Just A Couple Of Days By Tony Vigorito:

Just a Couple of Days Tony Vigorito, 2015-03-17 Winner of the Independent Publisher Book Award for Best Visionary Fiction A lyrical thoughtful viral meme of a book Christopher Moore author of *Noir* It all starts when a mischievous artist kicks off a game of graffiti tag by painting the phrase Uh oh on an overpass Next an anonymous interlocutor writes back When Then someone slyly answers Just a couple of days But exactly what will happen in just a couple of days Readers don't have long to wait before Professor Blip Korterly is arrested and his molecular biologist friend Dr Flake Fountain is drafted into a shadow government research project to develop the ultimate weapon a biological agent that will render its targets unable to understand symbols thus disrupting humanity's ability to communicate Soon an accidental outbreak turns into a merry hearted babble inducing apocalypse that will either destroy humankind or take it to the next step in evolution Praised by Tom Robbins who said it may be the most unusual the most original novel I have ever read Tony Vigorito's debut novel is an underground hit that ponders what might happen at the end of time Vigorito's irreverent whimsical style has attracted a cult following The final apocalyptic vision is a twist not seen since Kurt Vonnegut's *Cat's Cradle* Recommended Library Journal
