For a mermaid princess that is Madly James is thoroughly enjoying her internship in Slumber when the unthinkable happens. There's a prison break in Atlas Madly's home beneath the sea. A traitor has set free eight Lore the spirits of what humans know as fairy tales and they are making their way to Slumber to awaken their descendants. The first spirit to arrive is that of Ulrich Wolfhardt a man that was once obsessed with wolves and a young maiden he would follow through the woods. After a bite from a wolf Wolfhardt's obsession with the girl became an unnatural hunger and the young maiden's grandmother cursed him with a fate worse than death. And now he's back with a vengeance and a bite that can infect others as well. Madly must learn the identity of Wolfhardt's descendant and stop him before he kills again and spreads his curse across the earth. But the only person strong enough to help Madly is Jackson the Sentinel who vowed to protect her and the one person capable of breaking her heart. Can Madly resist forbidden love long enough to save the world from Wolfhardt? Or will she have to sacrifice her heart and her destiny to save the ones she loves.
