Leepike Ridge By ND Wilson:

Leepike Ridge N. D. Wilson, 2008-07-22 Before he wrote the bestselling 100 Cupboards trilogy and Ashtown Burials series N D Wilson delighted readers with his first unforgettable action adventure story of survival Thomas Hammond has always lived next to Leepike Ridge but he never imagined he might end up lost beneath it The night Tom s schoolteacher comes to dinner and asks Tom s mother to marry him Tom slips out of the house and escapes down a nearby stream on a floating slab of packing foam The night and stars lull Tom to sleep and when he wakes he has ridden his foam raft all the way to the ridge where the stream dives underground Flung over rapids and tossed through chasms Tom finally hits shore sore but alive What Tom finds under Leepike Ridge a dog a flashlight a castaway a tomb and buried treasure will answer questions he hadn t known to ask and change his life forever Now if only he can find his way home again In the grand tradition of Robinson Crusoe Hatchet and Tom Sawyer N D Wilson s first book for young readers is a remarkable adventure a journey through the dark and back into the light A New York Public Library 100 Titles for Reading and Sharing This is a ripping good adventure yarn Here s the perfect remedy for any summer that s been disappointingly short on thrills The Bulletin of the Center for Children s Books Starred Wilson s debut is a literate sometimes humorous page turner in the classic tradition Well read adventure lovers are in for a treat looking for echoes of The Odyssey and Tom Sawyer Kirkus Reviews Tom s adventures have several literary ancestors including Tom and Huck in the cave and the inventive Swiss Family Robinson but this is solidly set in the present standing on its own with well crafted suspense and fascinating survival detail Middle grade readers will also relish the physicality of the journey underwater swims tight passages and rock climbing An appealing and easy to booktalk package Booklist Wilson sets the scene vividly from Tom s home to the labyrinth of tunnels and caverns under the mountain and the central characters emotional lives develop both naturally and affectingly Readers will appreciate both the fast paced adventure and Tom s determination to make the impossible journey back home The Horn Book Magazine Wilson s rich imagination and his quirky characters are a true delight School Library Journal *Leepike Ridge* Nathan D. Wilson, 2007 While his widowed mother continues to search for him eleven year old Tom presumed dead after drifting away down a river finds himself trapped in a series of underground caves with another survivor and a dog and pursued by murderous treasure hunte *Teens and the New Religious Landscape* Jacob Stratman, 2018-09-12 How are teenagers religious experiences shown in today s young adult literature How do authors use religious texts and beliefs to add depth to characters settings and plots How does YA fiction place itself in the larger conversation regarding religion Modern YA fiction does not shy away from the dilemmas and anxieties teenagers face today While many stories end with the protagonist in a state of flux if not despair some authors choose redemption or reconciliation This collection of new essays explores these issues and more with a focus on stories in which characters respond to a new often shifting religious landscape in both realistic and fantastic worlds **Nathan D. Wilson** Colleen Carroll, 2007 **Caring Hearts and Critical Minds** Steven Wolk, 2023-10-10

Imagine if going to school meant more than preparing kids for a test teaching a canned curriculum and training students for their future as workers What if school were also about cultivating students to be caring community involved citizens and critical creative thinkers who love to read In *Caring Hearts Critical Minds* teacher author Steven Wolk shows teachers how to help students become better readers as well as better people I want my students to be thinkers and have rich conversations regarding critical issues in the text and be able to formulate opinions regarding these issues says Leslie Rector a sixth grade teacher who collaborated with Wolk on some of the units featured in this book Wolk demonstrates how to integrate inquiry learning exciting and contemporary literature and teaching for social responsibility across the curriculum He takes teachers step by step through the process of designing an inquiry based literature unit and then provides five full units used in real middle grade classrooms Featuring a remarkable range of recommended resources and hundreds of novels from across the literary genres *Caring Hearts Critical Minds* gives teachers a blueprint for creating dynamic units with rigorous lessons about topics kids care about sfrom media and the environment to personal happiness and global poverty Wolk shows teachers how to find stimulating real world complex texts called for in the Common Core State Standards and integrate them into literature units I know from experience that a great book changes the reader says Karen Tellez an eighth grade teacher featured in the book For me books have helped me escape fall in love recover from heartbreak and have broken open my mind from the age of twelve I hope my students gain better reading comprehension confidence as readers connections to the characters and events a curiosity for the world and tolerance for others *Caring Hearts Critical Minds* shows teachers how to turn these hopes and goals into reality

[Boys of Blur](#) N. D. Wilson, 2014-04-08 Fans of Jerry Spinelli s *Maniac Magee* and Louis Sachar s *Holes* will enjoy this story about a boy and the ancient secrets that hide deep in the heart of the Florida everglades near a place called Muck City When Charlie moves to the small town of Taper Florida he discovers a different world Pinned between the everglades and the swampy banks of Lake Okeechobee the small town produces sugar cane and the fastest runners in the country Kids chase muck rabbits in the fields while the cane is being burned and harvested Dodging flames and blades and breathing smoke they run down the rabbits for three dollars a skin And when they can do that running a football is easy But there are things in the swamp roaming the cane at night that cannot be explained and they seem connected to sprawling mounds older than the swamps Together with his step second cousin Cotton Mack the fastest boy on the muck Charlie hunts secrets in the glades and on the muck flats where the cane grows secrets as old as the soft earth secrets that haunted tripped and trapped the original native tribes ensnared conquistadors and buried runaway slaves Secrets only the muck knows

Survival and Resistance in Evangelical America Crawford Gribben, 2021 Over the last thirty years conservative evangelicals have been moving to the Northwest of the United States where they hope to resist the impact of secular modernity and to survive the breakdown of society they anticipate This book examines the origins evolution and cultural reach of the migration and considers what it might tell us about the future of American evangelicalism
