Leftovers Laura Wiess, 2008-01-01 Two teenagers Blair and Ardith lose their innocence in more ways than one as they are transformed from happy ninth graders to high school sophomores determined to secure justice for their families and friends whatever the cost **Me Since You** Laura Wiess, 2014-02-18 Laura Wiess's masterful prose kept me turning the pages This is the first book in a very long time that made me say Wish I'd written this Ellen Hopkins author of *Crank on* *Such a Pretty Girl* Laura Wiess captures the visceral emotion of a girl's journey from innocence to devastating loss and ultimately to a strange and unexpected kind of understanding in this beautiful and painfully honest new novel Are there any answers when someone you love makes a tragic choice Before and After That's how Rowan Areno sees her life now Before she was a normal sixteen year old a little too sheltered by her police officer father and her mother After everything she once believed has been destroyed in the wake of a shattering tragedy and every day is there to be survived If she had known on that Friday in March when she cut school that a random stranger's shocking crime would have traumatic consequences she never would

have left campus If the crime video never went viral maybe she could have saved her mother grandmother and herself from the endless replay of heartache and grief Finding a soul mate in Eli a witness to the crime who is haunted by losses of his own Rowan begins to see there is no simple straightforward path to healing wounded hearts Can she learn to trust hope and believe in happiness again      *Ordinary Beauty* Laura Wiess,2011-06-14 Lauded by critics and authors for her heartbreakingly real heroines Laura Wiess brings readers another devastating tale of betrayal and redemption rich with the raw emotion that made *Such a Pretty Girl* a classic How can you make someone love you when they won t And what if that person happens to be your mother Sayre Bellavia grew up knowing she was a mistake unplanned and unwanted At five months shy of eighteen she s become an expert in loneliness heartache and neglect Her whole life she s been cursed used and left behind Swallowed a thousand tears and ignored a thousand deliberate cruelties Sayre s stuck by her mother through hell tried to help her be near her be important to her even as her mother slipped away into a violent haze of addiction destroying the only chance Sayre ever had for a real family Now her mother is lying in a hospital bed near death ravaged by her own destructive behavior And as Sayre fights her way to her mother s bedside she is terrified but determined to get the answer to a question no one should ever have to ask Did my mother ever really love me And what will Sayre do if the answer is yes      *The Publishers Weekly* ,2008      *Such a Pretty Girl* Laura Wiess,2007-01-02 Haunted by flashbacks fifteen year old Meredith learns that three years in prison has not changed the abusive father who molested her      **The leftovers** ,2018 In an instant 140 million people vanished from the face of the earth The cause of that incredible event remains unknown and there is no indication that those who are gone will ever be seen or heard from again THE LEFTOVERS follows the lives that were forever changed by the event that shook the world on October 14 In the third season the Garvey and Murphy families come together as they desperately grasp for a system of belief to better explain what defies explanation The world is crackling with the energy of something big about to happen a corresponding bookend to the Sudden Departure that sent them all spinning years earlier bringing their journey Down Under      **The British National Bibliography** Arthur James Wells,2009      **Me Since You** Laura Wiess,2014-02-18 Featuring a Gallery readers group guide P 4 of cover      **Leftovers** ,2013      *Leftovers* Elaine Kowalsky,1991
