Love, Acceptance, and Forgiveness Jerry Cook, Stanley C. Baldwin, 2011-08-29 How can the church be a healing force in the world In this longtime bestseller now revised and updated authors Jerry Cook and Stanley C Baldwin suggest that it is only when believers admit their own brokenness that they can love accept and forgive those who are hurting around them and put out the welcome mat to their community They offer clear teaching about the church in a hurting world As veteran leaders who practice these principles they speak from experience not theory Through touching true stories and practical guidelines for connecting with fallen sinful people Cook and Baldwin announce the good news The church is not broken and it is the broken people who can change the world

You Don't Say! William Bowlby, 2024-10-16 I was driving down the road on Highway 7 outside Tacoma when my phone rang A lady from Spokane asked if I would go and pray for her brother who lives in a trailer park He was seriously ill I said I would About two weeks later I was driving down the same road and the Lord spoke to me saying You said to that lady that you would visit her brother and you have not done it It would be a good idea if you did that And so I did and I thought I would make a quick stop I would go in pray then leave When I got in there the man was in bed with a morphine bag He was very definitely sick He said to me I do not need your prayers thank you very much And I said to him Your sister asked me to come and pray for you I am not leaving until I do All right he said if you must So we went out into the kitchen He could barely walk And we sat I sat on an orange crate while he sat in the kitchen nook And I took out my Bible to orientate me to the healing Scriptures And I

just had this instant understanding that somehow God was going to intervene and even heal this person Far fetched as it seems As I was praying I had an instant understanding that the Lord was going to heal this person and it changed my whole outlook on how to be there for someone who is suffering or in a crisis and how to talk to people in crises and allow us to intervene with those caught in a crisis or suffering from some traumatic event There are people who need your intervention One does not press religious preferences even though one may blame God for one s situation The people who have no one do not ask And it changed my life Then suddenly within a couple of weeks something extraordinary happened I asked the man whose name was Gary if he could bring some proof like an X ray from the doctor if the tumor that he had was gone And so he did He brought it to church and I held it up for all the people to see There was no tumor and of course everybody rejoiced God really does want to reach out to people who are hurting and in crisis They are having severe problems Yes and always his ways are past finding out as it is still a mystery to me why some can be and are healed and others are not And that is what I have decided to do for the rest of my life Yes God intervenes sometimes and he does it through people He blesses us by giving us the opportunity to serve others and then help us no matter what situation we are in This and other situations proved to me that it is not how much you know but how much you care Oh it is still going on Far more people need intervention than those who can or will respond
