Kings Rising C. S. Pacat, 2016-02-02 The stunning conclusion of worldwide phenomenon from the boldly original author of *Captive Prince* and *Prince's Gambit* I fell in love with the writing the characters and the story V E Schwab 1 New York Times bestselling author His identity now revealed Damen must face his master Prince Laurent as Damianos of Akielos the man Laurent has sworn to kill On the brink of a momentous battle the future of both their countries hangs in the balance In the south Kastor's forces are massing In the north the Regent's armies are mobilising for war Damen's only hope of reclaiming his throne is to fight together with Laurent against their usurpers Forced into an uneasy alliance the two princes journey deep into Akielos where they face their most dangerous opposition yet But even if the fragile trust they have built survives the revelation of Damen's identity can it stand against the Regent's final deadly play for the throne **Kings Rising**

C.S. Pacat, 2016-02-02 A special unforgettable series Lush Brutal Unparalleled Sarah J Maas Damianos of Akielos has returned His identity now revealed Damen must face his master Prince Laurent as Damianos of Akielos the man Laurent has sworn to kill On the brink of a momentous battle the future of both their countries hangs in the balance In the south Kastor's forces are massing In the north the Regent's armies are mobilising for war Damen's only hope of reclaiming his throne is to fight together with Laurent against their usurpers Forced into an uneasy alliance the two princes journey deep into Akielos where they face their most dangerous opposition yet But even if the fragile trust they have built survives the revelation of Damen's identity can it stand against the Regent's final deadly play for the throne If you're looking for an addictive slow burn romantasy with great characterisation and world building the *Captive Prince* series is sure to be your new obsession Praise for the *Captive Prince* series I fell in love with the writing the characters and the story V E Schwab Perfectly paced brilliance Christina Lauren For a book to take me so completely by surprise in such a perfect well executed way suffice to say I will follow C S Pacat into the dark Sara Raasch You will be completely enthralled and on edge USA Today *Re-Enchanted*

Maria Sachiko Cecire, 2019-12-17 From *The Hobbit* to *Harry Potter* how fantasy harnesses the cultural power of magic medievalism and childhood to re-enchant the modern world Why are so many people drawn to fantasy set in medieval British looking lands This question has immediate significance for millions around the world from fans of *Lord of the Rings* *Narnia* *Harry Potter* and *Game of Thrones* to those who avoid fantasy because of the racist sexist and escapist tendencies they have found there Drawing on the history and power of children's fantasy literature *Re-Enchanted* argues that magic medievalism and childhood hold the paradoxical ability to re-enchant modern life Focusing on works by authors such as J R R Tolkien C S Lewis Susan Cooper Philip Pullman J K Rowling and Nnedi Okorafor *Re-Enchanted* uncovers a new genealogy for medievalist fantasy one that reveals the genre to be as important to the history of English studies and literary modernism as it is to shaping beliefs across geographies and generations Maria Sachiko Cecire follows children's fantasy as it transforms over the twentieth and twenty first centuries including the rise of diverse counternarratives and fantasy's move into high brow literary

fiction Grounded in a combination of archival scholarship and literary and cultural analysis *Re Enchanted* argues that medievalist fantasy has become a psychologized landscape for contemporary explorations of what it means to grow up live well and belong The influential Oxford School of children s fantasy connects to key issues throughout this book from the legacies of empire and racial exclusion in children s literature to what Christmas magic tells us about the roles of childhood and enchantment in Anglo American culture *Re Enchanted* engages with critical debates around what constitutes high and low culture during moments of crisis in the humanities political and affective uses of childhood and the mythological past the anxieties of modernity and the social impact of racially charged origin stories *New Frontiers in Popular Romance* Susan Fanetti,2022-06-27 In the twenty first century the romance genre has gained a growing academic response including the creation of the International Association for the Study of Popular Romance Popular romance has long been so ignored and maligned that seemingly every scholarly work on it opens with a lengthy defense of the genre and its value for academic study Even the early scholarly works on the genre approach it in ways that while primarily respectful make sweeping generalizations about popular romance its texts and its readers This essay collection examines the position of the romance genre in the twenty first century and the ways in which romance responds to and influences the culture and community in which it exists Essays are divided into six sections which cover the genre s relationship with masculinity the importance of consent historical romance representation social status and web based romance fiction **Captive Prince Trilogy Set** C.
