Marly's Ghost David Levithan,2007-10-18 When Ben s girlfriend Marly dies he feels his life is over What could possibly matter now when Marly is gone So when Valentine s Day approaches it makes sense that this day that was once so meaningful to Ben leaves him feeling bitter and hollow But then Marly shows up or at least her ghost does along with three others spirits Now Ben must take a painful journey through Valentine s Days past present and future and what he discovers will change him forever      **Marly's Ghost** David Levithan,2006 The spirit of Ben s girlfriend Marly returns with three other ghosts to haunt him with a painful journey though Valentine s Days past present and future      **Iconic** Various,2010-01-24 This book is a story about stories both real and imagined based on literature and history and told or retold as comics P 4 of cover      **Junior High School Library Catalog** ,2006      **Book Review Index - 2009 Cumulation** Dana Ferguson,2009-08 Book Review Index provides quick access to reviews of books periodicals books on tape and electronic media representing a wide range of popular academic and professional interests The up to date coverage wide scope and inclusion of citations for both newly published and older materials make Book Review Index an exceptionally useful reference tool More than 600 publications are indexed including journals and national general interest publications and newspapers Book Review Index is available in a three issue subscription covering the current year or as an annual cumulation covering the past year      Charles Dickens and the Victorian Child Amberyl Malkovich,2013 This book explores the ideas of children and childhood and the construct of the ideal Victorian child that developed rapidly over the Victorian era along with literacy and reading material for the emerging mass reading public Children s Literature was one of the developing areas for publishers and readers alike yet this did not stop the reading public from bringing home works not expressly intended for children and reading to their family Within the idealized middle class family circle authors such as Charles Dickens were read and appreciated by members of all ages By examining some of Dickens s works that contain the imperfect child and placing them alongside works by Kingsley MacDonald Stretton Rossetti and Nesbit Malkovich considers the construction romanticization and socialization of the Victorian child within work read by and for children during the Victorian Era and early Edwardian period These authors use elements of religion death irony fairy worlds gender and class to illustrate the need for the ideal child and yet the impossibility of such a construct Malkovich contends that the imperfect child more readily reflects reality whereas the ideal child reflects an unattainable fantasy and while debates rage over how to define children s literature such children though somewhat changed can still be found in the most popular of literatures read by children contemporarily      **School Library Journal** ,2006      *Joyce in the Belly of the Big Truck; Workbook* Joyce A.
