Danielson,2012-05 Cote d Azur as we know it today frequented by yachts and film stars is primarily a product of the last 150 years but the historical impact of its central location dates back more than 2 500 years Its geographic position and many natural harbors on the north side of the Mediterranean made it a stopover for early seafaring people like the Greeks a natural extension of the Roman Empire a target and base for Saracen raiders and a place where the ambitions of French Spanish and Italian kings and princes came into conflict More recently it has been a destination for tourists retirees and seekers of improved health and a landing place for the invasion of France by the Allied armies in the Second World War This book begins with Cote d Azur s early days and moves through to the present in a comprehensive but concise easily readable form that should help travelers relate what they are seeing today to what it was before It is as historically factual as readily available data permits and tries to emphasize history that relates to what we see today **FDR's Ambassadors and the Diplomacy of Crisis** David Mayers,2013 What effect did personality and circumstance have on US foreign policy during World War II This incisive account of US envoys residing in the major belligerent countries Japan Germany Italy China France Great Britain USSR highlights the fascinating role played by such diplomats as Joseph Grew William Dodd William Bullitt Joseph Kennedy and W Averell Harriman Between Hitler s 1933 ascent to power and the 1945 bombing of Nagasaki US ambassadors sculpted formal policy occasionally deliberately other times inadvertently giving shape and meaning not always intended by Franklin D Roosevelt or predicted by his principal advisors From appeasement to the Holocaust and the onset of the Cold War David Mayers examines the complicated interaction between policy as conceived in Washington and implementation on the ground in Europe and Asia By so doing he also sheds needed light on the fragility ambiguities and enduring urgency of diplomacy and its crucial function in international politics *Modern France* Vanessa R. The Wreck of

the Medusa Jonathan Miles,2008-10-16 A thrilling captivating account of the most famous shipwreck before the Titanic a tragedy that inspired an unforgettable masterpiece of Western art The Boston Globe In June 1816 the Medusa set sail

Commanded by an incompetent captain the frigate ran aground off the desolate West African coast During the chaotic evacuation a privileged few claimed the lifeboats while 147 men and one woman were herded aboard a makeshift raft that was soon cut loose by the boats that had pledged to tow it to safety Those on the boats made it ashore and undertook a two hundred mile trek through the sweltering Sahara but conditions were far worse on the drifting raft Crazy parched and starving the diminishing band fell into mayhem When rescue arrived thirteen days later only fifteen were alive Among the handful of survivors were two men whose bestselling account of the maritime disaster scandalized Europe and inspired promising artist Theodore Gericault who threw himself into a study of the Medusa tragedy turning it into a vast canvas in his painting *The Raft of the Medusa* Drawing on contemporaneously published accounts and journals of survivors *The Wreck of the Medusa* is a captivating gem about art's relation to history Booklist and ultimately a thrilling read The Guardian

Patricia A. Demaio,2014-01-02 The incomparable Simone Signoret 1921 1985 one of the grand actresses of the twentieth century and one of France's most notable stars considered herself the oldest discovery

in Hollywood After years of black listing during the McCarthy era she was thirty eight years old when she entered Hollywood through the back door in the 1959 British blockbuster Room at the Top Her portrayal of the endearing Alice Aisgill earned her the Academy Award in 1960 the first French actor to win a coveted Oscar Though a latecomer to Hollywood Signoret was already an international star who had survived the Nazi occupation of Paris emerging in 1945 as a beautiful promising actress capable of communicating more emotion through body language than dialogue alone could achieve She gained a reputation as the thinking man's sex symbol and in several films portrayed prostitutes with subtlety and depth She was fiercely protective of her privacy But after winning the Oscar she was dragged through the gutter when her second husband Yves Montand had a widely publicized affair with Marilyn Monroe Many attributed her rapid aging and alcoholism to this betrayal She endured this perception in silence all the while demonstrating a remarkable capacity to reinvent herself as a bestselling author respected social activist and revered actress who remained in the cinema her garden of dreams for over four decades Patricia A DeMaio combines Signoret's courageous story with Montand's biography to reveal new information and insight into Signoret's humanitarian efforts and the vibrant film career that sustained her **The Hidden Gardens of Paris**

Yosra Amraoui, Bootheina Majoul, 2021-02-01 Natives Aborigines Indigenous populations and First Nations are all appellations that assert the legitimacy of various antecessors despite the subordinate position granted to them by colonial postcolonial and neo colonial theories In a perpetual quest for agency the native has been framed within a set of representational practices that claim for a redress of grievances Cultural mediated and historical representations of the native tend to fall within the boundaries of either a bottom up or a top down view that fits within a structuralist paradigm that rarely questions the individual let alone the marginalized However there is a need to examine the systems within which indigenous narratives operate from a post structuralist stance in order to re read

indigenous discourses and to celebrate the multiplicity of meanings inherent in them The need for an intercultural pragmatic reading of native discourse therefore reveals itself to be of utmost relevance This volume discusses indigenous literary performances native history and cultural representations of natives and aboriginal discourse from around the world Topics pivot around historicizing the native the role of testimony and primary sources displacement and the denial of native legitimacy and literary mis representations of natives among other themes **The Book Review Digest** ,2005 The Pamphleteers James A Oliver,2010-09-15 In an era long before the advent of the periodical press the pamphleteers were the world s proto journalists In this brief survey the author includes vignettes on seven pamphleteers Robert Greene Thomas Nashe Thomas Dekker John Milton Daniel Defoe Jonathan Swift and Tom Paine **The Friar of Carcassonne** Stephen O'Shea,2011-08-25 Nearly a century had passed since Languedoc had been put to the sword in the Albigenian Crusade but the stain of Catharism still lay on the land Any accusation of Catharism invited peril But repression bred resentment and it was in Carcassonne that resistance began to stir In 1300 a great orator emerged who brought together the currents of resistance Three years later the terrible prisons were stormed and the inmates set free The orator was a Franciscan friar Bernard D licieux The forces ranged against Delicieux included the ruthless Pope Boniface VII the Machiavellian French King Philip IV and the grand inquisitor of Toulouse Bernard Gui the villain of The Name of the Rose This magnificent book which forms a kind of sequel to Stephen O Shea s bestselling The Perfect Heresy tells his inspiring life and tragic story But Enough About You Christopher Buckley,2014 Christopher Buckley at his best an extraordinary wide ranging selection of essays both hilarious and poignant irreverent and delightful In his first book of essays since his 1997 bestseller Wry Martinis Buckley delivers a rare combination of big ideas and truly fun writing Tackling subjects ranging from How to Teach Your Four Year Old to Ski to A Short History of the Bug Zapper and The Art of Sacking to literary friendships with Joseph Heller and Christopher Hitchens he is at once a humorous storyteller astute cultural critic adventurous traveler and irreverent historian Flirting with French William Alexander,2015-04-09 William Alexander is not just a Francophile he wants to be French It s not enough to explore the country to enjoy the food and revel in the ambiance he wants to feel French from the inside Among the things that stand in his way is the fact that he can t actually speak the language Setting out to conquer the language he loves but which amusingly does not seem to love him back Alexander devotes himself to learning French going beyond grammar lessons and memory techniques to delve into the history of the language the science of linguistics and the art of translation Along the way during his travels in France or following his passion at home he discovers that not learning a language may be its own reward
