**Prizing Scottish Literature** Stevie Marsden,2021-02-15 This cultural history of the Saltire Society Literary Awards demonstrates the significance the awards have had within Scottish literary and cultural life It is one piece of the wider cultural award puzzle and illustrates how far from being parochial or niche lesser known awards whose histories may be yet untold play their own role in the circulation of cultural value through the consecration of literary value The study of the Society s Book of the Year and First Book of the Year Awards not only highlights how important connections between literary awards and national culture and identity are within prize culture and how literary awards and their founding institutions can be products of the socio political and cultural milieu in which they form but this study also illustrates how existing literary award scholarship has only begun to scratch the surface of the complexities of the phenomenon This book promotes a new approach to considering literary prizes proposing that the concept of the literary awards hierarchy can contribute to emerging and developing discourses

**Historical Mysteries** Emerson Kathy Lynn, 2019-06-11 The core of the book is Emerson's personal take on writing and selling historical mysteries but it also includes contributions from over forty other historical mystery writers practical advice anecdotes and suggestions for research and input from assorted editors booksellers and reviewers For both historical mystery writers and readers This book embodies its subtitle The Art Adventure of Sleuthing Through the Past Veteran author Emerson published her first mystery twenty three years ago and this is her thirty sixth published book It draws on her experience in researching writing selling and sustaining both her Lady Appleton series Elizabethan England and her Diana Spaulding series 1880s U S This unique reference book also includes the contributions of more than forty other historical mystery writers Their books backgrounds and settings are as diverse as Ancient Egypt and Rome antebellum New Orleans early Constantinople Jazz Age England and Australia Depression era California turn of the century New York Victorian England and eighteenth century Venice **National Union Catalog**, 1982 Includes entries for maps and atlases **The Kings of Alba** Alasdair Ross, 2011-07-18 The events of 1000-1130 were crucial to the successful emergence of the medieval kingdom of the Scots Yet this is one of the least researched periods of Scottish history We probably now know more about the Picts than the post 1000 events that underpinned the spectacular expansion of the small kingdom which came to dominate north Britain by the 1130s This expansion included the defeat and absorption of other significant cultural and political groups to the north and south of the core kingdom and was accompanied by the introduction of reformed monasticism But perhaps the most momentous process amongst all these political and cultural changes was the move towards the domination of the kingship by just one segment of the royal kindred the sons of King Mael Coluim mac Donnchada's second marriage to Queen Margaret The story of how these sons managed to achieve political supremacy through machination murder and mutilation runs like an unsavoury thread throughout this book The book also investigates the building blocks from which the kingdom was constructed and the various processes which eventually allowed the kings of the different peoples of north Britain to
