different angle to strengthening the character she chose to endow her with a little more intelligence and created stories that allowed Wonder Woman to rescue the guys rather than being helped by them When she left DC Comics Picoult felt as though Wonder Woman was headed in the right direction Picoult's literary successes in novels appeared to dwindle for around a decade after she gave birth but this was only due to her change in approach to the characters she wanted to represent Picoult described herself as taking a more maternalistic and empathetic approach to those she wanted to write about and it was from this point that she began researching her books intricately Picoult's first heartbreaking novel *Nineteen Minutes* tells the story of a child who goes on a nineteen minute rampage with a hand gun killing his classmates It was a brave and poignant attempt at capturing the hearts of America as it reflected events that are rarely but still too often broadcast across news channels Buy a copy to keep reading [Nineteen Minutes](#) Jodi Picoult, 2013-01-22 The daughter of a judge in a New Hampshire school shooting case witnessed the events but cannot remember the last several minutes of the attack **The Tenth Circle** Jodi Picoult, 2013-12-24 Trixie Stone is only a freshman in high school when Jason the junior she thinks she loves dumps her Then one night at a party their paths cross again A few hours later a visibly shaken Trixie comes home to tell her father that Jason sexually assaulted her Daniel Stone has always done everything in his power to keep his daughter safe But he never imagined anything so devastating could happen to Trixie and now he's not sure how to help her **House Rules** Jodi Picoult, 2010-04-03 From the 1 New York Times bestselling author of *Small Great Things* and the modern classics *My Sister's Keeper* *The Storyteller* and more comes a complex compassionate and smart The Washington Post novel about a family torn apart by a murder accusation When your son can't look you in the eye does that mean he's guilty Jacob Hunt is a teen with Asperger's syndrome He's hopeless at reading social cues or expressing himself well to others though he is brilliant in many ways He has a special focus on one subject forensic analysis A police scanner in his room clues him in to crime scenes and he's always showing up and telling the cops what to do And he's usually right But when Jacob's small hometown is rocked by a terrible murder law enforcement comes to him Jacob's behaviors are hallmark Asperger's but they look a lot like guilt to the local police Suddenly the Hunt family who only want to fit in are thrust directly in the spotlight For Jacob's mother it's a brutal reminder of the intolerance and misunderstanding that always threaten her family For his brother it's another indication why nothing is normal because of Jacob And for the frightened small town the soul searing question looms Did Jacob commit murder *House Rules* is a provocative story in which Picoult explores the pain of trying to comprehend the people we love and reminds us that the truth often travels in disguise People **Larger Than Life** Jodi Picoult, 2014-08-04 From Jodi Picoult 1 Sunday Times bestselling author of *The Storyteller* and *My Sister's Keeper* comes a gripping and beautifully written novella now available exclusively as an eBook *Larger Than Life* introduces Alice the unforgettable character at the centre of Picoult's much anticipated new novel *Leaving Time* Alice is a researcher studying memory in elephants and is fascinated by the bonds between mother and calf the mother's powerful protective instincts and her
