Woman Abuse in Rural Places Walter S. DeKeseredy,2020-11-29

This book chronicles key contemporary developments in the social scientific study of various types of male to female abuse in rural places and suggests new directions in research theory and policy The main objective of this book is not to simply provide a dry recitation of the extant literature on the abuse of rural women in private places To be sure this material is covered but rural women s experiences of crimes of the powerful like genocidal rape and corporate violence against female employees are also examined Written by a celebrated expert on the subject this book considers woman abuse in a broad context covering forms of violence such as physical and sexual assault coercive control genocidal rape abortion bans forced pregnancy and corporate forms of violence It offers a broad research agenda that examines the multidimensional nature of violence against rural women Drawing on decades of work in the shelter movement with activist organizations and doing government research DeKeseredy punctuates the book with stories and voices of perpetrators and survivors of abuse Additionally what makes this book unique is that it focuses on the plight of rural women around the world and it introduces a modified version of Liz Kelly s original continuum of sexual violence An accessible and compelling read this book will appeal to students and scholars of criminology sociology women s studies cultural studies policing geography and all those interested in learning about the abuse women face in rural areas Walter S DeKeseredy is Anna Deane Carlson Endowed Chair of Social Sciences Director of the Research Center on Violence and Professor of Sociology at West Virginia University He has published 26 books over 100 refereed journal articles and 90 scholarly book chapters on issues such as woman abuse rural criminology and criminological theory *Civil-Military Entanglements* Birgitte Refslund Sørensen,Eyal Ben-Ari,2019-07-16 Military civilian encounters are multiple and diverse in our times Contributors to this volume demonstrate how military and civilian domains are constituted through entanglements undermining the classic civil military binary and manifest themselves in unexpected places and manners Moreover the essays trace out the ripples reverberations and resonations of civil military entanglements in areas not usually associated with such ties but which are nevertheless real and significant for an understanding of the roles war violence and the military play in shaping contemporary societies and the everyday life of its citizens *Pin-Ups Wall Calendar* ,2001-08-01 *Vengeance is Mine* Mickey Spillane,2015-10-08

Before Jack Reacher there was Mike Hammer Out of town salesman Chester Wheeler is an old war buddy of PI Mike Hammer s Now he s dead supposedly having shot himself after an all night drinking session as Hammer s guest Hammer wakes up to the sound of the police questioning him but he suspects murder While the DA takes his PI and gun licences Hammer gets out on the trail Pushing his way through a swirl of gay bars and gaming clubs high price fashion models and not just a little blackmail he realises someone is working hard to frame him And with the help of his police buddy Pat Chambers and secretary Velda now holding her own PI licence he s working hard to find out why Everywhere he turns he keeps coming up

against a blonde beauty named Juno She holds the key to a crime wave that could unlock the mystery behind Chester's murder

The Valley John Renehan, 2015-03-10 Named one of Wall Street Journal's Best Books of 2015 Selected as a Military Times's Best Book of the Year You're going up the Valley Black didn't know its name but he knew it lay deeper and higher than any other place Americans had ventured You had to travel through a network of interlinked valleys past all the other remote American outposts just to get to its mouth Everything about the place was myth and rumor but one fact was clear There were many valleys in the mountains of Afghanistan and most were hard places where people died hard deaths But there was only one Valley It was the farthest and the hardest and the worst When Black a deskbound admin officer is sent up the Valley to investigate a warning shot fired by a near forgotten platoon he can only see it as the final bureaucratic insult in a short and unhappy Army career What he doesn't know is that his investigation puts at risk the centuries old arrangements that keep this violent land in fragile balance and will launch a shattering personal odyssey of obsession and discovery as Black reckons with the platoon's dark secrets accumulated over endless hours fighting and dying in defense of an indefensible piece of land The Valley is a riveting tour de force that changes our understanding of the men who fight our wars and announces John Renehan as one of the great American storytellers of our time
