Lamb In His Bosom By Caroline Miller:

Lamb in His Bosom Caroline Miller, 1993 This 1934 Pulitzer Prize winner tells the story of a pair of young newlyweds in antebellum rural Georgia In 1934 Caroline Miller's novel *Lamb in His Bosom* won the Pulitzer Prize for Literature It was the first novel by a Georgia author to win a Pulitzer soon followed by Margaret Mitchell's *Gone With the Wind* in 1937 In fact *Lamb* was largely responsible for the discovery of *Gone With the Wind* after reading Miller's novel Macmillan editor Harold S Latham sought other southern novels and authors and found Margaret Mitchell Caroline Miller was fascinated by the other Old South not the romantic inhabitants of *Gone With the Wind* but rather the poor people of the south Georgia backwoods who never owned a slave or planned to fight a war The story of Cean and Lonzo a young couple who begin their married lives two decades before the Civil War *Lamb in His Bosom* is a fascinating account of social customs and material realities among settlers of the Georgia frontier At the same time *Lamb in His Bosom* transcends regional history as Miller's quietly lyrical prose style pays poignant tribute to a woman's life lived close to nature the nature outside her and the nature within The New Georgia Encyclopedia Companion to Georgia Literature Hugh Ruppersburg, John C. Speak Now Against The Day John Egerton,2013-08-28 *Speak Now Against the Day* is the astonishing little known story of the Southerners who in the generation before the Supreme Court outlawed school segregation and before Rosa Parks refused to surrender her seat on a Montgomery bus challenged the validity of a white ruling class and a separate but equal division of the races The voices of the dissenters although present throughout the South s troubled history grew louder with Roosevelt s election in 1932 An increasing number of men and women who grappled daily with the economic and social woes of the South began forcefully and courageously to speak and to work toward the day when the South and the nation would deliver on the historic promises in the country s founding documents This is the story of those brave prophets thhe ministers writers educators journalists social activists union members and politicians black and white who pointed the way to higher ground Published forty years after the *Brown v Board of Education* ruling of the Supreme Court this compelling book is not only a rich trove of forgotten history it also speaks profoundly to us in the context of today s continuing racial and social conflict

The Scarlett Letters John Wiley, 2014-10-08 One month after her novel *Gone With the Wind* was published Margaret Mitchell sold the movie rights for fifty thousand dollars Fearful of what the studio might do to her story I wouldn't put it beyond Hollywood to have Scarlett seduce General Sherman she joked the author washed her hands of involvement with the film However driven by a maternal interest in her literary firstborn and compelled by her Southern manners to answer every fan letter she received Mitchell was unable to stay aloof for long In this collection of her letters about the 1939 motion picture classic readers have a front row seat as the author watches the Dream Factory at work learning the ins and outs of filmmaking and discovering the peculiarities of a movie crazed public Her ability to weave a story so evident in *Gone With the Wind* makes for delightful reading in her correspondence with a who's who of Hollywood from producer David O Selznick director George Cukor and screenwriter Sidney Howard to cast members Clark Gable Vivien Leigh Leslie Howard Olivia de Havilland and Hattie McDaniel Mitchell also wrote to thousands of others aspiring actresses eager to play Scarlett O'Hara fellow Southerners hopeful of seeing their homes or their grandmother's dress used in the film rabid movie fans determined that their favorite star be cast and creators of songs dolls and Scarlett panties who were convinced the author was their ticket to fame and fortune During the film's production she corrected erring journalists and the producer's over the top publicist who fed the gossip mills accuracy be damned Once the movie finished she struggled to deal with friends and strangers alike who fought and trampled little children and connived and broke the ties of lifelong friendship to get tickets to the premiere But through it all she retained her sense of humor Recounting an acquaintance's denial of the rumor that the author herself was going to play Scarlett Mitchell noted he ungallantly stated that I was something like fifty years too old for the part After receiving numerous letters and phone calls from the studio about Belle

Watling's accent the author related her father was convulsed at the idea of someone telephoning from New York to discover how the madam of a Confederate bordello talked And in a chatty letter to Gable after the premiere Mitchell coyly admitted being feminine enough to be quite charmed by his statement to the press that she was fascinating but added Even my best friends look at me in a speculative way probably wondering what they overlooked that your sharp eyes saw As *Gone With the Wind* marks its seventy fifth anniversary on the silver screen these letters edited by Mitchell historian John Wiley Jr offer a fresh look at the most popular motion picture of all time through the eyes of the woman who gave birth to Scarlett
