The Cultural Politics of Chick Lit Heike Missler, 2016-11-03 Chick lit is the marketing label attributed to a surge of books published in the wake of Helen Fielding's *Bridget Jones's Diary* 1996 and Candace Bushnell's *Sex and the City* 1997 Branded by their pink or pastel coloured book covers chick lit novels have been a highly successful and ubiquitous product of women's popular culture since the late 1990s This study traces the evolution of chick lit not only as a genre of popular fiction but as a cultural phenomenon It complicates the genealogy of the texts by situating them firmly in the context of age old debates about female literary creation and by highlighting the dynamics of the popular fiction market Offering a convincing dissection of the formula which lies at the heart of chick lit as well as in depth analyses of a number of chick lit titles ranging from classic to more recent and edgier texts this book yields new insights into a relatively young field of academic study Its close readings provide astute assessments of chick lit's notoriously skewed representational politics especially with regard to sexuality and ethnicity which feed into current discussions about postfeminism Moreover the study makes a unique contribution to the scholarly debate of chick lit by including an analysis of the online fan communities the genre has fostered *The Cultural Politics of Chick Lit* weaves a sound methodological network drawing on reader response criticism feminist gender and queer theory affect studies and whiteness studies This book is an accessible and engaging study for anyone interested in postfeminism and popular culture

Jojo Moyes, author of *The Giver of Stars* and *The Last Letter from Your Lover*. What's a round the world honeymoon if you can't buy the odd souvenir to ship back home? Like the twenty silk dressing gowns Becky Brandon, nee Bloomwood, finds in Hong Kong, or the hand-carved dining table from Sri Lanka, or the um, huge wooden giraffes from Malawi that her husband expressly forbade her to buy. Only now Becky and Luke have returned home to London, where two truckloads of those souvenirs have cluttered up their loft. The bills are outrageous. Luke is furious, and Becky's feeling rather blue until her parents deliver some incredible news. She has a long lost sister. Becky is convinced her sister will be a true soulmate. They'll go shopping together, drink cappuccinos together, get manicures together. Then Becky meets Jessica and receives the shock of her life. Surely the shopaholic's own sister can't hate shopping.
