Addiction, Representation and the Experimental Novel, 19852015 Heath A. Diehl, 2020-12-15 Since the nineteenth century the Western realistic novel has persistently represented the addict as a morally toxic force bent on destroying the institutions practices and ideologies that historically have connoted reason order civilization *Addiction Representation* undertakes an investigation into an alternative literary tradition that unsettles this limited portrayal of the addict The book analyzes the practices and politics of reading the experimental addiction novel and outlines both a practice and an ethics of reading that advocates for a more compassionate response to both diegetic and extra diegetic addicts an approach that at its core is focused on understanding

Challenging Addiction in Canadian Literature and Classrooms Cara Fabre, 2016-01-01 In the richly interdisciplinary study *Challenging Addiction in Canadian Literature and Classrooms* Cara Fabre argues that popular culture in its many forms contributes to common assumptions about the causes and personal and social implications of addiction Recent fictional depictions of addiction significantly refute the idea that addiction is caused by poor individual choices or solely by disease through the connections the authors draw between substance use and poverty colonialism and gender based violence With particular interest in the pervasive myth of the Drunken Indian Fabre asserts that these novels reimagine addiction as social suffering rather than individual pathology or moral failure Fabre builds on the growing body of humanities research that brings literature into active engagement with other fields of study including biomedical and cognitive behavioural models of addiction medical and health policies of harm reduction and the practices of Alcoholics Anonymous The book further engages with critical pedagogical strategies to teach critical awareness of stereotypes of addiction and to encourage the potential of literary analysis as a form of social activism

with a free spirited daughter of her own Yet Shannon defines life on her own terms refusing to settle down and never stops longing to uncover her roots especially the stubborn question of why her mother would abandon her on the day she was born Brilliantly and hauntingly interwoven with Shannon s story is the tale of her mother Yula a girl herself who is facing a desperate fate in the hours and days leading up to Shannon s birth As past and present converge Y tells an unforgettable story of identity inheritance and ultimately forgiveness Celona s ravishingly beautiful novel offers a deeply affecting look at the choices we make and what it means to be a family and it marks the debut of a magnificent new voice in contemporary fiction *I'm Thinking of Ending Things* Iain Reid,2017-03-21 Includes Reader s Guide with discussion questions

Oudshoorn, 2025-03-28 When journeying alongside those who are forcibly deprived of housing and shelter it is rare to find a frontline worker who has been in their position for more than a few years There is so much exploitation trauma and moral injury in this sector that the average rate of burn out is two years Thanks to the good company around me I have been able to sustain myself in this work for more than twenty five years Along the way I have paid special attention to those who are most excluded abandoned and oppressed by the very systems that claim to care for them I have critically and collaboratively reflected on my praxis over these years and in this book I draw together much of what I have learned so that others can start further ahead than I started *The Walls Around Us* Nova Ren Suma, 2015-03-24 With evocative language a shifting timeline and more than one unreliable narrator Suma subtly explores the balance of power between the talented and the mediocre the rich and the poor the brave and the cowardly To reveal more would be to uncover the bloody heart that beats beneath the floorboards of this urban legend tinged tale The New York Times *The Walls Around Us* is a ghostly story of suspense told in two voices one still living and one dead On the outside there's Violet an eighteen year old ballerina days away from the life of her dreams when something threatens to expose the shocking truth of her achievement On the inside within the walls of a girls juvenile detention center there's Amber locked up for so long she can't imagine freedom Tying these two worlds together is Orianna who holds the key to unlocking all the girls darkest mysteries What really happened on the night Orianna stepped between Violet and her tormentors What really happened on two strange nights at Aurora Hills Will Amber and Violet and Orianna ever get the justice they deserve in this life or in another one PRAISE FOR THE WALLS AROUND US A gorgeously written spellbinding ghost story Chicago Tribune Unputdownable the well paced plot reveals guilt
