**Gidgets, and the Girl Next Door** Herbie J Pilato, 2014-09-09 Glamour Gidgets and the Girl Next Door is the latest creation from entertainment biographer and pop culture consultant Herbie J Pilato Based on exclusive celebrity interviews this book runs the gamut of female television legends from Donna Douglas who played Elly May Clampett on The Beverly Hillbillies to the stars of the original Charlie's Angels According to Pilato There are so many charismatic women who have made their beauty mark in television I wanted to celebrate their contributions not only with regard to aesthetic appeal but to honor the intelligence individual wit and unique talent and style that each of them have contributed to television and how that great medium in particular was utilized to introduce and showcase so many amazing and wonderful women to the world Suffice it to say for exclusive and key information on TV's top leading ladies who shattered expectations and paved the way for successive generations this book is the number one resource and go to guide *The Evil Twins of American Television* Kristi Rowan Humphreys, 2019-08-22 The Evil Twins of American Television examines evil twin depictions in over fifty years of television comparing male twins to female twins and male writer depictions to female writer depictions Kristi Rowan Humphreys evaluates The Patty Duke Show Bewitched Gilligan's Island I Dream of Jeannie and The Brady Bunch among other television programs that use the twinning trope to explore themes of feminism and identity Employing traits identified by Betty Friedan in The Feminine Mystique as belonging to the evil side of her schizophrenic split theory Humphreys analyzes the ways in which these alter ego characters embody the desire for a separate self and independence through loose inhibitions career interests political interests intellectual prowess and assertiveness This book then compares female written twin episodes to male written twin episodes finding that when evil twin episodes are written by women writers the twins are presented less as oppositional binaries and more as compatible often symbiotic binaries Thus the women writers of these shows offer a compelling response to Friedan's text one that acknowledges and underscores the many complexities of women

the image of which cannot in reality be so easily split into two oppositional binaries Humphreys then connects 1960s depictions to more current evil twin examples including those in *Friends* *Knight Rider* and *Sabrina the Teenage Witch*
