**King's Cross Kid** Victor Gregg,2013-05-09 Victor Gregg born in 1919 has had a rich and fascinating life King s Cross Kid follows his London childhood from the age of five when life was so hard that the Salvation Army arranged for young Vic to be taken to the Shaftesbury Home for Destitute Children Home again a year later the scallywag years of late childhood began Then after the years of street gangs and run ins with the law Vic leaves school at fourteen and his real adventures start and with them a working class apprenticeship in survival Ending with his enlistment in the army on the day of his eighteenth birthday this prequel to the bestselling Rifleman will appeal to the many readers who were charmed by Victor Gregg s engaging honest and warm voice *Dr. George* George Fischbeck,Randy Roach,2013-05 For twenty three years George Fischbeck was a schoolteacher in Albuquerque and for the last thirteen of those years taught science on a public television station that was beamed all over New Mexico He also served as a weatherman on Albuquerque s top rated TV newscast where he was so popular that the general manager of a competing station sent tapes of his weather forecasts to all the top ABC Network stations nationwide in hope that one would hire George and get him out of New Mexico When KABC TV in Los Angeles responded it was the start of a love affair between Dr George and the City of Angels that continues to this day Not only has Fischbeck had a long career as an awardwinning journalist and educator he has also helped raise millions of dollars for a variety of charitable causes His story is all here and the best part is what the fewest people know the heartwarming memories of a family man Beyond Forgetting You Kathleen Cortese,2005-07-07 This family saga takes place in Ireland and New York City in the second half of the nineteenth century It begins in 1849 when a thirteen year old boy through a cruel twist of fate lands at the tip of the island at Castle Garden Frightened and alone James Barry simply walks off the ship onto the citys congested streets and begins his adventure For the next fourteen years he works on the docks and lives in the Bowery until so disgusted by the draft riots he signs up on a clipper and spends the next two years on the open seas He winds up back in Ireland and meets and marries a girl from his own village After three children and a futile attempt at farming land he knew he could never own he heads back to post Civil War America Beyond Forgetting You is a personal account of how James family co existed with their neighbors in a Westside tenement in lower Manhattan The story is simultaneously told through his youngest daughters journals Bridget optimistically describes her life and her familys plight to become middle class She tells the intricacies of inner city living and gives a realistic look at social problems and how the lower class dealt with events politics ideas and uptown opulence Manhattan was then much as it is today a very overcrowded and exciting city where the family constantly struggled to survive while never losing their simple pleasure in being alive The Eye and Other Tales Andrew Fischer,2024-05-10 This is a story of survivors Jan Fischer survived Stalin s labor camps because he recognized the eternal Jewish prayer Shema recited in the breadline of the labor camp Lidia Szylderstajn evaded the Nazi death camps from which most of her family did not survive only to survive two years in Siberia before meeting Jan in

Egypt It is the story of Lidia's cousin Solange Najman the only one from their family to survive Auschwitz and of their uncle Adophe Szyberstajn who survived fighting in the French underground In the end it is the story of how a Jewish family survived the holocaust and its aftermath and what remains of that family Author Andrew Fischer began this work to document the stories of his parents for his children and grandchildren His work grew into something larger Over time it has also become the story of the French sons of Solange Maurice Najman the journalist and political activist and Charles Najman the author and filmmaker and artist of many talents of uncles and cousins and a family's survival In the end the work raises questions about the holocaust and the survival not just of Jewish families and individuals but of the survival of Jewish life in Europe and the survival of the Jewish people
