The New York Times Book Review,1933 The Blood Covenant: Mistrust, Division, & Murder Kornelia Blackmore,2021-10-27 Act One Mistrust Tessa Red Parker I looked at my rearview mirror and noticed it was a group of people However I couldn t see cuz the smoke from their car and headlights blinded me so I couldn t identify who they were but one thing I could make out from their silhouette was what they were carrying and when I realized what it was my blood went cold Maybe they just wanna talk Fox shivered a sob where she sat crouched behind the driver s seat that s why she was pissed when I slammed the breaks These people were carrying spears and guns and not the tiny kind either it was shotguns and AK s from what I could tell Now can I shoot them Nessa asked me Wait I said glaring down at my hands and noticed they were shaking violently I let out a shuddering breath to calm myself down Wait who died and made you the fucking leader Fox argued with me and they kept walking towards the car as they almost huddled around it Shut up Fox for once please just stay quiet Maybe it s Park Rangers or something and maybe they can get us the fuck outta here I need to be around people again I can t deal with this shit right now she cried I noticed Stone hid her gun under her blouse and turned to face me with a stern expression both of us silently acknowledging between us that Toto we aren t in Kansas anymore Then a black kid who looked

to be our age stepped beside the driver's seat and I peeped from the corner of my eye. There were two people on both sides of the doors by the backseat windows and from the rearview mirror two more people stood behind us. Well, that was really rude of you to go and wreck our car like that when we were just trying to have some fun. He claimed with a friendly smile. I chuckled wryly. Ah, right, sorry, listen, we'll find a way to pay for the damages. Don't worry. You won't get very far, not from us anyway. What do you want, you fucking psycho? Fox shouted from the backseat. Oh, didn't you know? These woods are hunting grounds and what better target practice than you guys seeing as you're lost and all. No, no, we aren't lost, really, just uh, we took a detour to get to the main road back to the city. I lied, but when the guy looked at my hands gripping the steering wheel tight and my heart was beating so damn loud it rang in my ears, please, I hope he can't hear my heart racing like a fucking jackhammer. Oh, yeah. He said, taking his stance and aimed the AK at me, and when he did, I held my hands up. I'm gonna die. College students Tessa Parker, Red Inessa Alexeyev, Nessa Stone, and Kalina Izumi Fox were driving one day after classes to grab some food, but the GPS was acting weird and took them down a deadly detour in the woods where now they are being hunted by other college students. But that's only Act One. After being hunted and put to the test in Act One, now Tessa finds out she has a strange ability based off of her choices and joined together with her friends, she KNOWS there's more going on behind the scenes in the school, but would anyone believe her due to her strange abilities? In this psychological thriller novel based off of the author's nightmare comes the story of Fear and how deadly it really is, both in the context of this story and in real life.

Innocent Blood P. D. James, 1980-01 At 18 Philippa Palfrey, the confident adopted daughter of a celebrated academic, exercises her right to learn the names of her real parents. What she discovers is a terrible secret that will change her life forever.
