Horror Culture in the New Millennium Daniel W. Powell, 2018-11-23 Horror Culture in the New Millennium Digital Dissonance and Technohorror explores the myriad ways in which technology is altering the human experience as articulated in horrific storytelling The text surveys a variety of emerging trends and story forms in the field through both a series of critical essays and personal interviews with scholars editors authors and artists now creating and refining horror stories in the new millennium The project posits a rationale for the presence of technohorror as a defining concern in contemporary horror literature marking a departure from the monstrous and spectral traditions of the twentieth century in its depictions of frightful narratives marked by the qualities of plausibility mundanity and surprise as we tell stories about what it means to be human As our culture explores the dichotomies of the born made natural artificial and human computer all while subsumed within a paradigm shift predicated on the transition from the traditions of print to emerging digital communications practices these changes form the basis for horrific speculations in our texts and technologies Ultimately Digital Dissonance Horror Culture in the New Millennium explores that paradoxical human attraction for peering into the darkness as translated through our lived experiences in an era of rapidly evolving technologies

**Poetics of Disturbances**, 2024-10-28 This volume calls for a Narratology of Diversity by investigating narratives of non normative bodies and minds It explores mental health representations in literature including neurodiversity the body mind nexus and embodied non normativities therein emphasizing the importance of understanding diverse psychological conditions as represented in narratives The contributions include perspectives from a wide variety of scholars of European North American and comparative literature and culture While post classical narratology has evolved through phases of diversification and consolidation this volume represents innovation in understanding narrative development to embrace new areas of social awareness including gendered narratologies specifically feminist and queer narratologies and post colonial criticism paving the way for a more inclusive narratology When We Were Magic Sarah Gailey, 2020-03-03 A moving darkly funny novel about six teens whose magic goes wildly awry from Magic for Liars author Sarah Gailey who Chuck Wendig calls an author to watch Keeping your magic a secret is hard Being in love with your best friend is harder Alexis has always been able to rely on two things her best friends and the magic powers they all share Their secret is what brought them together and their love for each other is unshakeable even when that love is complicated Complicated by problems like jealousy or insecurity or lust Or love That unshakeable complicated love is one of the only things that doesn t change on prom night When accidental magic goes sideways and a boy winds up dead Alexis and her friends come together to try to right a terrible wrong Their first attempt fails and their second attempt fails even harder Left with the remains of their failed spells and more consequences than anyone could have predicted each of them must find a way to live with their part of the story
