Beyond Cadfael Lucy C. Barnhouse, Winston Black, 2023-06-01 Medievalism and medieval medicine are vibrant subfields of medieval studies enjoying sustained scholarly attention and popularity among undergraduates Popular perceptions of medieval medicine however remain understudied This book aims to fill that lacuna by providing a multifaceted study of medical medievalism defined as modern representations of medieval medicine intended for popular audiences The volume takes as its starting point the fictional medieval detective Brother Cadfael whose observations on bodies herbs and death have shaped many popular conceptions of medieval medicine in the Anglophone world The ten contributing authors move beyond Cadfael by exploring global medical medievalisms in a range of genres and cultural contexts Beyond Cadfael is organized into three sections the first of which engages with how disease injury and the sick are imagined in fictitious medieval worlds The second on doctors at work looks at medieval medical practice in novels films and television and public commemorative practice These essays examine how practitioners are represented and imagined in medieval and pseudo medieval worlds The third section discusses medicine designed for and practiced by women in the Middle Ages and today with a focus on East Asian medical traditions These essays are guided by the recognition that medieval medical practices are

often in dialogue with contemporary medical practices that fall outside the norms of Western biomedicine Magdalene from the New Testament to the New Age and Beyond Edmondo F. Lupieri, 2019-10-14 An international team of twenty scholars under Edmondo F Lupieri s direction produced Mary Magdalene from the New Testament to the New Age and Beyond While the historical figure of the Magdalene may be lost forever the construction of her literary images and their transformations and adaptations over the centuries are a lively testimony to human creativity and faith Different pictures of Mary travelled through time and space from history to legend and mythology crossed religious boundaries going beyond the various Christianities to become a sign of contradiction for many This book describes a special case of biblical reception history that of the New Testament figure of a woman whose presence at the side of Jesus has been disturbing for some but proves to be inspiring for others The Actual Jesus Tina Pippin, 2025-07-29 This book moves away from the traditional historical and theological studies of Jesus to incorporate a variety of theoretical and material approaches across centuries and diverse global cultures Through fiction and film the connections are made with contemporary issues such as borders asylum seekers farmworker activism colonialism violence misogyny civil war and nuclear proliferation with a focus on the appearances of the actual Jesus in these worlds The Jesus in this study is explored in particular connections with the stories of baptism wilderness experience ascension and apocalypse What is found is often confusing challenging surprising and Besides the Bible Dan Gibson, Jordan Green, John Pattison, 2012-01-04 How do you disturbing like the Jesus of the gospels decide what to read Dan Gibson Jordan Green and John Pattison have created this tool to make your choices easier Besides the Bible is a guide to the wide array of great books that they believe every Christian should read the ones that matter to the church and the world The Anachronistic Turn Stephanie Russo, 2023-12-01 The Anachronistic Turn Historical Fiction Drama Film and Television is the first study to investigate the ways in which the creative use of anachronism in historical fictions can allow us to rethink the relationship between past and present Through an examination of literary cinematic and popular texts and practices this book investigates how twenty first century historical fictions use creative anachronisms as a way of understanding modern issues and anxieties Drawing together a wide range of texts across all forms of historical fiction novels dramas musicals films and television this book re frames anachronism not as an error but as a deliberate strategy that emphasises the fictionalising tendencies of all forms of historical writing The book achieves this by exploring three core themes the developing trends in the twenty first century for creators of historical fiction to include deliberate anachronisms such as contemporary references music and language the ways in which the deliberate use of anachronism in historical fiction can allow us to rethink the relationship between past and present and the way that contemporary historical fiction uses anachronism to better understand modern issues and anxieties This book will appeal to students and scholars of historical fiction contemporary historical film and television studies and historical theatre studies Capitalizing Religion Craig Martin, 2014-09-25 Talk of spirituality and individual religion is proliferating both in popular discourse and scholarly

works Increasingly people claim to be spiritual but not religious or to prefer individual religion to organized religion Scholars have for decades noted the phenomenon primarily within the middle class of individuals picking and choosing elements from among various religious traditions forming their own religion or spirituality for themselves While the topics of spirituality and individual religion are regularly treated as self evident by the media and even some scholars of religion Capitalizing Religion provides one of the first critical analyses of the phenomenon arguing that these recent forms of spirituality are in many cases linked to capitalist ideology and consumer practices Examining cases such as Eckhart Tolle's The Power of Now and Karen Berg's God Wears Lipstick Craig Martin ultimately argues that so called individual religion is a religion of the status quo or more critically an opiate of the bourgeoisie Capitalizing Religion Ideology and Opiate of the Bourgeoisie is a landmark publication in critical religious studies Best Books for Young Adults Holly Koelling, 2007-08-13 Rev ed of Best books for young adults Betty Carter with Sally Estes and Linda Waddle 2nd ed c2000 The Witness of the Magi: The Meaning of the Visitors from the East in Art and Culture Christopher Silva, 2018-12-20 Looking to discuss the purpose of the Magi in the Gospel this book turns to tradition and iconography and draws conclusions about the Magi in the religious imaginations of Christians from the earliest times of Christianity until the Protestant Reformation as well as considers what the Magi could possibly mean for today The Magi become more than simple characters on a page and communicate a larger truth to the people of every age Whether they existed as three men two men a caravan of peoples or literary devices the Magi communicate a deep desire for something outside of ourselves They call for change and renewal in the lives of people in the act of giving to something much more then themselves Saints, Signs, and Symbols Hilarie Cornwell, James Cornwell, 2009-06 The arts Healing the Ravaged Soul Sue Magrath, 2017-01-26 Why does God hate me How can I believe in a God who has allowed my suffering These are just two of the difficult spiritual guestions that survivors of child sexual abuse struggle with In addition survivors often have mixed feelings about thechurch because of perceived judgment and indifference their own shame or their discomfort with certain aspects of worship Of the many after effects of sexual abuse spiritual wounds are the least talked about yet they are central to adult survivors who seek to heal and find faith and meaning in their lives With grace and gentleness this book seeks to answer survivors spiritual guestions and address some of the common misconceptions that often develop when young victims attempt to understand what has happened to them Healing the Ravaged Soul explores the origins of their spiritual issues with clear psychological insights and guides survivors on a spiritual journey toward healing wholeness and a deeper relationship with God The Magi Eric Vanden Eykel, 2022-10-25 George Tyrrell insisted that the quest for the historical Jesus was no more than scholars staring into a well to see their own reflections staring back Jesus is the mirror image of those who study him A similar phenomenon accompanies the quest for the historical Magi those mysterious travelers who came from the East following a star to Bethlehem In this work ancient historian and scholar Eric Vanden Eykel helps readers better understand both the Magi and

the ancient and modern interpreters who have tried to study them He shows how from a mere twelve verses in the Gospel of Matthew a varied and vast literary and artistic tradition was born The Magi examines the birth of the Magi story its enrichments embellishments and expansions in apocryphal writing and early Christian preaching its artistic expressions in catacombs icons and paintings and its modern legacy in novels poetry and music Throughout the book explores the fascination the Magi story elicits in both ancient and modern readers and what the legacy of the Magi story tells us about its storytellers and ourselves The Routledge Companion to Biofiction Lucia Boldrini, Laura Cernat, Alexandre Gefen, Michael Lackey, 2025-03-31 The Routledge Companion to Biofiction provides readers with the history origins and evolution of this popular genre Featuring contributions from leading scholars in the field this authoritative collection foregrounds analyses of biofiction s core foundations through contemporary debates The volume is organized into seven sections Histories of biofiction Theoretical reflections on biofiction Biofiction national models and trans national constructions Biofiction as political intervention Biofictional case studies Activating lives early modern women and Authorial reflections This groundbreaking collection features works that refine our understanding of the genesis and evolution of biofiction theorize its unique and distinctive modes of signifying reflect on its value for the future and social justice chart new approaches for doing biofictional analysis and offer insights from authors of biofiction into the creative process This is the first collection to bring together the two main schools of interpreting biofiction the Francophone and Anglophone while also shedding light on biofictions in many languages from or about many continents and offering a platform to established and new voices alike It will be essential reading for students as well as advanced scholars interested in biographical fiction into the Mind Grzegorz Maziarczyk, Joanna Klara Teske, 2016-09-23 Novelistic Inquiries into the Mind traces the multiple relations between the mind and the contemporary novel The contributors here examine various types of narrative fiction ranging from the postmodern novels of J M Coetzee and Ian McEwan through the experimental prose of Leslie Scalapino to the popular fiction of James Dashner and Christopher Moore On the one hand they investigate novelistic representations of various mind related issues including different states of consciousness Alzheimer's disease thought experiments and formation of the self On the other by analysing and evaluating in these contexts such narrative devices as unreliable narration development of conceptual networks or multimodal integration of verbal and non verbal semiotic resources they exemplify the multiplicity of techniques whereby the novel can explore the intricacies of mental processes Taken together the essays collected here demonstrate the potential of the novel as genre for representing the mind In its exploration of the problems involved in the linguistic construction of reality the cognitive function of art and the uncertain status of consciousness the contemporary novel thus reflects the mind's urge to understand itself as well as possible meanings of its own perceptions creations and projections Expressing Theology Jonathan Roach, Gricel Dominguez, 2015-07-14 Have you ever picked up a volume of theology read the first page and decided you would rather scrub the bathroom floor than read
