

Iron Scouts of the Confederacy

by Lee McClinton

Iron Scouts Of The Confederacy By Lee McGiffin

Daniela Niemeyer

Iron Scouts Of The Confederacy By Lee McGiffin:

Iron Scouts of the Confederacy Lee McGiffin, 2007-08 Civil War story about two teenagers who fought for southern independence

The Book Tree Elizabeth McCallum, Jane Scott, 2008 Literary habits naturally give way to literary affections Once upon a time a carpenter entered a forest and happened upon a wolf wearing a feathered cap Quick whose side are you on If you don't know we suggest reading a hearty round of fairytales Stories provide a roadmap for life This is because stories are life But oftentimes it's easiest to understand where we are when we can look through other eyes from the perspective of someone else living somewhere else somewhen else For those beginning to read for the first time or those beginning to read again The Book Tree will drop golden apples in your lap until you can climb high enough to pick for yourself

Southern Observer, 1959 Materials on the Civil War Recommended for Use in Schools Michigan Civil War Centennial Observance Commission, 1964 **Library Journal**, 1961 *School Library Journal*, 1961 *Rebel Rider* Lee McGiffin, 1959 Ben Fane runs away to join the Confederate army finds himself in the midst of activities and discovers there is little glory to scouting Grades 6-9

Children's Books in Print, 2007, 2006 Books In Print 2004-2005 Ed Bowker Staff, Staff Bowker, Ed, 2004 **Library of Congress Catalog** Library of Congress, 1955 A cumulative list of works represented by Library of Congress printed cards *Library of Congress Catalogs* Library of Congress, 1960 Children's Books in Print R R Bowker Publishing, Bowker, 1999-12 Subject Guide to Children's Books in Print, 1971

Wade Hampton's Iron Scouts: Confederate Special Forces D. Michael Thomas, 2018 Author D Michael Thomas presents the previously untold story of the Iron Scouts for the first time Serving from late 1862 to the war's end Wade Hampton's Scouts were a key component of the comprehensive intelligence network designed by Generals Robert E Lee J E B Stuart and Wade Hampton The Scouts were stationed behind enemy lines on a permanent basis and provided critical military intelligence to their generals They became proficient in unconventional warfare and emerged unscathed in so many close combat actions that their foes grudgingly dubbed them Hampton's Iron Scouts

Confederate Scout James Dudley Peavey, 2019-01-13 Here are gathered together some of the adventures and experiences of that already legendary Virginian Frank Stringfellow by himself and by others who knew him well Born June 18 1840 the days of his early twenties from 1861 to 1865 almost 100 years ago were not lacking in excitement In the Spring of 1861 young Frank Stringfellow returned home from Mississippi to offer his services to Virginia and the Confederacy At this time he was not of strong physical constitution and it was only after repeated attempts to enlist that he was accepted in the Powhatan Troop of the Virginia Cavalry on May 28 1861 at Culpeper Virginia It is remarkable that he was able to withstand the rigors of service as a scout and partisan but it seems his physical condition gradually improved under the stimulation of his active life On detached service as a scout almost from the beginning with Capt Lay of the Powhatan Troop at Manassas he was soon to gain the attention and confidence of Gen J E B Stuart the Cavalry Commander As his accomplishments and the value of his services increased he was also held in high

regard by Gen Wade Hampton and Gen Fitzhugh Lee of the Cavalry Before long his ability and services attracted the attention of Gen Robert E Lee For him and the cause of the Confederacy in spite of his youth Frank Stringfellow performed invaluable service as a scout He was proud to be called Lee s Scout **General Lee of the Confederate Army** Fitzhugh Lee,1895 **Scouts and Spies of the Civil War** William Gilmore Beymer,2003-01-01 The Civil War was the backdrop for the formation of numerous secret service organizations and the theater for a host of characters involved in espionage from both the North and the South The pool of spies and scouts comprised diverse individuals ranging from eager young volunteers signing up for extra dangerous duty for their respective armies to society ladies spying for both the Union and the Confederacy At the turn of the nineteenth century William Gilmore Beymer went in search of the stories of these first spies and recorded his findings in *Scouts and Spies of the Civil War* Beymer s endeavor was one of the first attempts to move the study of Civil War scouts and spies away from the realm of cloak and dagger romance stories to historical research grounded in factual details Included in this dynamic collection are personal narratives told to Beymer by a few surviving secret service operatives stories pieced together from diaries journals letters and archival research and the remembrances of family and friends that tell of the mothers daughters fathers and sons who risked their lives for their cause **Lee and His Army in Confederate History** Gary W. Gallagher,2002-11-25 Was Robert E Lee a gifted soldier whose only weaknesses lay in the depth of his loyalty to his troops affection for his lieutenants and dedication to the cause of the Confederacy Or was he an ineffective leader and poor tactician whose reputation was drastically inflated by early biographers and Lost Cause apologists These divergent characterizations represent the poles between which scholarly and popular opinion on Lee has swung over time Now in eight essays Gary Gallagher offers his own refined thinking on Lee exploring the relationship between Lee s operations and Confederate morale the quality of his generalship and the question of how best to handle his legacy in light of the many distortions that grew out of Lost Cause historiography Using a host of contemporary sources Gallagher demonstrates the remarkable faith that soldiers and citizens maintained in Lee s leadership even after his army s fortunes had begun to erode Gallagher also engages aspects of the Lee myth with an eye toward how admirers have insisted that their hero s faults as a general represented exaggerations of his personal virtues Finally Gallagher considers whether it is useful or desirable to separate legitimate Lost Cause arguments from the transparently false ones relating to slavery and secession **Lee and Jackson** Paul D. Casdorff,1992 The first dual biography of the Confederacy s greatest commanders Casdorff s exceptional biography brings the legend of Lee and Jackson to life It is filled with keen insights colorful anecdotes dramatic battle scenes and cogent analysis of tactics and strategy it also gives us the key to understanding the most remarkable collaboration in American military history *Lee & His Army in Confederate History* Gary W. Gallagher,2001

Embark on a transformative journey with Written by is captivating work, **Iron Scouts Of The Confederacy By Lee McGiffin** .
