revolution the triumph of the thriller and lists among its stars Thomas Harris Michael Connelly George Pelecanos Dennis Lehane Sue Grafton and Elmore Leonard In his provocative caustic and often hilarious survey of today s popular fiction Anderson shows us who the best thriller writers are and the worst He shows how Michael Connelly was inspired by Raymond Chandler how George Pelecanos toiled in obscurity while he mastered his craft how Sue Grafton created the first great woman private eye and how Thomas Harris transformed an insane cannibal into the charming man of the world who made FBI agent Clarice Starling his lover Anderson shows Scott Turow inventing the modern legal thriller and John Grisham translating it into a stunning series of bestsellers He casts a cold eye on Tom Clancy s militaristic techno thrillers and praises Alan Furst and Robert Littell as world class spy novelists He examines the pioneering role of Lawrence Sanders the offbeat appeal of Dean Koontz the unprecedented success of The Da Vinci Code and the emergence of the literary thriller Most of all Anderson demands that the best of these novelists be given their due not as genre writers but as some of the most talented men and women at work in American fiction Don t trust the literary elites to tell you what to read he warns make up you own minds The Triumph of the Thriller will convince many readers that we ve entered an important new era in popular fiction This book can be your guide to it *Drama City* George Pelecanos,2005-03-01 Lorenzo Brown loves his work In his job as an officer for the Humane Society he cruises the city streets looking for dogs that are being mistreated underfed unclean trained to kill He takes pride in making their lives better And that pride helps Lorenzo resist the pull of easier money doing the kind of work that got him a recent prison bid Rachel Lopez loves her work too By day she is a parole officer helping people Lorenzo Brown among them along a path to responsibility and advancement At night she heads for the city s hotel bars where she can always find a man who will let her act out her damage She loses herself in sex and drink and more But Rachel s nights are taking a toll on her days Lorenzo knows the signs The trouble is he truly needs her right now There s an eruption coming in the streets he left behind the kind of territorial war that takes down everyone even near it Lorenzo needs every shred of support he can get to keep from being sucked back into that battleground He reaches out to Rachel but she may be too far gone to help either of them Writing with the grace and force that have earned him praise as the poet laureate of the crime world George Pelecanos has created a novel about two scarred and fallible people who must navigate one of life s most brutal passages It is an unforgettable moving even shocking story that will leave no reader unchanged Race, Ethnicity and Publishing in America C. Cottenet,2014-06-26 Race Ethnicity and Publishing in America considers American minority literatures from the perspective of print culture Putting in dialogue European and American scholars and spanning the slavery era through the early 21st century they draw on approaches from library history literary history and textual studies Snitch World Jim Nisbet,2013-07-01 The Miata jumped the curb and sheared off a light pole The impact deployed the airbags but Chainbang was ready He knifed Klinger s before it was fully inflated and his own before it could crush the glass pipe in his breast pocket The six inch blade went through the nylon like a pit bull through a kindergarten Snitch World takes

place in a San Francisco of menacing technology where the old cons come up short and the crimes of the gritty night have morphed into slick capers pulled off by the glow of a smartphone Klinger hangs out at the Hawse Hole a sordid dive even by Tenderloin standards All he really wants is enough cash to buy a cup of coffee some cigarettes a bug free hotel room The simple act of picking a carefully targeted mark's pocket initiates a series of events that get stranger and more dangerous by the moment Jim Nisbet with his characteristic humor and brilliant prose creates a world where trust and even cash are the avatars of a loser's game This is Snitch World where a nine dollar app can be as deadly as a dirty needle Also included is a recent interview with Jim Nisbet in conversation with Patrick Marks owner and publisher of San Francisco's The Green Arcade talking about writing books and technology
