## **Beyond Patriarchy Essays By Men On Pleasure Power And Change:**

*Beyond Patriarchy* Michael Kaufman, 1987 This is a frank and original analysis of patriarchy by men from all walks of life living on three continents Starting with the basic assumption that the breakdown of the patriarchal system is a good and necessary step towards creating a better society the contributors examine the origins of male domination the institutions that perpetuate it and its manifestations in the thoughts and lives of men A male feminist perspective is offered on a broad range of issues from fatherhood to the organization of the workplace to homosexuality the political structure and the male role in advertising sports and film Written by men living in Canada the United States Britain France and Australia and coming from a wide variety of backgrounds from anthropology to physics the articles here make an important contribution to feminism

**Challenging Macho Values** Jonathan Salisbury, David Jackson, 1996 Twenty nine collected essays represent a critical history of Shakespeare's play as text and as theater beginning with Samuel Johnson in 1765 and ending with a review of the Royal Shakespeare Company production in 1991 The criticism centers on three aspects of the play the love friendship debate

**Masculinity, Law and Family** Richard Collier, 2002-11 An incisive exploration of representations in law of male sexuality authority paternity and men's violence in the family This book is of central importance to our understanding of the social and political dimension of masculinity

Constructing Masculinity Maurice Berger, Brian Wallis, Simon Watson, 2012-09-10 This anthology takes us beyond the status of masculinity itself questioning society's and the media's normative concepts of the masculine and considering the extent to which men and women can transcend these stereotypes and prescriptions

**Research Anthology on Inclusivity and Equity for the LGBTQ+ Community** Management Association, Information Resources, 2021-09-24 For many decades the LGBTQ community has been plagued by strife and human rights violations Members of the LGBTQ community were often denied a right to marriage healthcare and in some parts of the world a right to life While these struggles are steadily improving in recent years disparities and discrimination still remain from the workplace to the healthcare that this community receives There is still much that needs to be done globally to achieve inclusivity and equity for the LGBTQ community The Research Anthology on Inclusivity and Equity for the LGBTQ Community is a comprehensive compendium that analyzes the struggles and accomplishments of the LGBTQ community with a focus on the current climate around the world and the continued impact to these individuals Multiple settings are discussed within this dynamic anthology such as education healthcare online communities and more Covering topics such as gender homophobia and queer theory this text is essential for scholars of gender theory faculty of both K 12 and higher education professors pre service teachers students human rights activists community leaders policymakers researchers and academicians

**Feminist Approaches for Men in Family Therapy** Michele Bograd, 2014-01-14 This book is the first of its kind to address the treatment of men in marital and family therapy from a political or feminist perspective *Feminist Approaches for Men in Family Therapy* is an important and provocative addition to the field of family

therapy and psychotherapy and works to deepen the understanding of men by using more traditional approaches. Timely and relevant to today's interest in men's issues, this book develops and demonstrates applications of treatment methods in straightforward prose from a variety of family therapy models. These techniques and methods enable anyone working with men, beginning and advanced clinicians regardless of clinical preference or loyalty, to have a more effective practice with men. Truly reflecting its title, this provocative volume offers new ways of conceptualizing male development and the dilemmas of men in therapy while providing exemplars of the wide range of clinical work. This perspective enriches. Chapters concisely summarize the major benefits and limitations of conventional approaches to treating men and provide beginning conceptualizations of treatment issues with men that are grounded in social theory, sensitivity to power issues and the social context, and shifting cultural definitions of masculinity, femininity, and the nature of marriage. Other chapters employ the exciting and germane concepts of social constructionism to analyze belief systems about men and how cultural ideals shape and limit the personal development of men. An ideal resource for all therapists striving for excellence in treating men.

*Interrogating Caribbean Masculinities* Rhoda Reddock, 2004. Annotation: This anthology of new Caribbean scholarship on masculinities establishes masculinity studies as an important new area of research and theorizing in the Caribbean. The content of this volume reflects a range of disciplinary approaches including anthropology, history, international relations, literary criticism, and art and installation. The book is of interest for those teaching masculinity studies, women and gender studies, and for policy makers interested in gender relations in the Caribbean and the Caribbean diaspora. **BOOK JACKET Title Summary** field provided by Blackwell North America Inc. All Rights Reserved. **The Gender Knot** Allan

Johnson, 2014-10-19. New Third Edition. *The Gender Knot* Allan Johnson's response to the pain and confusion that men and women experience by living with gender inequality explains what patriarchy is and isn't, how it works, and what gets in the way of understanding and doing something about it. Johnson's simple yet powerful approach avoids the paralyzing trap of guilt, blame, anger, and defensive denial that often results from conversations about gender. This edition features updated references, data, resources, and examples, especially in relation to issues of sexual orientation and gender identity, e.g., gay, marriage, transgender, cisgender. A glossary of terms. A new chapter, *What Changes and What Does Not: Manhood and Violence*, that provides an extended analysis of the causes of men's violence as a patriarchal phenomenon. *No Less a Man* Douglas Robinson, 1994. Through close readings of these three figures, Robinson argues that more is going on among American men than meets the casual eye, and that much of what is going on is reflected in the most popular of our art forms: detective novels, action movies, and rock music. *Men's Bodies, Men's Gods* Bjorn Krondorfer, 1996. *Men's Bodies, Men's Gods* explores the intersection of body, religion, and culture from the specific perspective of male identities. How are male bodies constructed in different historical periods and contexts? How do race, ethnicity, and sexual preference impact on the intersection of male bodies and religious identity? Does Christianity provide models to cope with the aging and ailing male body? Does it provide

models for intimacy between men and women Between men and men And how do men reflect the carnal dimensions of power abuse and justice

**The Changing Consumer** Alison Anderson, Kevin Meethan, R Steven Miles, Steven Miles, 2005-07-08 In a world undergoing rapid change this essential collection discusses why consumption has become so important and what role it plays in underpinning social economic and political transformation

*The Nature of Masculinity* Steve Garlick, 2016-10-11 Social theorists have argued that as the complexity of our ecosystems becomes more apparent the line between nature and culture human and nonhuman and technology and bodies becomes less distinct Yet contemporary masculinity studies has generally failed to incorporate this new way of thinking In this penetrating analysis of the relationship between gender and nature Steve Garlick proposes that masculinity is best understood as a technology that shapes both our engagement with the natural world and how we define freedom Extending the work of the Frankfurt School and Heidegger's critique of modern technology *The Nature of Masculinity* draws on case studies and new materialist theories to argue that the essence of technology is not in mechanical devices but in a particular relationship to natural forces Within this critical framework masculinity is a technology of embodiment and freedom does not lie in the domination of nature but rather in fostering a new relation to it

**Interconnecting the Violences of Men** Kate Seymour, Bob Pease, Sofia Strid, Jeff Hearn, 2024-11-04 This book aims to expand and enrich understandings of violences by focusing on gendered continuities interconnections and intersections across multiple forms and manifestations of men's violence In actively countering both the compartmentalisation of studies of violence by type and form and the tendency to conceptualise violence narrowly it aims to flesh out not delimit understandings of violence Bringing together cross disciplinary indeed transdisciplinary perspectives this book addresses how what are often seen as specific and separate violences connect closely and intricately with wider understandings of violence how there are gendered continuities between violences and how gendered violences take many forms and manifestations and are themselves intersectional Grounded by the recognition that violence is itself a form of inequality the contributors to this volume traverse the intersectional complexities across both experiences of violent inequality and what is seen to count as violence The international scope of this book will be of interest to students and academics across many fields including sociology criminology psychology social work politics gender studies child and youth studies military and peace studies environmental studies and colonial studies as well as practitioners activists and policymakers engaged in violence prevention

**Masculinities and Management in Agricultural Organizations Worldwide** Professor Barbara Pini, 2012-11-28 Using contemporary gender theory to examine gender and rurality beyond that of simply women femininities this illuminating book accurately locates the subject of masculinities within the rural agricultural context While there has been a wealth of literature on men and masculinities published in recent years the climate of ideas has been typically experienced through an urban lens This book therefore investigates new conceptual territory Embedded in the literature on gender and rurality as well as the scholarship on gender and organizations

management the book draws on an in depth ethnographic study of gender relations in Australian agricultural politics It will speak to academic audiences in rural social sciences gender studies and management organization studies *Changing Men and Masculinities in Latin America* Matthew C.
