

1986 Mazda B2000 Workshop Manual

FOREWORD

This workshop manual is intended for use by service technicians of authorized Mazda dealers to help them provide efficient and correct service and maintenance on Mazda vehicles.

To ensure customer satisfaction with Mazda products, proper service and maintenance by Mazda technicians is essential. Consequently, it is important that service personnel fully understand the contents of this manual, which should be kept in a place handy for quick and easy reference.

All the contents of this manual, including photographs, drawings, and specifications, are the latest available at the time of printing. As modifications affecting service occur, dealers will be issued Service Information or supplementary volumes. This manual should be carefully kept up-to-date upon receipt of the new information.

Mazda Motor Corporation reserves the right to alter the manual's specifications and contents without obligation or advance notice.
