Last Stories And Other Stories By William T Vollmann:

Last Stories and Other Stories William T. Vollmann, 2014-07-10 Supernaturally tinged stories from William T Vollmann author of the National Book Award winner *Europe Central* In this magnificent new work of fiction his first in nine years celebrated author William T Vollmann offers a collection of ghost stories linked by themes of love death and the erotic A Bohemian farmer's dead wife returns to him and their love endures but at a gruesome price A geisha prolongs her life by turning into a cherry tree A journalist haunted by the half forgotten killing of a Bosnian couple watches their story and his own wartime tragedy slip away from him A dying American romances the ghost of his high school sweetheart while a homeless salaryman in Tokyo animates paper cutouts of ancient heroes Are ghosts memories fantasies or monsters Is there life in death Vollmann has always operated in the shadowy borderland between categories and these eerie tales however far flung their settings all focus on the attempts of the living to avoid control or even seduce death Vollmann's stories will transport readers to a fantastical world where love and lust make anything possible **William T. Vollmann** Michael Hemmingson, 2014-01-10 Talking bugs electricity the founding of empires hobos Nazis whores violence drugs murder secret cabals Heaven Hell William T Vollmann is a writer of enormous novels that are stuffed with entire worlds of creation and destruction This first ever book length critical study traces his career to date with chapters devoted to each of his novels as well as his short stories and major nonfiction Vollmann is a writer of obsessions and this study concentrates on three of them freedom redemption and prostitution while arguing that the author that dwells on them is worthy of being called one of our greatest living American writers Also included are seven interviews spanning the years 1991 2007 that reinforce the persistence of Vollmann's attraction to these themes **William T. Vollmann** Christopher K. Coffman, Daniel Lukes, 2014-12-18 This fascinating massive wide ranging collection that editors Christopher K Coffman and Daniel Lukes have gathered together into *William T Vollmann A Critical Companion* will soon be recognized as one of those rare critical books for which that egregiously overused term groundbreaking is fully justified Larry McCaffery from the preface of *William T Vollmann A Critical Companion* The essays in this collection make a case for regarding William T Vollmann as the most ambitious productive and important living author in the US His oeuvre includes not only outstanding work in numerous literary genres but also global reportage ethical treatises paintings photographs and many other productions His reputation as a daring traveler and his fascination with life on the margins have earned him an extra literary renown unequalled in our time Perhaps most importantly his work is exceptional in relation to the literary moment Vollmann is a member of a group of authors who are responding to the skeptical ironies of postmodernism with a reinvigoration of fiction's affective possibilities and moral sensibilities but he stands out even among this cohort for his prioritization of moral engagement historical awareness and geopolitical scope Included in this book in addition to twelve scholarly critical essays are reflections on Vollmann by many of his peers confidantes and collaborators including Jonathan Franzen James Franco and Michael

Glawogger With a preface by Larry McCaffery and an afterword by Michael Hemmingson this book offers readings of most of Vollmann s works includes the first critical engagements with several key titles and introduces a range of voices from international Vollmann scholarship **William T. Vollmann: Selected Interviews** Scott Rhodes,2015-08-18 This first ever collection of selected interviews with one of America s most prolific and eclectic authors William T Vollmann Editor Scott Rhodes collects eighteen interviews that covers the span of this important writer s expansive career **Conversations with William T. Vollmann** Daniel Lukes,2020-01-27 Across fiction journalism ethnography and history William T Vollmann s oeuvre which includes a prostitution trilogy a septology Seven Dreams about encounters between first North Americans and European colonists and a more than three thousand page philosophical treatise on violence is as ambitious as it is dazzling Conversations with William T Vollmann collects twenty nine interviews from early press coverage in Britain where his career first took flight to in depth visits to his writing and art studio in Sacramento California Throughout these conversations Vollmann b 1959 speaks with candor and wit on such subjects as grief and guilt in his work his love of guns and his experience of war the responsibilities of the artist as witness the benefits of looking out into the world beyond the confines of one s horizon the limitations of what literature can achieve and how we can speak to the future Bringing to the fore several expanded unpublished and hard to find interviews this volume offers a valuable set of perspectives on a uniquely rewarding and sometimes overwhelming writer On the road promoting his books or in a domestic setting Vollmann comes across as reflective and humane humble in his craft despite deep dedication to his uncompromising vision and ever armed with a spirit of mischief and capacity to shock and unsettle the reader **American Literature as World Literature** Jeffrey R. Di Leo,2017-12-28 For better or worse America lives in the age of worlded literature Not the world literature of nations and nationalities considered from most powerful and wealthy to the least And not the world literature found with a map Rather the worlded literature of individuals crossing borders mixing stories and speaking in dialect Where translation struggles to be effective and background is itself another story The worlded literature of the multinational corporate publishing industry where the global market is all The essays in this collection from some of the most distinguished figures in American studies and literature explore what it means to consider American literature as world literature **2015 Novel & Short Story Writer's Market** Rachel Randall,2014-08-11 The Best Resource for Getting Your Fiction Published The 2015 Novel Short Story Writer s Market is the only resource you ll need to get your short stories novellas and novels published As with past editions Novel Short Story Writer s Market offers hundreds of listings for book publishers literary agents fiction publications contests and more Each listing includes contact information submission guidelines and other important tips New to this year s edition Gain access to the exclusive webinar Blockbuster Fiction Exploring Emotional High Points in Popular Films from best selling author Cheryl St John This 45 minute webinar explores the ten most popular films of 2013 including Frozen The Hunger Games Catching Fire The Hobbit The Desolation of Smaug and more to show you how to create intense emotional
