In this book, discover how King drew on these and more real personal experiences and mundane life events, then employed his extraordinary imagination to twist them into something horrific. From impoverished university student to struggling schoolteacher to one of the best-selling and most recognizable authors of all time, this engrossing book reveals the evolution and influences of Stephen King's body of work over his nearly 50-year career and how the themes of his writing reflect the changing times and events within his life. Now it's Lisey's turn to face Scott's demons. Lisey's turn to go to Boo Ya Moon. What begins as a widow's effort to sort through the papers of her celebrated husband becomes a nearly fatal journey into the darkness he inhabited.
