Knife Edge Noughts Crosses 2 By Malorie Blackman:

Knife Edge Malorie Blackman, 2008-12-26 Devastatingly powerful Guardian No one could begin to guess at the depth of the hatred I held for Sephy Hadley Everything began with her and my brother And that's how it would end Where there has been love now there is hate Two families have been shattered by the divided and violent society they live in Sephy Hadley a Cross supposedly powerful and privileged has bound herself forever to her nought lover Callum McGregor's family But Jude McGregor blames Sephy for all the tragedies his family has suffered And he is determined to force her to take sides and destroy her life just like she destroyed his Voted as one of the UK's best loved books Malorie Blackman's *Noughts & Crosses* a true modern classic Moving and thought provoking Observer Level 4: Knife Edge Ms Malorie Blackman, 2019 Discourses of Postcolonialism in Contemporary British Children's Literature Blanka Grzegorzczuk, 2014-10-03 This book considers how contemporary British children's books engage with some of the major cultural debates of recent years and how they resonate with the current preoccupations and tastes of the white mainstream British reading public A central assumption of this volume is that Britain's imperial past continues to play a key role in its representations of race identity and history The insistent inclusion of questions relating to colonialism and power structures in recent children's novels exposes the complexities and contradictions surrounding the fictional treatment of race relations and ethnicity Postcolonial children's literature in Britain has been inherently ambivalent since its cautious beginnings it is both transgressive and authorizing both undercutting and excluding Grzegorzczuk considers the ways in which children's fictions have worked with and against particular ideologies of race The texts analyzed in this collection portray ethnic minorities as complex hybrid products of colonialism global migrations and the ideology of multiculturalism By examining the ideological content of these novels Grzegorzczuk demonstrates the centrality of the colonial past to contemporary British writing for the young

Contemporary Adolescent Literature and Culture Dr Mary Hilton, Professor Maria Nikolajeva, 2012-10-28 Offering a wide range of critical perspectives this volume explores the moral ideological and literary landscapes in fiction and other cultural productions aimed at young adults Topics examined are adolescence and the natural world nationhood and identity the mapping of sexual awakening onto postcolonial awareness hybridity and trans racial romance transgressive sexuality the sexually abused adolescent body music as a code for identity formation representations of adolescent emotion and what neuroscience research tells us about young adult readers writers and young artists Throughout the volume explores the ways writers configure their adolescent protagonists as awkward alienated rebellious and unhappy so that the figure of the young adult becomes a symbol of wider political and societal concerns Examining in depth significant contemporary novels including those by Julia Alvarez Stephenie Meyer Tamora Pierce Malorie Blackman and Meg Rosoff among others *Contemporary Adolescent Literature and Culture* illuminates the ways in which the cultural constructions adolescent and young adult fiction share some of society's most painful anxieties and contradictions *The Crossover Novel* Rachel

Falconer,2008-10-21 Highly recommended by Choice While crossover books such as Rowling s Harry Potter series have enjoyed enormous sales and media attention critical analysis of crossover fiction has not kept pace with the growing popularity of this new category of writing and reading Falconer remedies this lack with close readings of six major British works of crossover fiction and a wide ranging analysis of the social and cultural implications of the global crossover phenomenon A uniquely in depth study of the crossover novel Falconer engages with a ground breaking range of sources from primary texts to child and adult reader responses to cultural and critical theory *Knife Edge* Malorie Blackman,2005

Sephy is a Cross one of the privileged in a society where the ruling Crosses treat the pale skinned noughts as inferiors But her baby daughter has a nought father Jude is a nought Eaten up with bitterness he blames Sephy for the terrible losses his family has suffered Now Jude s life rests on a knife edge Will Sephy be forced once again to take sides **Double Cross** Malorie Blackman,2008-12-29

Blackman gets people she gets humanity as a whole too Guardian Just this once Just this once and no more I promise Please let me get away with it just this once Tobey wants a better life for him and for Callie Rose He wants nothing to do with the violent gangs that rule the world he lives in But when he s offered the chance to earn some extra money how much could it hurt to just this once say yes Callie Rose knows all about the danger of saying yes She knows about terrible mistakes and violence and family feuds and the fierce divide between Noughts and Crosses And knowing so much about the past makes her afraid for her future Because sometimes one little bad decision can change everything Powerful Sunday Times **The Stuff of Nightmares** Malorie Blackman,2008-12-05

Kyle has always been afraid of things especially dying But when he gets on the train that is taking him and his class on a school trip he has no idea how close to Death he is going to come Death enters the train and Kyle moves with him past his friends who are frozen in time in life or death situations Kyle finds that he can pick up on their deepest darkest fears real things that have happened to them or may happen in the future and sometimes their surreal nightmares too Kyle realises that he isn t the only one who has buried fears and more importantly he now burns with the desire to live and to live without fear But will Death release him **The Rough Guide To Girl Stuff** Kaz Cooke,2009-05
