

KING OF ROME

A detailed illustration of a swallow in flight, positioned centrally behind the title. The bird is shown from a side profile, with its wings fully extended. It has a dark, almost black, head and throat, contrasting with its greyish-brown body. The wings are intricately detailed with various shades of brown and grey, showing the texture of the feathers. The tail is long and deeply forked, a characteristic feature of swallows. The bird is set against a solid, muted green background.
