issues surrounding adoption trauma parenting children with reactive attachment disorder and the author's own struggles with Asperger's syndrome will be his constant companions on this perilous journey of adopting losing and then trying to reunite with his beloved daughter In this and subsequent volumes the author will also be questioning the ability of the child welfare legal complex and the Los Angeles Juvenile Dependency Court to understand the nature of damaged child attachment or the therapeutic parenting needed to heal children with special needs Ultimately each would be as responsible for failing Cordelia as the breaking of the violent waves for the shattering movement of the rocks on the beach

Love Your Child More Than You Hate Your Ex Dr. Larry Waldman, 2020-03-15 In this book the following topics are addressed Why I wrote the book How do we form our relationships Why marriages fail Why second marriages fail at a higher rate How to foster a healthy union What divorce looks like to the kid A healthy divorce Parenting through divorce and Finding the right counselor A magnum opus is not made in a microwave it is incubated and nurtured This book is a synergy between Dr Waldman's many other works The heart and soul of this effort is to protect our most valuable natural resource our children from more needless damage Thank you Larry for the privilege of reading your manuscript Dr Karl Riem Psychologist Retired Dr Waldman's book on divorce is a guide on what to do and not to do when contemplating a divorce Reading this book and following his guidance could prevent parents from making mistakes that will impact their children's lives and future relationships in a negative manner It will also assist parents in answering their children's questions and concerns before and during a divorce in a constructive manner I wish I had this information when I was on my divorce journey it would have prevented a number of mistakes on my part Cary Silverstein MBA Professor Emeritus DeVry University Keller Graduate School of Business Dr Waldman's published articles fit very well within his exhortation that we consider our children and their well being over our own selfish interests in situations of marital difficulty or divorce Anyone who has worked as a child mental health provider has witnessed some of the scenarios he outlines in this book for us I enjoyed the reading and found the pace quick and the material provocative Stephen D Bailey Ed D Licensed Psychologist HSPP Child Geriatric Neuropsychologist This book is great and covers so many important issues Every couple contemplating or in the middle of a divorce should carefully read each chapter for insight into avoiding mistakes and putting the children FIRST Linda Feldman Director of Family Education Bureau of Jewish Education of Greater Phoenix

Parent Deleted Michelle Darné, 2017-08-08 An acclaimed spokesperson for equality at the helm of And Baby a pioneer magazine radio show and TV series on alternative parenting Michelle Darn found herself at once callously erased from the lives of her children and silenced by the law Parent Deleted is a gripping tale of one non biological lesbian mother's fight for her children an intimate infuriating and infectious story of perseverance sacrifice and hope in the face of debilitating

adversity And it is a courageous disturbing and necessary expos of a likely emergent social justice frontier the rights of all children to be with their parents whether they are biologically linked straight gay prepared or knocked up perfect spouses or fallible ones

Overcoming Parent-Child Contact Problems Abigail M. Judge, Robin M. Deutsch, 2016-10-05 In recent years there has been heightened interest in the clinical and legal management of families in which children resist contact with one parent and become aligned with the other following divorce Families affected by these dynamics require disproportionate resources and time from mental health and legal professionals and cases require a specialized clinical approach Traditional models of individual and family therapy are not designed to address these issues and strategies and resources for mental health and legal professionals have been extremely limited Overcoming Parent Child Contact Problems describes interventions for families experiencing a high conflict divorce impasse where a child is resisting contact with a parent It examines in detail one such intervention the Overcoming Barriers approach involving the entire family and combining psycho education and clinical intervention The book is divided into two parts Part I presents an overview of parental alienation including clinical approaches and a critical analysis of the many challenges associated with traditional outpatient family based interventions Part II presents the Overcoming Barriers approach describing core aspects of the intervention and ways to adapt its clinical techniques to outpatient practice Overcoming Parent Child Contact Problems is geared toward mental health clinicians and legal professionals who work with families in high conflict and where a child resists visitation with a parent

Surviving Parental Alienation Amy J.L. Baker, PhD, Paul R. Fine, LCSW, 2014-04-04 Half of all marriages end and when they do most parents hope to achieve a good divorce in which they can amicably raise their children with their former spouse Unfortunately about 20% of divorces are high conflict involving frequent visits to court allegations of abuse and chronic disagreements regarding parenting schedules In response to this conflict some children become aligned with one parent against the other even a parent who has done nothing to warrant the hostile rejection of their formerly loving children These targeted parents suffer from the loss of time with their children the pain of watching their children become distant even cruel and the uncertainty of not knowing if and when their children will come back to them These parents are on a painful journey with an uncertain outcome Surviving Parental Alienation fills the tremendous need for concrete help for these parents Too often parental alienation stories that are shared by word of mouth on the internet or in books depict unending pain and frightening outcomes Surviving Parental Alienation provides true stories and information about parents who have reconnected with their lost and stolen children and offers better insight and understanding into what exactly parental alienation is and how to handle it Targeted parents are desperate to be understood and to find cause for hope even as they search for answers Surviving Parental Alienation is where they can start to find this hope

Scheidung Sabine Aeschlimann, Eva Bachofner, Daniel Bähler, Anna Viola Bleichenbacher, 2022-04-27 Der nunmehr in der 4 Auflage erscheinende Scheidungskommentar zeichnet die Entwicklungen der Gesetzgebung und der Praxis seit der

letzten Auflage im Jahre 2017 detailliert und gewohnt praxisorientiert nach Insbesondere die jüngere höchstichterliche Rechtsprechung zum neuen Kindesunterhaltsrecht bzw zum Betreuungsunterhalt wurde eingearbeitet aber auch die jüngste Entwicklung des nachehelichen Unterhaltsrechts erfordert eine kritische und fundierte Würdigung Weiterhin können die Nutzerinnen und Nutzer auf die umfassend aktualisierten Anhang zu den eheschutz und scheidungsrechtlich relevanten Bestimmungen der Schweizerischen ZPO zu ausgewählten Fragestellungen des Sozial wie auch des Ausländerrechts zu den steuerrechtlichen Folgen der Scheidung zu den unterhaltsrechtlichen Berechnungen den international privatrechtlichen Problemen sowie zu den Scheidungskonventionen zurückgreifen Die Anhang wurden zudem um einen Teil zur Vollstreckung ergänzt welcher die häufigsten Fragen in diesem Bereich kompetent beantwortet und für alle Praktikerinnen und Praktiker von zusätzlichem Nutzen sein wird Der im Jahre 2000 erstmals publizierte und von Prof Dr Ingeborg Schwenzer begründete FamKomm Scheidung entwickelte sich in der scheidungsrechtlichen Praxis zum etablierten Standardwerk Der Kommentar wird in der 4 Auflage von Prof Dr Roland Fankhauser herausgegeben Somitliche Autorinnen und Autoren sind in der Wissenschaft und Praxis des Familienrechts hervorragend ausgewiesen Die Kommentierung bürgt daher für Praxisnähe und hochstehende Qualität

Denied! Failing Cordelia: Parental Love and Parental-State Theft in Los Angeles Juvenile Dependency Court Simon Cambridge, 2019-09-17 Climbing the Broken Judicial Ladder continues the author's journey of exploring the heartbreak and loss of first adopting Cordelia with severe reactive attachment disorder RAD in Washington state and then of nearly losing her to the draconian and confused child welfare legal complex in Los Angeles In this third volume of his Denied Failing Cordelia trilogy Cambridge climbs the broken California judicial ladder from the California Court of Appeals Second Appellate District based in Los Angeles to the California Supreme Court Cambridge concludes that in appeals relating to dependency cases the ladder is broken for parents seeking to advocate for themselves and for the true best interests of their children Policies relating to child welfare are flawed Cambridge argues because of the preemptive and prejudicial response to the issues raised during the detention of children As with his two earlier books Cambridge explores issues connected with how best to parent his adopted daughter and advocate for her needs in the context of a dependency case Cordelia's reactive attachment disorder would surface throughout the judicial struggle as would the author's own struggles with Asperger syndrome Each would feed negatively into the overall trauma and drama of the author's unrelenting quest to reunite his forever family Cambridge believes that dependency proceedings are ill equipped on many levels to elicit a proper understanding of RAD or of the therapeutic parenting needed to address it Cambridge believes that adoptive parents of children with special needs need to be understood by more sympathetic social workers and by therapists trained in attachment disorders Cambridge's persistent efforts to reunite his forever family would leave him increasingly isolated as he climbs the judicial ladder Based on his experiences Cambridge explores areas for reform in Los Angeles dependency proceedings and evokes Shakespeare's King Lear by arguing that social workers need to see better and that the Los Angeles

Juvenile Dependency Court needs to encourage a broader understanding of the issues raised through more effective legal advocacy from assigned dependency lawyers Cambridge argues that parents should be allowed to address the court directly Cambridge also relates how he and his daughter have found many positive and healthy ways to heal in the years since their dependency case ended Much trauma could have been avoided if those around them had seen better and had recognized the value in their dramatic and loving adoption journey

Prácticas alienadoras familiares Juan Luis Linares,2015-01-01

Este libro trata de las prácticas alienadoras familiares una modalidad de maltrato infantil especialmente corrosiva y difícil de combatir ya que se encuentra en la encrucijada entre la parentalidad y la relación conyugal Cuando las tormentas que azotan a la relación de pareja alcanzan su mayor intensidad la protección de los hijos queda amenazada El maltrato parental filial es el más claro exponente del fracaso del amor como fenómeno relacional complejo propio de la condición humana Este tipo de maltrato existió desde los orígenes de la especie pero fue con la llamada revolución neolítica cuando alcanzó una expansión significativa La obra se compone de varios bloques temáticos que abordan la parte teórica las bases para la definición de los fenómenos de alienación familiar y una descripción de las Prácticas Alienadoras Familiares PAF como una alternativa al Síndrome de Alienación Parental SAP También se describen casos que ilustran algunas de las ideas centrales del libro y sus aplicaciones en España Italia Chile y Perú

Familienrechtspsychologie Harry Dettenborn,Eginhard Walter,2016-05-09

Das Standardlehrbuch zur Familienrechtspsychologie grundlegend aktualisiert und erweitert Wenn familiäre Konflikte vor Gericht gelöst werden müssen ist psychologische Kompetenz für alle beteiligten Berufsgruppen unverzichtbar Das vorliegende Buch macht den Leser vertraut mit den rechtlichen Grundlagen und der psychologischen Tragweite einzelner Konfliktthemen wie Sorgerecht Umgangsrecht Adoption oder Herausnahme von Kindern aus der Familie Es zeigt anschaulich wie diese theoretischen Grundkenntnisse in die Praxis der Jugendhilfe Verfahrenspflege Beratung und Gutachter Tätigkeit eingebracht werden können
