Lost In America By Isaac Bashevis Singer:

Isaac B. Singer Florence Noiville, 2008-05-26 Draws on personal recollections letters and interviews with friends family and associates to present a portrait of the popular Yiddish writer Jewish American Writing and World Literature Saul Noam Zaritt, 2020 This book explores how Jewish American writers like Sholem Asch Jacob Glatstein Isaac Bashevis Singer Anna Margolin Saul Bellow and Grace Paley think of themselves as world writers and the successes and failures that come with this role Isaac Bashevis Singer Janet Hadda, 2003-03-24 Isaac Bashevis Singer brought the vibrant milieu of pre Holocaust Polish Jewry to the English speaking world through his subtle psychological insight deep sympathy for the eccentricities of Jewish folk custom and unerring feel for the heroism of everyday life His novels including *The Family Moskat* and *Enemies A Love Story* and his short stories such as *Yentl* and *Gimpel the Fool* prove him a consummate storyteller and probably the greatest Yiddish writer of the twentieth century Lost and Found Aušra Paulauskienė, 2007 Ausra Paulauskiene s book *Lost and Found The Discovery of Lithuania in American Fiction* targets American as well as European scholars in the fields of literature ethnic studies and immigration The author discovers obscure texts on Lithuania and alerts Western and Eastern academia to their significance as well as the reasons for their neglect For the first time Abraham Cahan s autobiography *The Education of Abraham Cahan* and Ezra Brudno s autobiographical novel *The Fugitive* receive an extensive coverage while Goldie Stone s *My Caravan of Years* and Margaret Seebach s *That Man Donaleitis* sic receive their first scholarly consideration ever The author argues that misrepresentations misattributions and exclusions of Lithuanian legacy in the U S were produced by major political events of the twentieth century **Raphael Soyer and the Search for Modern Jewish Art** Samantha Baskind, 2015-12-01 Artist Raphael Soyer 1899 1987 whose Russian Jewish family settled in Manhattan in 1912 was devoted to painting people in their everyday urban lives He came to be known especially for his representations of city workers and the down and out and for his portraits of himself and his friends Although Soyer never identified himself as a Jewish artist Samantha Baskind in the first full length critical study of the artist argues that his work was greatly influenced by his ethnicity and by the Jewish American immigrant experience Baskind examines the painter s art and life in the rich context of religious cultural political and social conditions in the twentieth century United States By promoting an understanding of Soyer as a Jewish American artist she addresses larger questions about the definition and study of modern Jewish art Whereas previous scholars have defined Jewish art simply as art produced by people who were born Jewish Baskind stresses the importance of an artist s cultural identity when defining ethnic art As Baskind explains how Soyer negotiated his Jewish identity in changing ways over his lifetime she offers new strategies for identifying and interpreting Jewish art in general Her analysis of Soyer s work places the artist in a necessary context and provides a valuable new approach to the study of modern Jewish art *Booking Passage* Sidra DeKoven Ezrahi, 2023-12-22 Sidra DeKoven Ezrahi s sweeping study of modern Jewish writing is in many ways a long meditation on the thematics of geography

in Jewish culture what she calls the poetics of exile and return Until the late nineteenth century Jews were identified in their own religious and poetic imagination as wanderers and exiles their sacred center Jerusalem Zion fatefully out of reach Opening the book with *Jewish Journeys* Ezrahi begins by examining the work of medieval Hebrew poet Yehuda Halevi to chart a journey whose end was envisioned as the sublime realignment of the people with their original center When the Holy Land became the site of a political drama of return in the nineteenth century Jewish writing reflected the shift traced here in the travel fictions of S Y Abramovitsh S Y Agnon and Sholem Aleichem In *Jewish Geographies* Ezrahi explores aspects of reterritorialization through memory in the post Holocaust writing of Paul Celan Dan Pagis Aharon Appelfeld I B Singer and Philip Roth Europe where Jews had dreamed of return has become the new ruined shrine The literary pilgrimages of these writers recall familiar patterns of grieving and representation and a tentative reinvention of the diasporic imagination in America of course but paradoxically even in Zion Sidra DeKoven Ezrahi's sweeping study of modern Jewish writing is in many ways a long meditation on the thematics of geography in Jewish culture what she calls the poetics of exile and return Until the late nineteenth century Jews were ide

Vegetarianism and Veganism in Literature from the Ancients to the Twenty-First Century Theophilus Savvas, 2024-05-31 *Vegetarianism and Veganism in Literature from the Ancients to the Twenty First Century* re assesses both canonical and less well known literary texts to illuminate how vegetarianism and veganism can be understood as literary phenomena as well as dietary and cultural practices It offers a broad historical span ranging from ancient thinkers and writers such as Pythagoras and Ovid to contemporary novelists including Ruth L Ozeki and Jonathan Franzen The expansive historical scope is complemented by a cross cultural focus which emphasises that the philosophy behind these diets has developed through a dialogic relationship between east and west The book demonstrates also the way in which carnivorous

has functioned as an ideology one which has underpinned actions harmful to both human and non human animals *Critical Survey of Short Fiction: Isaac Bashevis Singer*, 2001 *Cultures of Creativity* Ulf Larsson, 2001 Enth It S 177 180 Freedom and resources Basel Institute for Immunology **American Novelists Since World War II.** James Richard Giles, Wanda H. Giles, 2003 Contains biographical sketches of writers who either began writing novels after 1945 or have done their most important work since then *Fear of Fiction* David Neal Miller, 2012-02-01 David Neal Miller's *Fear of Fiction* is the first book length study that begins with the understanding that Singer is truly a Yiddish writer in language and culture With the exception of a handful of articles American critical examination of Isaac Bashevis Singer's work has been devoted to Singer's work in English to those pieces he himself has selected for translation This American Nobel laureate is part of a long tradition of Yiddish literature and he still writes in that language Working exclusively with Singer's Yiddish texts many of the pieces discussed here are not available in English Miller examines Singer's narrative strategies his blurring of the distinctions between fiction and reportage *Fear of Fiction* captures an intriguing paradox of Singer's writing Singer fictionalizes the factual and historicizes the imaginative Miller demonstrates that Singer is no inspired innocent but that this blending of genres is the work of a craftsman who uses genre to mediate between the world and the imagination The book is enriched by Miller's careful and sensitive translations of many illustrative Yiddish passages *Fear of Fiction* is both erudite and entertaining Miller not only examines Singer's skillful undermining of our expectations of different genres but also draws the reader into Singer's work as a whole This book will fascinate both the scholar and the sophisticated reader of Singer
