Maggie Alderson dishes up romance humour and adventure with a liberal dose of style of course *Pants on Fire* London magazine editor Georgia Abbott comes to Sydney looking forward to being whisked off into the sunset by an Akubra hatted fantasy man However the men in Australia soon look all too familiar What to do when all the blokes you've found are gay married unfaithful or just plain unworthy *Mad About the Boy* Antonia Heavingingham's life is rocked by her husband Hugo's out of the blue announcement that he is gay Her life then takes another dramatic turn when she encounters the mysterious James and the shadowy world he inhabits Soon she is in a situation where keeping a secret becomes a matter of life death and love *Handbags and Gladrags* After a night of wild sex with a hunky Australian photographer Emily Pinter soon discovers that life can be messy From Milan to London Paris and New York Emily does her utmost to conceal the affair But secrets come at a cost and Emily is about to be hit with the bill Praise for Maggie Alderson Fun funny feather light and once started like a box of chocolate bikkies can't be put down until you're full and it's finished Sydney Morning Herald Heaven for sex and shopping fans Daily Mail **Pants on Fire** Maggie Alderson, 2011 A wonderfully witty entertaining debut novel in the same

vein as Kathy Lette Helen Fielding and Marian Keyes This is a light and clever women's romp set around lovable heroine Georgiana Abbot a magazine editor from London who comes to Sydney to work as deputy editor of a girlie magazine after her heart is broken **Handbags And Gladrags** Maggie Alderson, 2004-11-11 Emily Pointer would rather jog naked through

Harvey Nichols beauty hall than be seen with last season's handbag A fashion stylist with *Chic* magazine Emily is a natural blonde a effortless size 10 travels the world for work and gets 30% discount at Prada As far as she's concerned life is perfect So surely a night of wild sex with a hunky Australian photographer during the fashion show season in Milan will be just

another fabulous experience to add to the package Instead Emily starts to discover that life can be messy and the designer clothes in your closet can be squeezed out by the skeletons lurking in there too From the bestselling author of *Pants on Fire* and a former magazine editor herself comes the delicious tale of a woman who was kidding herself that another Birkin bag was all she needed to achieve fulfilment

Postfeminism in Context Margaret Henderson, Anthea Taylor, 2019-10-21
Postfeminism in Context studies the representation of women in Australian popular culture over the past three decades to locate postfeminism in a specific time and place Margaret Henderson and Anthea Taylor argue that postfeminism as a critical term has been too often deployed in ways that fail to account for historical and cultural specificity This book analyses Australian popular culture chick lit novels dramedy television shows women s magazines YouTube beauty vlogs self help manuals and newspapers to reveal the tensions contradictions and ambiguities that have always been constitutive of postfeminism including in Australia Examining how these popular forms intervene in dominant conversations about contemporary Australian femininities Postfeminism in Context maps the ways in which various aspects of Australia s history and national identity have shaped its postfeminism While Henderson and Taylor identify some of the limited postfeminist tropes and patterns of representation evident in comparable locales they also find that Australian popular culture has responded to feminism in a much more hopeful way Adding some much needed cultural specificity to the ongoing debate around this loaded term Postfeminism in Context is essential reading for those interested in Australian popular culture feminism and the gendered politics of representation
