Tech-Noir Paul Meehan,2015-08-13 This critical study traces the common origins of film noir and science fiction films identifying the many instances in which the two have merged to form a distinctive subgenre known as Tech Noir From the German Expressionist cinema of the late 1920s to the present day cyberpunk movement the book examines more than 100 films in which the common noir elements of crime mystery surrealism and human perversity intersect with the high technology of science fiction The author also details the hybrid subgenre s considerable influences on contemporary music fashion and culture **Mapping Appetite** Pere Gallardo-Torrano,Jopi Nyman,2009-03-26 As recent years have witnessed a strong interest in the cultural representation of the culinary ranging from analyses of food representation in film and literature to cultural readings of recipes menus national cuisines and celebrity chefs the study of food narratives amidst contemporary consumer culture has become increasingly more important This book seeks to respond to the challenge by presenting a series of case studies dealing with the representation of food and the culinary in a variety of cultural texts including post colonial and popular fiction women s magazines and food writing The contributors to the first part of the volume explore the various functions of food in post colonial writing ranging from Salman Rushdie and Anita Desai to Zadie Smith and Maggie Gee in the context of globalization and multiculturalism In the second part of the volume the focus is on two genres of popular fiction the romantic novel and science fiction While the romantic novels of Joanne Harris for instance link food and cooking with female empowerment in science fiction food is connected with power and technology The essays in the third part of the book explore the role of food in travel writing women s magazines and African American cookery books showing how issues of gender nation and race are present in food narratives [Ecological Literature and the Critique of Anthropocentrism](#) Bryan L. Moore,2017-10-14 This book is an analysis of literary texts that question critique or subvert anthropocentrism the notion that the universe and everything in it exists for humans Bryan Moore examines ancient Greek and Roman texts medieval to twentieth century European texts eighteenth century French philosophy early to contemporary American texts and poetry and science fiction to demonstrate a historical basis for the questioning of anthropocentrism and contemplation of responsible environmental stewardship in the twenty first century and beyond *Ecological Literature and the Critique of Anthropocentrism* is essential reading for ecocritics and ecofeminists It will also be useful for researchers

interested in the relationship between science and literature environmental philosophy and literature in general The Role of Place in Literature Leonard Lutwack,1984-05-01 The Role of Place in Literature is a groundbreaking study exploring the use of metaphors and images of place in literature Lutwack takes a dynamic view of the relationship between place and the action or thought in a work Drawing comparisons over a wide range of works principally American and British literature of the nineteenth and twentieth centuries he illustrates how writers have charged different environments with symbolic and psychological meaning Encyclopedia of the Environment in American Literature Geoff Hamilton,Brian Jones,2014-01-10 This encyclopedia introduces readers to American poetry fiction and nonfiction with a focus on the environment broadly defined as humanity s natural surroundings from the discovery of America through the present The work includes biographical and literary entries on material from early explorers and colonists such as Columbus Bartolome de Las Casas and Thomas Harriot Native American creation myths canonical 18th and 19th century works of Jefferson Emerson Thoreau Whitman Hawthorne Twain Dickinson and others to more recent figures such as Jack London Ernest Hemingway Norman Mailer Stanley Cavell Rachel Carson Jon Krakauer and Al Gore It is meant to provide a synoptic appreciation of how the very concept of the environment has changed over the past five centuries offering both a general introduction to the topic and a valuable resource for high school and university courses focused on environmental issues **The Science Fiction Handbook** M. Keith Booker,Anne-Marie Thomas,2009-03-30 The Science Fiction Handbook offers a comprehensive and accessible survey of one of the literary world s most fascinating genres Includes separate historical surveys of key subgenres including time travel narratives post apocalyptic and post disaster narratives and works of utopian and dystopian science fiction Each subgenre survey includes an extensive list of relevant critical readings recommended novels in the subgenre and recommended films relevant to the subgenre Features entries on a number of key science fiction authors and extensive discussion of major science fiction novels or sequences Writers and works include Isaac Asimov Margaret Atwood George Orwell Ursula K Le Guin The War of the Worlds 1898 Starship Troopers 1959 Mars Trilogy 1993 6 and many more A Science Fiction Glossary completes this indispensable Handbook **Sense of Place and Sense of Planet** Ursula K. Heise,2008-09-29 Sense of Place and Sense of Planet analyzes the relationship between the imagination of the global and the ethical commitment to the local in environmentalist thought and writing from the 1960s to the present Part One critically examines the emphasis on local identities and communities in North American environmentalism by establishing conceptual connections between environmentalism and ecocriticism on one hand and theories of globalization transnationalism and cosmopolitanism on the other It proposes the concept of eco cosmopolitanism as a shorthand for envisioning these connections and the cultural and aesthetic forms into which they translate Part Two focuses on conceptualizations of environmental danger and connects environmentalist and ecocritical thought with the interdisciplinary field of risk theory in the social sciences arguing that environmental justice theory and ecocriticism stand to benefit from closer consideration of

the theories of cosmopolitanism that have arisen in this field from the analysis of transnational communities at risk Both parts of the book combine in depth theoretical discussion with detailed analyses of novels poems films computer software and installation artworks from the US and abroad that translate new connections between global national and local forms of awareness into innovative aesthetic forms combining allegory epic and views of the planet as a whole with modernist and postmodernist strategies of fragmentation montage collage and zooming The Skylark of Space & Skylark Three E. E. Smith,2023-11-18 E E Smith's *The Skylark of Space* and its sequel *Skylark Three* are classic examples of early 20th century science fiction that exemplify the pulp fiction style of the era These books explore interstellar adventures advanced technology and epic space battles captivating readers with a sense of wonder and imagination Smith's writing is fast paced action packed and filled with futuristic concepts that were revolutionary for their time setting the stage for future sci fi works The *Skylark* series is a must read for fans of golden age science fiction literature showcasing the essence of the genre in its purest form E E Smith a pioneer in the sci fi genre drew inspiration from scientific advancements and space exploration to create a visionary universe filled with remarkable discoveries and extraterrestrial encounters His background as a food chemist and engineer likely influenced the technical precision and imaginative scope found in his works making him a standout figure in the history of speculative fiction Readers who enjoy classic science fiction with a sense of adventure and exploration will find *The Skylark of Space* and *Skylark Three* to be timeless gems that continue to inspire and enthrall enthusiasts of the genre Routledge Library Editions: Science Fiction Various,2022-07-30 This set of three previously out of print volumes collects together in one place key areas of research into the genre of science fiction It critically examines science fiction establishing its common themes and definitions and comprehensively assesses the sci fi world in its entirety
