Manchild In The Promised Land By Claude Brown:

Manchild in the Promised Land Claude Brown, 2010-09-28 With more than two million copies in print *Manchild in the Promised Land* is one of the most remarkable autobiographies of our time the definitive account of African American youth in Harlem of the 1940s and 1950s and a seminal work of modern literature Published during a literary era marked by the ascendance of black writers such as Richard Wright Ralph Ellison James Baldwin and Alex Haley this thinly fictionalized account of Claude Brown's childhood as a hardened streetwise criminal trying to survive the toughest streets of Harlem has been heralded as the definitive account of everyday life for the first generation of African Americans raised in the Northern ghettos of the 1940s and 1950s When the book was first published in 1965 it was praised for its realistic portrayal of Harlem the children young people hardworking parents the hustlers drug dealers prostitutes and numbers runners the police the violence sex and humor The book continues to resonate generations later not only because of its fierce and dignified anger not only because the struggles of urban youth are as deeply felt today as they were in Brown's time but also because of its inspiring message Now with an introduction by Nathan McCall here is the story about the one who made it the boy who kept landing on his feet and grew up to become a man [Manchild in the Promised Land](#) Claude Brown, 2011-12-27 The

autobiography of a young black man raised in Harlem A realistic description of life in the ghetto [Jet](#), 2002-02-25 The weekly source of African American political and entertainment news **Literature Suppressed on Social Grounds** Dawn B. Sova, 2014-05-14 *Literature Suppressed on Social Grounds* Revised Edition discusses writings that have been banned over the centuries because they offended or merely ignored official truths challenged widely held assumptions or contained ideas or language unacceptable to a state religious institution or private moral watchdog The entries new to this edition include the Captain Underpants series *We All Fall Down* by Robert Cormier and *Jake and Honeybunch Go to Heaven* by Margaret Zemach Also included are updates to the censorship histories of such books as *To Kill a Mockingbird* and *Of Mice and Men*

Growing Up in America, a Background to Contemporary Drug Abuse Anne MacLeod, National Institute of Mental Health (U.S.), 1973 **Censored Books** Nicholas J. Karolides, Lee Burrell, John M. Kean, 2001 A collection of essays confronting the censorship issue including six authors' views and defenses of individual books [The Concise Oxford Companion to African American Literature](#) William L. Andrews, Frances Smith Foster, Trudier Harris, 2001-02-15 A breathtaking achievement this *Concise Companion* is a suitable crown to the astonishing production in African American literature and criticism that has swept over American literary studies in the last two decades It offers an enormous range of writers from Sojourner Truth to Frederick Douglass from Zora Neale Hurston to Ralph Ellison and from Toni Morrison to August Wilson It contains entries on major works including synopses of novels such as Harriet Jacobs's *Incidents in the Life of a Slave Girl* Richard Wright's *Native Son* and Lorraine Hansberry's *A Raisin in the Sun* It also incorporates information on literary characters such as Bigger Thomas Coffin Ed Johnson Kunta Kinte Sula Peace as well as on character types such as Aunt Jemima Brer Rabbit

John Henry Stackolee and the trickster Icons of black culture are addressed including vivid details about the lives of Muhammad Ali John Coltrane Marcus Garvey Jackie Robinson John Brown and Harriet Tubman Here too are general articles on poetry fiction and drama on autobiography slave narratives Sunday School literature and oratory as well as on a wide spectrum of related topics Compact yet thorough this handy volume gathers works from a vast array of sources from the black periodical press to women s clubs making it one of the most substantial guides available on the growing exciting world of African American literature

The Improvement and Reform of Law Enforcement and Criminal Justice in the United States United States. Congress. House. Select Committee on Crime,1969 **Street, Text, and Representation in African American Literature** Mattius Rischard,2024-05-31 Comprehensive and comparative this volume investigates African American street novelists since the Chicago Black Renaissance and the semiotic strategies they employ in publication consumption and depiction of street life Divided into three chapters this text analyzes the content style and ethics of street narrative through a discursive rhetorical lens exploring the development of street literature s formal and contextual concerns to resolve the sociocultural and political questions surrounding cultural work The book also gives emphasis to text or post structural literary analysis by answering questions about the genre s aesthetic and linguistic techniques that respond to the injustices of urban planning The last chapter Representation investigates the phenomenological hermeneutics of more recent street literature and its satire highlighting the political stakes for authorship credibility and subjectivity Through historical and contemporary studies of urban space Blackness and adaptations of street literature this work attempts to network activists artists and scholars with the greater reading public by providing a functional ontology of reading the inner city

Shakin' Up Race and Gender Marta E. Sánchez,2009-07-21 The second phase of the civil rights movement 1965 1973 was a pivotal period in the development of ethnic groups in the United States In the years since then new generations have asked new questions to cast light on this watershed era No longer is it productive to consider only the differences between ethnic groups we must also study them in relation to one another and to U S mainstream society In *Shakin Up Race and Gender* Marta E S nchez creates an intercultural frame to study the historical and cultural connections among Puerto Ricans African Americans and Chicanos as since the 1960s Her frame opens up the black white binary that dominated the 1960s and 1970s It reveals the hidden yet real ties that connected ethnics of color and white ethnics in a shared intercultural history By using key literary works published during this time S nchez reassesses and refutes the unflattering portrayals of ethnics by three leading intellectuals Octavio Paz Daniel Patrick Moynihan and Oscar Lewis who wrote about Chicanos African Americans and Puerto Ricans She links their implicit misogyny to the trope of La Malinche from Chicano culture and shows how specific characteristics of this trope enslavement alleged betrayal and cultural negotiation are also present in African American and Puerto Rican cultures S nchez employs the trope to restore the agency denied to these groups Intercultural contact encounters between peoples of distinct ethnic groups is the theme of this book [The City in African-American Literature](#)

Yoshinobu Hakutani, Robert Butler, 1995 More recent African American literature has also been noteworthy for its largely affirmative vision of urban life Amiri Baraka's 1981 essay *Black Literature and the Afro American Nation* The Urban Voice argues that from the Harlem Renaissance onward African American literature has been urban shaped producing a uniquely black urban consciousness And Toni Morrison although stressing that the American city in general has often induced a sense of alienation in many African American writers nevertheless adds that modern African American literature is suffused with an affection for the village within the city

Tributes Irving Horowitz, 2017-10-19 In one of his final works Stephen Jay Gould spoke of the human race as a wildly improbable evolutionary event well within the realm of contingency Drawing on his personal knowledge of fifty figures

from the world of twentieth century social science Irving Louis Horowitz offers commentaries drawn from a variety of public occasions to explain one segment of this improbable event In the process he reveals how the past century was defined in substantial measure by the rise of social research Commenting on Tributes Daniel Mahoney observes some pieces are completely authoritative and detailed others more conversational and informal That diversity of approaches tied to the special character of these people increases the readability and interest in the book as a whole In addition to illuminating the life and thought of these major figures these essays and addresses reveal the impressive catholicity of Horowitz s concerns and his ability to remain open to the widest range of theoretical and practical approaches In a certain sense this book is also an intellectual autobiography in the form of an expression of Horowitz s debt to intellectual interlocutors and influences over the years As a consequence Tributes will be of the greatest interest to anyone who wishes to come to terms with the intellectual formation of the people who gave substance to new ways of experiencing as well as explaining society The book is thus a thoughtful guide to the intellectual life of our times From Arendt and Aron to Veblen and Wildavsky these essays take shape as a systematic mosaic of the past century Written by a central participant in social theory Tributes is both an informal guide and a formal text for readers coming upon social science innovators for the first time The book breaks the boundaries of conventional discourse and in so doing gives voice to the outstanding figures that helped make the twentieth century the century of social research

Black World/Negro Digest, 1966-01 Founded in 1943 Negro Digest later Black World was the publication that launched Johnson Publishing During the most turbulent years of the civil rights movement Negro Digest Black World served as a critical vehicle for political thought for supporters of the movement

Living with Class R. Scapp,B. Seitz,2013-12-18 A philosophical cultural exploration this book expands the discussion of class from a novel perspective Following the current debates about wealth and class the contributors address the social and cultural phenomena of class from a uniquely innovative philosophical approach and reconsider philosophical givens within the context of culture

Inequality in the Promised Land R. L'Heureux Lewis-McCoy,2014-06-25 Nestled in neighborhoods of varying degrees of affluence suburban public schools are typically better resourced than their inner city peers and known for their extracurricular offerings and college preparatory programs Despite the glowing opportunities that many families associate with suburban schooling accessing a district s resources is not always straightforward particularly for black and poorer families Moving beyond class and race based explanations Inequality in the Promised Land focuses on the everyday interactions between parents students teachers and school administrators in order to understand why resources seldom trickle down to a district s racial and economic minorities Rolling Acres Public Schools RAPS is one of the many well appointed suburban school districts across the United States that has become increasingly racially and economically diverse over the last forty years Expanding on Charles Tilly s model of relational analysis and drawing on 100 in depth interviews as well participant observation and archival research R L Heureux Lewis McCoy examines the pathways of resources in RAPS

He discovers that due to structural factors social and class positions and past experiences resources are not valued equally among families and even when deemed valuable financial factors and issues of opportunity hoarding often prevent certain RAPS families from accessing that resource In addition to its fresh and incisive insights into educational inequality this groundbreaking book also presents valuable policy orientated solutions for administrators teachers activists and politicians
