Good Housekeeping ,1992 **Cincinnati Magazine** ,2001-07 Cincinnati Magazine taps into the DNA of the city exploring shopping dining living and culture and giving readers a ringside seat on the issues shaping the region Sequels Janet G. Husband,Jonathan F. Husband,2009-07-30 A guide to series fiction lists popular series identifies novels by character and offers guidance on the order in which to read unnumbered series Women in Horror Films, 1930s Gregory William Mank,2015-09-15 They had more in common than just a scream whether they faced *Dracula* *Frankenstein s Monster* the *Mummy* *Dr Jekyll Mr Hyde* *King Kong* the *Wolf Man* or any of the other legendary Hollywood monsters Some were even

monsters themselves such as Elsa Lanchester as the Bride and Gloria Holden as Dracula's Daughter. And while evading the Strangler of the Swamp, former Miss America Rosemary La Planche is allowed to rescue her leading man. This book provides details about the lives and careers of 21 of these cinematic leading ladies, femmes fatales, monsters and misfits, putting into perspective their contributions to the films and folklore of Hollywood terror and also the sexual harassment, exploitation and genuine danger they faced on the job. In a previously unpublished account, Bride of Frankenstein's Anne Darling remembers when at age 17 she was humiliated on set by director James Whale over the color of her underwear. Filled with anecdotes and recollections, many of the entries are based on original interviews and there are numerous old photographs and movie stills.

**Forthcoming Books** Rose Army, 1998-04      **Paul Robeson** Scott Allen Nollen, 2014-01-10 This is the first book-length study of the 12 films starring African American Renaissance man Paul Robeson (1898-1976). Singer, actor, author, lawyer, athlete, pacifist and civil rights activist, Robeson was also the first African American to receive top billing in motion pictures, delivering unforgettable characterizations in such classics as *The Emperor Jones* (1933), *Sanders of the River* (1935), *Show Boat* (1936) and *The Proud Valley* (1940). Original research is provided from primary materials housed at the Schomburg Center for Black Culture in Harlem and the FBI archives in Washington D.C. and from Robeson's family and friends, including his son Paul Robeson Jr. Two appendices cover Robeson's film work as offscreen narrator and singer and his many stage appearances. Rare illustrations include never-before-published original studio materials.      **Monstrous Progeny** Lester D.

Friedman, Allison B. Kavey, 2016-08 Mary Shelley's 1818 novel *Frankenstein* is its own type of monster mythos that will not die; a corpus whose parts keep getting harvested to animate new artistic creations. What makes this tale so adaptable and so resilient that nearly 200 years later it remains vitally relevant in a culture radically different from the one that spawned its birth? *Monstrous Progeny* takes readers on a fascinating exploration of the *Frankenstein* family tree, tracing the literary and intellectual roots of Shelley's novel from the sixteenth century and analyzing the evolution of the book's figures and themes into modern productions that range from children's cartoons to pornography. Along the way, media scholar Lester D. Friedman and historian Allison B. Kavey examine the adaptation and evolution of Victor Frankenstein and his monster across different genres and in different eras. In doing so, they demonstrate how Shelley's tale and its characters continue to provide crucial reference points for current debates about bioethics, artificial intelligence, cyborg lifeforms and the limits of scientific progress. Blending an extensive historical overview with a detailed analysis of key texts, the authors reveal how the *Frankenstein* legacy arose from a series of fluid intellectual contexts and continues to pulsate through an extraordinary body of media products. Both thought-provoking and entertaining, *Monstrous Progeny* offers a lively look at an undying and significant cultural phenomenon.
