Madeleine's Ghost By Robert Girardi:

Madeleine's Ghost Robert Girardi, 1999-07-20 Brooklyn needs a saint Ned Conti needs a stipend So the struggling young historian agrees to trace the mysterious past of a Brooklyn nun for evidence of miracles Trapped in a neighborhood of cheap rents and failed promise in a rent controlled apartment suddenly inexplicably seized by a beautiful and angry ghost Ned's only refuge is the F train to Manhattan's East Village bars where he and his friends drown their sorrows in drink But Ned is about to heed another call the siren song of New Orleans where the history of countless lost souls seems to rise from the steaming streets and where ten years before he ended a brief passionate affair with a woman whose memory has haunted him ever since Here in a city of spirits Ned will embrace a dead saint and a living sinner as a beautiful ghost offers him her desire And his destiny Set amid the sleepless energy and seething passion of New York and New Orleans *Madeleine's Ghost* is a spellbinding novel of lost love history and desire a work of startling originality that is at once exquisitely written and compulsively readable

Haints Arthur F. Redding, 2011-09-15 In *Haints* Arthur Redding examines the work of contemporary American authors who draw on the gothic tradition in their fiction not as frivolous or supernatural entertainments but to explore and memorialize the ghosts of their heritage Ghosts Redding argues serve as lasting witnesses to the legacies of slaves and indigenous peoples whose stories were lost in the remembrance or mistranslation of history No matter how much Americans willingly or unwillingly repress the true history of their ancestry their ghosts remain unburied and restless Such authors as Toni Morrison and Leslie Marmon Silko deploy the ghost as a means of reconciling their own violently repressed heritage with their identity as modern Americans And just as our ancestors were haunted by ghosts of the past today we are haunted by ghosts of contemporary crises urban violence racial hatred and even terrorism In other cases that Redding studies such as James Baldwin's *The Evidence of Things Not Seen* and Toni Cade Bambara's *Those Bones Are Not My Child* writers address similar crises to challenge traditional American claims of innocence and justice Finally Redding argues that ghosts emphasize a growing worry about a larger impending crisis the apocalypse Yet the despair the apocalypse inspires is vital to providing the grounds for new solutions to modern issues In the end the armies of the dispossessed enlist the forces of the spirit world to create a better future by ensuring that mistakes of the past are not repeated that Americans do not deny their heritage and that accountability exists for any given crisis book jacket

Lowry, 2003-09-01 During the Civil War a Union colonel was five times more likely to be court martialed than a private Worse courts martial of all ranks increased by 400 percent in the winter months Among the court martialed transgressors presented in this volume are an officer nicknamed Stumpy because he tended to hide behind tree stumps during combat and a man tried for calling his superior a miserable reptile The gallery of offenders also includes a Vermont colonel who became a chloroform addict and a New York colonel who rode his horse into a barroom ordered a brandy for himself and one for his horse then fired his pistol through the ceiling The
