March Violets Philip Kerr, 2016-03-17 One of the greatest anti heroes ever written LEE CHILD Brutal ex convicts or the Nazi elite in Bernie Gunther s world it s hard to tell who are the real gangsters Ex Berlin cop and private detective Bernie Gunther has seen his share of bad guys But when the worst guys of all are the ones running the show it s much harder to stay out of their reach Hired by a wealthy industrialist to investigate the murder of his daughter and her husband in an apparent botched robbery Bernie soon finds himself drawn into the complex not to mention lethal internal politics and corruption of the Nazi party When Hermann Goering himself calls Bernie in with a task for him that throws his existing case into a whole new light he must weigh up his hatred of the Nazis against his desire to stay alive Perfect for fans of Raymond Chandler and John le Carr PRAISE FOR PHILIP KERR Kerr leads us through the facts of history and the vagaries of human nature TOM HANKS One of the greatest master story tellers in English ALAN FURST One of the most memorable and original characters SUNDAY TIMES Bitterly darkly funny SUNDAY HERALD

(Re)Writing War in Contemporary Literature and Culture Cristina Pividori, David Owen, 2024-07-09 Re Writing War in Contemporary Literature and Culture Beyond Post Memory is an exploration of war narratives through the lens of postmemory offering a critical re evaluation of how contemporary literature and cultural products reshape our understanding of past conflicts This volume presents a rich

tapestry of perspectives drawing from an array of conflicts and incorporating insights from international experts across various disciplines including contemporary literature film studies visual arts and cultural studies It critically builds upon and extends Marianne Hirsch's concept of postmemory engaging with complex themes like the ethical dimensions of war writing the authenticity of representations and the creative power of art in reimagining traumatic events This study not only challenges traditional boundaries in war literature and memory studies but also resonates with contemporary concerns about societal engagement with violent pasts making it a significant addition to scholarly discourse and essential reading for those interested in the intersection of history memory and literature

Contemporary European Crime Fiction Monica Dall'Asta, Jacques Migozzi, Federico Pagello, Andrew Pepper, 2023-04-20 This book represents the first extended consideration of contemporary crime fiction as a European phenomenon Understanding crime fiction in its broadest sense as a transmedia practice and offering unique insights into this practice in specific European countries and as a genuinely transcontinental endeavour this book argues that the distinctiveness of the form can be found in its related historical and political inquiries It asks how the genre's excavation of Europe's history of violence and protest in the twentieth century is informed by contemporary political questions It also considers how the genre's progressive reimagining of new identities forged at the crossroads of ethnicity gender and sexuality is offset by its bleaker assessment of the corrosive effects of entrenched social inequalities political corruption and state violence The result is a rich vibrant collection that shows how crime fiction can help us better understand the complex relationship between Europe's past present and future Seven chapters are available open access under a Creative Commons Attribution 4.0 International License via link.springer.com

The One From The Other Philip

Kerr,2008-02-07 One of the greatest anti heroes ever written LEE CHILD Bernie Gunther has learned the hard way that it isn't possible to distinguish the one from the other The cynical P I sees through the deceit and hypocrisy of both friend and foe a lifesaving skill in postwar Germany Munich 1949 is home to all the backstabbing intrigue that prospers in the aftermath of war A place where a private eye can find a lot of not quite reputable work cleaning up the Nazi past of well to do locals abetting fugitives in the flight abroad sorting out rival claims to stolen goods It's work that fills Bernie with disgust but it also fills his sorely depleted wallet Then a woman seeks him out Her husband has disappeared She's not looking to get him back he's a wanted man who ran one of the most vicious concentration camps in Poland She just wants confirmation that he's dead It's a simple enough job But in post war Germany nothing is simple PRAISE FOR THE BERNIE GUNTHER SERIES Kerr's novels are modern classics SIMON SEBAG MONTEFIORE Pure Chandler Powerful and impressive OBSERVER Kerr leads us through the facts of history and the vagaries of human nature TOM HANKS One of the greatest master story tellers in English ALAN FURST One of the most memorable and original characters THE SUNDAY TIMES Bitterly darkly funny SUNDAY HERALD The Afterlives of Weimar Berlin Jill Suzanne Smith,2024 Explores the recent proliferation of literary and filmic representations of Weimar Berlin in German culture probing the connections between historical and contemporary texts their contexts and their creators often German Jews and women More than a century after its founding there can be little doubt that Weimar is back The recent proliferation of references to and portrayals of the Weimar Republic Germany's first democracy born out of the aftermath of the First World War and characterized by economic and political crisis is not surprising given our crisis filled present That said the Weimar era has been a consistent focus of scholarly work in both the German speaking and the Anglo American academic worlds since the 1970s and yet depictions of this period in German literature and visual culture were few and far between until the beginning of the 21st century This book traces this renewed fascination with Weimar specifically its capital Berlin in contemporary German language culture providing both wide angle and close up views While discussions of the time period in mainstream media and historiography tend to focus on Weimar as a warning against the dangers of economic and political instability the novels and visual works produced by contemporary German writers and filmmakers in the last 15 years revive and reshape the cultural legacy of Weimar Berlin The Afterlives of Weimar Berlin explores the creative interplay between contemporary and historical texts their contexts and their creators tracing a cultural legacy that has the work of German Jews and women as its foundation **Si los muertos no resucitan** Philip Kerr,2020-04-03 Otra investigaci3n de Bernie Gunther escrita por el gran maestro del crimen y el misterio Un a3o despu3s de abandonar la Kripo Gunther trabaja en el lujoso Hotel Adlon en Berl3n All3 conoce a Noreen Charalambides una periodista norteamericana que llega a la ciudad para investigar el creciente fervor antijud3o y la sospechosa designaci3n de la ciudad como sede de los Juegos Ol3mpicos de 1936 La periodista y el detective se unen y no solo en temas profesionales para seguirle la pista a una trama que une las altas esferas del nazismo con el crimen organizado estadounidense Cuando ella es

Investigating Crime in a Time of War Thomas W. Kniesche, 2025-04-12 This book takes a close look at crime fiction set in the interwar period and during the reign of terror of the Nazi regime Kniesche analyzes historical crime fiction depicting Weimar and Nazi Germany with specific questions in mind what does the text try to accomplish in regard to transmitting historical knowledge What history is told How is historical knowledge represented and conveyed in crime fiction Does the historical background provide an indispensable setting for the crime story With consideration to the degree of self reflexivity in the texts Kniesche probes how open the text is to an active participation of the reader in evaluating the historical knowledge that the text itself attempts to provide
