Systematic Theology, Volume 1, Fourth Edition James Leo Garrett,2014-09-14 Rivals the major systematic theologies of this century Baptist History and Heritage Journal July 1996One of the characteristics of Garrett s system that needs especially to be noted is its balanced judicious and nearly invariably objective presentation of materials While holding true to the teachings of his own Baptist faith Garrett so carefully and judiciously presents alternatives that teachers and students

from other confessional and denominational positions will find his work instructive Consensus 1997 If one is searching for an extensive exposition of the biblical foundations and historical developments of the various loci of systematic theology there is no more complete presentation in a relatively short work than this Pastors will especially find this feature to be a real help in teaching theology It is an indispensable contribution to the task of systematic theology Journal of the Evangelical Theological Society September 1999 Many students and pastors will find all they need here and will in addition be helped to relate their knowledge to recent developments in the theological world The Churchman A Journal of Anglican Theology 1991 A gold mine of helpful material The Christian Century May 29 June 5 1991 No book that I know is more loaded with biblical and theological facts than this one The prodigious research that must have gone into the preparation of this volume is truly mind boggling Faith and Mission Fall 1991 Garrett has provided a massive and scholarly systematic theology from a thoroughly conservative and comprehensive viewpoint The work is well documented in both biblical and historical scholarship and will prove to be a classic William Hendrickson Southern Baptist Theological Seminary One of the most comprehensive concise books of its type available it should receive wide use in the classroom and in the study Robert H Culpepper Southern Baptist Theological Seminary *Secrets Mormons Don't Want You to Know* Richard Benson, Cindy Benson, 2011 Most Christians only see the public face of Mormonism thanks to their persuasive PR campaigns clean faced young people parents committed to family values and spectacular temples But what do Mormons really believe In this revealing book you ll learn their shocking doctrines like It s good to lie to protect the church There are millions of gods God was once a man and became a god We can become gods too Jesus and Lucifer were spirit brothers We all have an Eternal Mother God is a polygamist The Jesus of the Bible was a polygamist The Jesus of Christianity is NOT the Jesus of Mormonism Sins are forgiven through good works Salvation by faith in Jesus is utter nonsense Black people were cursed by God A group of gods helped Jesus form the earth Some sins require the shedding of your own blood You ll also read the moving testimony of former Mormon Cindy Benson She reveals from personal experience the ugly hidden side of Mormonism She was only eleven years old when her 53 year old father announced that a 15 year old girl must become his second wife Once you know what Mormons really believe you will be better equipped to witness to them Here is what Mormon leaders really taught their members and what the Bible has to say about it We believe this book will help you create burning questions instead of a burning in the bosom for Mormons you know And the Bible verses are right there to give you the answer **The Mormon Illusion** Floyd C. What's Wrong with Mormons? - a Good Tree Cannot Bring Forth Evil Fruit B. Jay Gladwell, 2008-06 What do you know about Mormons Where did you get your information Is the information you have accurate When a person claims Mormons aren t Christians what he s really saying is Mormons don t believe in the traditional idea of the Trinity Their Jesus is different from our Jesus is the usual response For the Mormons who strive to live their lives in accordance to the Biblical teachings of

Jesus Christ they find the allegation that they aren't Christian as incomprehensible as it is hurtful. Ironically members of The Church of Jesus Christ of Latter-day Saints around the world are admired for their values. Yet their admirers are repulsed by Mormon doctrines at the same time. How is that possible? Where do the Mormon values come from? What is the source of their doctrines? This book attempts to set the record straight as it pertains to some basic Gospel doctrines as taught by The Church of Jesus Christ of Latter-day Saints and how they are scripturally founded in the Holy Bible. This book asks the simple question: What's wrong with Mormons?

Basic Macrobiotics Herman Aihara, 1998. This book explains a macrobiotic diet and lifestyle from a nutritional perspective. The roles of protein, fat, carbohydrates, vitamins, and minerals are clearly presented in an easy-to-understand manner.

Saints: The Story of the Church of Jesus Christ in the Latter Days The Church of Jesus Christ of Latter-day Saints, 2024-10-29. The first three volumes of *Saints* tell the story of The Church of Jesus Christ of Latter-day Saints from Joseph Smith's First Vision to the dedication of the first temple outside North America. Now the fourth volume carries the story to the present day, recounting the Church's astounding growth and inspired development since 1955. As the book opens, the Church has nine temples and more than one million members. Thousands of missionaries are preaching the restored gospel of Jesus Christ throughout the world. And for the first time in history, sacred saving ordinances are available in multiple languages. But the work of the Lord is not yet done. While many nations kindred tongues and people thirst for restored truth, the world is troubled by war, civil unrest, sickness, hunger, and prejudice. The Latter-day Saints too have much to learn about each other as the Church spreads far and wide, welcoming people from many cultures and traditions. The Lord's command to be one has never been more vital or more challenging for His people to follow. Sounded in Every Ear is the final book in *Saints*, a new four-volume narrative history of The Church of Jesus Christ of Latter-day Saints. Fast-paced, meticulously researched, and written under the direction of the First Presidency, *Saints* recounts true stories of Latter-day Saints across the globe and answers the Lord's call to write a history for the good of the church and for the rising generations.

Doctrine and Covenants 69:8 *Ashamed of Joseph* Steven A. Crane, Charles A. Crane, 2011-03-22. Mormon Prophet and Tenth President Joseph Fielding Smith once said: "Mormonism as it is called must stand or fall on the story of Joseph Smith. He was either a prophet of God, divinely called, properly appointed and commissioned, or he was one of the biggest frauds this world has ever seen. There is no middle ground. If Joseph Smith was a deceiver who willfully attempted to mislead the people, then he should be exposed, his claims should be refuted, and his doctrines shown to be false. The doctrines of false teachers will not stand the test when tried by the accepted standards of measurement, the Scriptures." Doctrines of Salvation 1:188. Brigham Young, Prophet and Second President, offered this challenge: "Well, now examine the character of the Savior and examine the character of those who have written the Old and New Testament, and then compare them with the character of Joseph Smith, the founder of this work, and you will find that his character stands as fair as that of any man's mentioned in the Bible. We can find no person who presents a better character to the world than Joseph Smith." Journal of

Discourses Vol 14 p 203 Combining their research in Mormonism to author this work Charles A Crane and his son Steven A Crane would like to accept the challenge and show why many even among the LDS faith are Ashamed of Joseph

Conviction Without Compromise Norman Geisler, Ron Rhodes, 2008 From the earliest days of the church Christians have struggled with questions related to unity and the handling of doctrinal differences In this book you ll find clear guidance from Scripture about the doctrines on which it s essential for Christians to agree and the doctrines on which believers can graciously agree to disagree This landmark resource will equip you to take an uncompromising stand on the essentials of the faith while promoting love and unity among true believers Book jacket
