Serial Killer Groupies RJ Parker, 2014-12-26 This book delves into the twisted psychology of women attracted to some of the most notorious monsters on the planet giving true crime readers real insight into this phenomena One of the most common reasons given by women who date serial killers is the fact that they see the little boy that the horrible man once used to be and they believe that they can nurture that kid hence removing the cruel and harmful nature of the killers and making them amicable again Known as serial killer groupies or even prison groupies by some a great number of these women have shown a surprising desire to get connected to the serial killer of their choice A large number of these women have become directly aligned with these killers and some have even married these hardened criminals Groupies will do almost anything to get close to the prisoner that they are attracted to They give up jobs family spend money on him and even move across country to be in the same town as him Some SKG's are attracted to the celebrity status they acquire They go on talk shows to announce their undying love for the serial killer and proclaim that he was not capable of these killings This book depicts several such cases and you'll meet some of these SKG's If you seek to understand or study the unexplainable this book may be your key to

some grasp of what is beyond imagining why some women love serial killers Bernard Lee DeLeo bestselling author of over twenty five novels The obsessed groupies of predators such as Richard Ramirez The Night Stalker are just as fascinating as the serial killers they love Best selling author RJ Parker offers powerful insights into the needs motivations and dark desires of women who pursue and sometimes marry the most infamous killers in history This powerful psychological examination of these women is not to be missed Well researched Parker sheds new light on the curious sub culture of groupies in his new true crime book SERIAL KILLER GROUPIES Scott Bonn PhD Professor criminologist and author of Why We Love Serial Killers The Curious Appeal of the World s Most Savage Murderers **The Publishers Weekly** ,1995 **Contemporary Authors New Revision Series** Tracey Watson,2005-04 A biographical and bibliographical guide to current writers in all fields including poetry fiction and nonfiction journalism drama television and movies Information is provided by the authors themselves or drawn from published interviews feature stories book reviews and other materials provided by the authors publishers **Huxford's Old Book Value Guide** Bob Huxford,Sharon Huxford,1999-03 Listing nearly 25 000 book titles with current values this updated and revised 11th edition features a simple and easy to use format **Access** ,1996

International Who's Who of Authors and Writers 2008 Europa Publications,2007-08-23 An invaluable source of information on the personalities and organizations of the literary world **Murder in the Family** Burl Barer,2016-06-21 Now updated the New York Times bestseller about a horrifying Alaska massacre and a controversial trial Barer writes true crime at its best Jack Olsen On March 15 1987 police in Anchorage Alaska arrived at a horrific scene of carnage In a modest downtown apartment they found Nancy Newman s brutally beaten corpse sprawled across her bed In other rooms were the bodies of her eight year old daughter Melissa and her three year old Angie whose throat was slit from ear to ear Both Nancy and Melissa had been sexually assaulted After an intense investigation the police focused on a principal suspect twenty three year old Kirby Anthoney a troubled drifter who had turned to his uncle Nancy s husband John for help and a place to stay Little did John know that the nephew he took in was a murderous sociopath These shocking tragic events stunned Anchorage residents and motivated the Major Crimes Unit of the city s police department to get everything right Feeling the heat Kirby bolted for the Canadian border But he was caught in time and the cops and a tenacious prosecutor began a long bitter battle to convict him up against an equally tough defense lawyer and the egomaniacal defendant himself The tale reached its climax in a controversial trial where for the first time an FBI profiler was allowed to testify and the pre DNA science of allotyping was presented to a jury But justice would not be served until after the psychopathic Kirby Anthoney took the stand in his own defense and showed the world the monster he truly was **Backseat Tragedies : Hot Car Deaths** RJ Parker,JJ Slate,2015-04-14 When we hear about these cases of children forgotten in their car seats left alone in the hot sun to die our first reaction is to instinctively blame the parent or caregiver We think how could anyone forget about their own child for a moment let alone hours But the awful reality is that these tragedies happen to people from all walks of life Many of the

parents detailed in this book never thought such a thing could ever happen to them They were wrong On average thirty seven U S children die each year after becoming trapped or forgotten in a hot vehicle Between the years 1998 and 2014 636 children perished inside a hot car in the United States The numbers are staggering The stories are heartbreaking But what can we do about it In Backseat Tragedies Hot Car Deaths bestselling true crime authors RJ Parker and JJ Slate explore the circumstances that led to the deaths of over twenty children who died of hyperthermia or heatstroke in a car They explore the science of how quickly a car can heat to deadly temperatures and why the human brain can so easily be tricked into forgetting something as important as a child They also highlight important steps we can take as a community to prevent future casualties Spreading awareness about the reality of hot car deaths is the first step toward eliminating these tragedies
