heart of our mutual decision making and return the arts to a central position in our education shifting to steam rather than stem What might be possible if we integrate the creative imagination into our responses to the great social challenges we face What impact would it have on the future shape of our democracy It s time to find where the Compassionate Imagination can take us **Erratic North** Mark Frutkin,2008-08-15 Novelist Mark Frutkin who immigrated to Canada to protest and resist the U S military draft during the Vietnam War looks back at the culture that compelled his move Late Nights on Air Elizabeth Hay,2008-11 These are the classic tales that created the Pulp genre and gave birth to hard hitting detectives who smoke criminals like packs of cigarettes sultry dames whose looks are as lethal as a dagger to the chest and gin soaked hideouts where conversations are just preludes to murder This is crime fiction at its gritty best **The Spectator** ,2008
