*Ishmael* Emma Dorothy Eliza Nevitte Southworth, 1884      *Ishmael; Or, In the Depths* Emma Dorothy Eliza Nevitte Southworth, 2022-09-04 In *Ishmael Or In the Depths* Emma Dorothy Eliza Nevitte Southworth presents an intricate narrative that delves deep into the human condition exploring themes of isolation redemption and the quest for identity Written in the mid 19th century this novel exemplifies the sentimental literary style typical of the era combining vivid characterizations with moral undertones Southworth's work captures the zeitgeist of post Civil War America where societal pressures and personal struggles are vividly illustrated through the experiences of its protagonist Ishmael navigating his tumultuous journey in a world rife with despair and hope Emma Dorothy Eliza Nevitte Southworth 1819 1899 was a prolific American author often regarded as one of the first best selling female novelists in the United States Her literary career was deeply influenced by her own challenges including the loss of her husband and her commitment to social reform particularly regarding women's rights Southworth used her writing as a means to address societal issues which is profoundly reflected in *Ishmael* where her characters grapple with dilemmas that mirror the struggles of many women in her time This compelling narrative is recommended for readers interested in Victorian literature and those seeking an emotional excursion into the depths of human experience Southworth's insightful portrayal of resilience and the human spirit makes this novel not only a historical artifact but a timeless exploration of life's trials A must read for anyone wishing to understand the complexities of emotional survival and personal redemption      *Ishmael* Emma Dorothy Eliza Nevitte Southworth, 2017-08-22 Emma Dorothy Eliza Nevitte Southworth December 26 1819 June 30 1899 was an American writer of more than 60 novels in the latter part of the 19th century She was the most popular American novelist of her day Raised in Washington D C Southworth studied in a school kept by her stepfather Joshua L Henshaw and in 1840 married inventor Frederick H Southworth of Utica New York E D E N Southworth moved with her husband out to Wisconsin to become a teacher After 1843 she returned to Washington D C without her husband and with two young children      E.D.E.N. Southworth Melissa Homestead, Pamela Washington, 2013-01-20 The prolific nineteenth century writer E D E N Southworth enjoyed enormous public success in her day she published nearly fifty novels during her career but that very popularity combined with her gender led to her almost complete neglect by the critical establishment before the emergence of academic feminism Even now most scholarship on Southworth focuses on her most famous novel *The Hidden Hand* However this new book the first since the 1930s devoted entirely to Southworth shows the depth of her career beyond that publication and reassesses her place in American literature Editors Melissa Homestead and Pamela Washington have gathered twelve original essays from both established and emerging scholars that set a new agenda for the study of E D E N Southworth's works Following an introduction by the editors these articles are divided into four thematic clusters The first Serial Southworth treats her fiction in periodical publication contexts Southworth's Genres the second grouping considers her use of a range of genres beyond the sentimental

novel and the domestic novel In the third part Intertextual Southworth the essays present intensive case studies of Southworth's engagement with literary traditions such as Greek and Restoration drama and with her contemporaries such as Harriet Beecher Stowe and French novelist George Sand Southworth's focus on social issues and reform figures prominently throughout the volume but the pieces in the fourth section Southworth Marriage and the Law present a sustained inquiry into the ways in which marriage law and the status of women in the nineteenth century engaged her literary imagination The collection concludes with the first chronological bibliography of Southworth's fiction organized by serialization date rather than book publication For the first time scholars will be able to trace the publication history of each novel and will be able to access citations for lesser known and previously unknown works With its fresh approach this volume will be of great value to students and scholars of American literature women's studies and popular culture studies

MELISSA J HOMESTEAD is the Susan J Rosowski Associate Professor of English at the University of Nebraska Lincoln Her book *American Women Authors and Literary Property 1822-1869* includes Southworth and her articles on American women's writing have been published in a variety of academic journals

PAMELA T WASHINGTON is Professor of English and former dean of the College of Liberal Arts at the University of Central Oklahoma She is the co author of *Fresh Takes Explorations in Reading and Writing A Freshman Composition Text*

*Ishmael* Emma Dorothy Eliza Nevitte Southworth, 2015-03-23 That sister might well have answered in the affirmative had she considered personal beauty a merit of high order for few palaces in this world could boast a princess so superbly beautiful as this peasant girl that this poor hut contained Beneath those rich sable tresses was a high broad forehead as white as snow slender black eyebrows so well defined and so perfectly arched that they gave a singularly open and elevated character to the whole countenance large dark gray eyes full of light softened by long sweeping black lashes a small straight nose oval blooming cheeks plump ruddy lips that slightly parted revealed glimpses of the little pearly teeth within a well turned chin a face with this

*Ishmael; Or, in the Depths* E. D. E. N. Southworth, 2019-04-12 Emma Dorothy Eliza Nevitte Southworth December 26 1819 June 30 1899 was an American writer of more than 60 novels in the latter part of the 19th century She was the most popular American novelist of her day In her novels of which the most popular was *The Hidden Hand* 1859 her heroines often challenge modern perceptions of Victorian feminine domesticity by showing virtue as naturally allied to wit adventure and rebellion to remedy any unfortunate situation Though *The Hidden Hand* was her most popular novel Southworth stated that her later novel *Ishmael* 1876 was her favorite Life and career Raised in Washington D C Southworth studied in a school kept by her stepfather Joshua L Henshaw She later recalled her childhood as a lonely one with her happiest moments spent exploring Maryland's Tidewater region on horseback During those rides she acquired an abiding interest in the area's history and folklore After attending her stepfather's school Southworth completed her secondary education in 1835 at the age of 15 She then accepted a position as a schoolteacher In 1840 she married inventor Frederick H Southworth of Utica New York E D E N Southworth moved with her husband out to Wisconsin to become a teacher After 1843 she returned to Washington D C without her husband and with two young children After the birth of their second child Frederick abandoned his family in search of Brazilian gold Southworth never divorced her husband on conscientious grounds She began to write stories to support herself and her children when her husband deserted her in 1844 Her first story *The Irish Refugee* was published in the *Baltimore Saturday Visitor* Some of her earliest works appeared in *The National Era* the newspaper that printed *Uncle Tom's Cabin* The bulk of her work appeared as a serial in Robert Bonner's *New York Ledger* and in 1857 Southworth signed a contract to write exclusively for this publication The exclusive contract Southworth signed with Bonner in 1856 and royalties from her published novels earned her about 10 000 a year making her one of the country's best paid writers Southworth and her children were in ill health through much of the 1850's but Bonner's contract guaranteed her income regardless of any periods of inactivity brought on by poor health This arrangement remained in tact

for 30 years Like her friend Harriet Beecher Stowe she was a supporter of social change and women s rights but she was not nearly as active on these issues Her first novel Retribution a serial for the National Era published in book form in 1846 was so well received that she gave up teaching and became a regular contributor to various periodicals especially the New York Ledger She lived in Georgetown D C until 1876 then in Yonkers New York and again in Georgetown D C where she died Her best known work was The Hidden Hand It first appeared in serial form in the New York Ledger in 1859 and was serialized twice more 1868 69 1883 before first appearing in book form in 1888 Robert Bonner publisher and editor of the New York Ledger evidently used the appeal of the novel to give an occasional boost to his weekly s already massive circulation It features Capitola Black a tomboyish antagonist that finds herself in a myriad of adventures Southworth stated that nearly every adventure of her heroine came from real life Most of Southworth s novels deal with the Southern United States during the post American Civil War era She wrote over sixty some of them were translated into German French Chinese Icelandic and Spanish in 1872 an edition of thirty five volumes was published in Philadelphia Robert Bonner the proprietor of the New York Ledger was asked by a reporter in 1889 Who were your most successful story writers His reply was Mrs Southworth and Sylvanus Cobb Jr

Southworth's Hidden Hand** Rose Neal, 2025-05-06 Uncover the legacy of E D E N Southworth the trailblazing novelist whose daring heroines and progressive ideals captivated a generation only to be forgotten by history until now E D E N Southworth Emma Dorothy Eliza Nevitte was one of the nineteenth century s most prolific and successful authors with more novels to her credit than Nathaniel Hawthorne Herman Melville and Mark Twain combined Readers loved her feisty heroines who rode horses shot pistols captured notorious villains became sea captains and had other such grand adventures In 1859 countless readers named their daughters Capitola after their favorite character in Southworth s best selling The Hidden Hand In her fifty plus novels Southworth wrote about unspeakable topics for the time including alcoholism domestic violence poverty and capital punishment all nicely tucked away within the pages of her domestic fiction Despite being raised in a slave owning family she wrote for The National Era a known abolitionist magazine supported emancipation and encouraged her longtime friend Harriet Beecher Stowe to publish Uncle Tom s Cabin Southworth also advocated for better education for girls and better living conditions for the poor and joined the early women s rights movement Although Southworth achieved international fame in her lifetime knowledge of her work virtually disappeared as readers were drawn to the new Modernist literature Because Southworth never discussed her progressive views publicly a necessity as a single mother who made a living by her pen she has long been incorrectly categorized as being against causes she in fact supported Now by combining details from Southworth s novels newspapers and personal letters Rose Neal has set the record straight piecing together the fascinating life of a woman who was as determined as the heroines she created **A tragedy of love and hate; or, a**

**woman's vow** Bertha M. Clay, 2025-03-02 In *A Tragedy of Love and Hate or A Woman's Vow* Bertha M. Clay intricately weaves a poignant narrative that explores the entangled complexities of love, betrayal, and moral resolve through the lens of Victorian sensibilities. The novel unfolds around a passionate yet tumultuous romance, employing richly descriptive prose and dramatic dialogue that reflect the emotional intensity characteristic of its time. Clay engages with themes of societal expectation and personal agency, unraveling the story of a woman who grapples with her vows amidst conflicting loyalties and desires, ultimately reflecting the era's anxieties around femininity and agency. Bertha M. Clay, an influential yet often overlooked author of her time, drew inspiration from her own experiences and the prevailing social dynamics of the late 19th century. Often highlighting the plight of women in restrictive societal frameworks, Clay's background in journalism and her keen observations of human relationships considerably informed her fiction. Her ability to blend empathy with critique allowed her to create compelling female protagonists caught in the throes of emotional as well as moral dilemmas. This novel is a must-read for those interested in exploring the depth of human emotions and the societal constraints faced by women in the past. Clay's deft storytelling and her eloquent depiction of the struggle between love and obligation will resonate with readers who appreciate historical fiction that delves into the intricate terrains of the human heart. *Mrs. E. D. E. N. Southworth, Novelist ...* Regis Louise Boyle, 1939 *Blix* Frank Norris, 1899 *The Curse of Beauty; Or, The Cloakmaker's Model* Geraldine Fleming, 1897 **Mrs. E.D.E.N. Southworth and Southern Mythic Society** Arthur Martin Silverblatt, 1980 *The American Bookseller*, 1877 **The Annual American Catalog, 1900-1909**, 1902 *The Columbia Literary History of the United States* Emory Elliott, 1988-02-15 For the first time in four decades, there exists an authoritative and up-to-date survey of the literature of the United States, from prehistoric cave narratives to the radical movements of the sixties and the experimentation of the eighties. This comprehensive volume, one of the century's most important books in American studies, extensively treats Hawthorne, Melville, Dickinson, Hemingway, and other long-cherished writers, while also giving considerable attention to recently discovered writers such as Kate Chopin and to literary movements and forms of writing not studied amply in the past. Informed by the most current critical and theoretical ideas, it sets forth a generation's interpretation of the rise of American civilization and culture. *The Columbia Literary History of the United States* contains essays by today's foremost scholars and critics, overseen by a board of distinguished editors headed by Emory Elliott of Princeton University. These contributors reexamine, in contemporary terms, traditional subjects such as the importance of Puritanism, Romanticism, and frontier humor in American life and writing, but they also fully explore themes and materials that have only begun to receive deserved attention in the last two decades. Among these are the role of women as writers, readers, and literary subjects, and the impact of writers from minority groups, both inside and outside the literary establishment.
