## **Beyond Tithes And Offerings:**

Beyond Tithes and Offerings Dr. J. Gayle Gaymon, 2015-08-14 Early in our Christian lives we are taught the importance of tithing and making offerings It is a way to show our love for God and desire to live in faith under his rules But do we really know the background and importance of the call to tithe Dr J Gayle Gaymons *Beyond Tithes and Offerings* I AM the God of Recompense takes an in depth look at the principle of tithes and offerings under the Mosaic Law Scriptural references are provided to support her conclusions She considers the question If there is no longer Jew or Gentile and you are grafted into Gods redemptive plan does He require anything less from you The author also discusses what it means to be wholly or partially in the body of Christ and how it relates to being called a Christian You will also learn what else it takes to be a true Christian *Beyond Tithes and Offerings* I AM the God of Recompense will expand your faith knowledge which will help you become a better servant for God

**Beyond Tithes and Offerings** Michael L. Webb, Mitchell T. Webb, 1998 Michael and Mitchell Webb look at the practice of tithing as practiced in many churches and contend that this traditional practice actually hinders true Christian responsibility especially to the poor and needy

**Beyond Tithing** Stuart Murray, 2011-12-19 Tithing is biblical but not Christian So asserts Dr Stuart Murray in this radical examination of the contemporary practice of tithing in which the author comes to some surprising conclusions Stuart Murray clearly explains tithing in the Old Testament and in Christian history but then probes further asking penetrating questions such as Is tithing Christian Did Jesus tithe Does tithing function as a regressive tax burdening the poor while the rich get richer Does tithing lead to a legalistic approach that alienates us from Jesus The author suspects that a lot of the current lack of interest in the church stems from deep seated memories of the church as oppressive uncreative and money grabbing In response we should therefore learn not to calculate percentages but explore creative ways of developing communities of justice and generosity that are good news to the poor *Beyond Tithing* will stimulate your thinking and challenge the dominant influence of the practice of tithing as the model for Christian stewardship

*Beyond Sanctification* Candy Holcker, 2007-07 The companion guide to *Beyond Salvation* is a devotional that speaks directly to Gods Church and Army on Earth The work includes encouraging and exhorting works to the Body of Christ Motivation

**Beyond a Reasonable Doubt** A. Haywood, 2019-08-29 *Beyond a Reasonable Doubt* The Journey of Sister Luella Sue Mayberry What does your Christianity look like to you Or to those outside your world Is yours confined to within church walls or is it lived outside of them And if it is lived out what does it look like *Beyond a Reasonable Doubt* is a fictional multifaceted character driven story that explores one woman s journey who was thrown into the raging currents of life and her only dream was to become a Christian Each of our lives has profound effects on those within our sphere of influence As the world s view broadens its definition of Christianity is she living her dream

Stuckey, Ph.D., 2011-03-23 Being a Christian involves beliefs and corresponding behavior as specified in the scriptures In this book is instruction in these fundamental truths There aren't many but a knowledge and application of each is critical to living in obedience to God as demonstrated by Jesus Christ and empowered by the Holy Spirit The author did not intend for this work to be the end of further study Rather it should serve as a mere beginning It's a primer of sorts a brief introduction of basic concepts culminating with Salvation the supreme theme of the Bible Throughout Dr Stuckey has referred extensively to scripture to verify his explanations of the meaning of Christianity Of essence is that a disciple of Christ does not have the option to pick and choose what he decides to believe and practice and that love the noun must become love the verb **To Africa & Beyond** Joseph Meyers, 2014-03-31 To Africa and Beyond Walking Through The Storms of Life With a Thankful Heart is a book about pilgrimage physical psychological and spiritual It is about travel adventure and personal fulfillment It is about helping people on three continents through their challenges of discouragement and confusion while experiencing violent mental and emotional storms in my own life More importantly it is a book about choices and consequences and lessons learned throughout a life of high adventure coupled with gut wrenching grief which could easily have pushed me into mistrust of God people or cynicism skepticism or fear or self pity It is a book about how God's Love Grace and active Sovereignty in my life was able to pull me through the knot hole of suffering that at times threatened to engulf my soul will

**Moving Jesus Beyond the Pulpit** Dr. Sunday J. I. Etsekhume, 2014-05-29 Moving Jesus beyond the Pulpit Doing It the Community Way Can Help Church Growth describes the challenges facing Christianity and the church Although these challenges are very significant they help to boost the efforts of the present disciples of Christ to be good ambassadors to the world What prompted the writing of this book is that author Sunday J I Etsekhume clamored for a dramatic change in the way some churches do outreach Some churches only prefer to do outreach from the pulpit but ignored the practice in the community where they are situated The book also describes various ways in which the church can show love and care which indicates the various ways that can portray the church healthiness For I was hungry and you gave Me food I was thirsty and you gave Me drink I was a stranger and you took Me in I was naked and you clothed Me I was sick and you visited Me I was in prison and you came to Me Matthew 25 35 36 The book also argues against the idea that church leaders would not compromise their positions as spiritual leaders due to financial insufficiencies in order to become fleshly leaders The arguments further center on how the church can do evangelism without jeopardizing church principles and some of the Christian rules of conduct Finally the book focuses on the pulpit where sermons are preached without the preachers practicing what they preached hypocrisy Dr Etsekhume has written an insightful thoughtful and thought provoking rationale for getting back to basics in terms of the way the Church approaches ministry Moving from pulpit to pew from leadership to

follow ship and from minister to member Dr Etsekhume identifies the spiritual organizational and interpersonal challenges facing the Church and recommends Scriptural principles for addressing them By turns compassionate and passionate Moving Jesus Beyond the Pulpit is a wonderful reminder of the restorative renewing and revitalizing power of Christ both in the congregation and in the community at large Minister Sonja A West Associate Minister Mariners Temple Baptist Church New York NY Dr Sunday Etsekhume analyzes some of the issues that address the Church both from inside the institutional church and issues in the context that hinder the mission of the Church In this book one finds thoughtful and pragmatic methods for addressing some of the problems of the church and the larger community Moving Jesus Beyond the Pulpit is an important work that will be beneficial both to the church and the academy I highly recommend this work Dr Cleotha Robertson Ph D Assistant Professor Department of Old Testament at Alliance Theological Seminary New York City and the Senior Pastor Sound View Presbyterian Church Bronx New York

Croteau,2010-02-01 Tithing is a well known church practice in our day and age but do church goers really practice it When did the concept of tithing begin How is it justified What does the Bible say about it You Mean I Don t Have to Tithe is a detailed study on the controversial topic of tithing covering over 2 000 years of well known theologians regarding this topic Dr Croteau s intense tithing investigation will enable you to explore tithing and related topics in depth expounding many misconceptions of tithing as well as aiding in a correct understanding of this popular topic      In Search of True Freedom Victor Manuel Rivera,2010-08-04 Do you want to experience true freedom Do you feel there is still something missing in your life in spite of success and accomplishments Do you find yourself exhausted and in need of experiencing a spiritual refreshment Do you still have areas in need of spiritual healing Do you feel the need to be accepted recognized and understood We all have the desire to live in freedom we fight for justice and civil rights but even then we seem to lose our way while searching for the most important freedom our lives desire In Search of True Freedom will help you discover the best way to live in victory regardless of your circumstances VICTOR MANUEL RIVERA has led discipleship ministries home Bible study groups leadership school training and other ministerial responsibilities in the local church His desire is to glorify God by serving and developing others challenging them to become what the Lord has declared them to be Victor and his family live in Washington State      *The Great Tithing Scam* A. Bruce Wells,2006-07 Some have said that the word scam is too strong for a book that argues against the church s most sacred cow but scam is exactly the right word because tithing has been put forth as a duty that will earn that which Christ suffered and died to freely give us Not only is it wrong to suggest that tithing will do what Christ died to do such as open heaven or make one right with God but such teaching is an insult to His sacrifice and in reality an enemy to the Cross even as circumcision was in the early church Our ministers have been naively leading the church back under the Old Testament Law and its curse with imagined tithing promises that have gone way beyond even that which Malachi promised Under the guise of obedience faithfulness and stewardship we ve been duped into believing we must prove ourselves without realizing that practicing the Law tithing blocks us from becoming sons and heirs according to Galatians 4 5 Do you know that The book of Malachi was never intended to be instruction to the New Testament church All the ordinances in Malachi including tithing were nailed to Jesus cross according to Colossians chapter

2 Tithing is part of the Law according to Matt 23 23 Malachi 3 7 and Hebrews 7 18 The practice of tithing the Law can expose you to the curse of the Law causing incurable sicknesses debt death and many other problems according to the Apostle Paul in Galatians 3 10 The practice of tithing actually removes you from the state of grace and places you back the category of sinner Hebrews 5 4 Tithing causes you to frustrate the grace of God and causes Christ to profit you nothing Galatians 2 21 and 5 2 Making tithing a practice today actually causes the New Testament to become another gospel according to Paul in Galatians 1 6 Order The Great Tithing Scam today and find out what else tithing will or won't do
