Jude By Kate Morgenroth:

Jude Kate Morgenroth,2004-09-28 When his father is brutally gunned down 15 year old Jude is a witness But to save his own life he can't tell what he knows and becomes a suspect himself Then another secret is revealed years ago Jude's father kidnapped him from his mother who is now the district attorney Jude is determined to clear his name and win his mother's approval

Jude Kate Morgenroth,2010-05-11 Listen you're young We don't send kids to jail If you had something to do with this it's better to tell us Then we can help you Maybe it was a friend of yours come to take care of things for you You've got a nasty bruise there and your neighbors told us that you tend to get a lot of bruises We take those things into account you know We understand about things like that You don't understand anything Jude said After Jude watches his drug dealer father get gunned down at the kitchen table he's taken from their dangerous neighborhood to a comfortable home an elite private school and a mother he doesn't remember Only fifteen Jude is under suspicion for his father's murder but to save his own life he can't tell the police what he knows To make things worse Jude's mother is the district attorney She can protect him from the police but when Jude's classmate overdoses on heroin Jude is implicated and his mother decides to prosecute Jude is determined to clear his name though he doesn't know that mysteries from his past have yet to be revealed secrets that will forever alter the course of his life Jude's gripping story is at once moving and horrifying as it traces a young man's quest for acceptance and his incredible capacity for hope and resilience Kate Morgenroth whose adult novels have been called nearly impossible to put down by Time Out New York and compulsively readable by Entertainment Weekly here shows more of her considerable talent

Echo Kate Morgenroth,2009-05-12 How can I know what's going to happen But somehow he did know The feeling was like déjà vu but stronger and scarier It told him that without a doubt something was going to happen And it was going to be bad In the year since Justin's younger brother Mark died in a horrific accident Justin's life has unraveled Justin used to be one of the school's star athletes but now he's not even on any of the teams He used to be part of the popular crowd but now everyone at school treats him like he's a monster He used to date one of the prettiest girls at school but now she will barely speak to him Then on the anniversary of his brother's death he gets into a fight with his former best friend and things spiral out of control with terrible consequences But that's not the worst Now Justin is hearing a voice that's making him relive the day of the accident over and over again In this dark thriller Edgar Award nominee Kate Morgenroth explores the thin line between reality and illusion inside a troubled young mind
