Redeeming Masculinity Peter D. Holmes, 2024-07-16 John Paul II spoke of a feminine genius using the phrase to describe the unique and positive contribution of women to relationships the church and society What of men There is considerable debate regarding the nature roles and responsibilities of men What does the church have to say to a boy or young man searching for guidance in developing a genuinely Christian manhood Or to parents schools and communities seeking to cultivate this in their young men Or to the faithful seeking to understand the church s teachings and to apply these in public and private life This book seeks to answer the question Is there a masculine genius Is there a unique and positive contribution men bring to relationships the church and society

**Analysing American Advice Books for Single Mothers Raising Sons** Berit Åström, 2023-02-07 Although single fathers as primary caregivers are on the rise most single parent households in the US are headed by women These women are a lucrative market for parenting books and most of these books are aimed at single mothers raising sons This intersectional study analyses the way in which these advice books draw on mother blame language misconceptions of neuropsychological research and traditional conceptualisations of masculinity and femininity to convince the mother readers that they are unable to raise a son to be a man The study further connects the advice books to a cultural backlash against ideas of involved fatherhood and caring masculinity exploring how the authors argue for a return to traditional family structures

Masculinities in the Field Brooke A. Porter, Heike A. Schänzel, Joseph M. Cheer, 2021-02-04 This volume is an essential reference for designing analysing and reflecting on field research It advances the literature on gender by taking a specific focus on masculinities The book is organised into four sections hegemonic and heteronormative masculinities performing heteronormative masculinities situated masculinities and paternal masculinities The chapters explore the question of what it means to be a man and definitions of masculinities These reflexive accounts of gendered field experiences further the call for gender positionality in research and will aid tourism researchers and other transdisciplinary scholars It is a useful tool for supervisors ethics committee members and researchers male and female

**Manhood** Steve Biddulph, 2014-04-17 Most men are not fully alive is the dramatic opening to Steve Biddulph s bestseller Manhood which has now been fully revised and updated in this 2015 edition Exploring two critical social issues how to establish a healthy masculinity and how men can release themselves from suffocating and outdated social moulds Biddulph addresses the problems and possibilities confronting men in their daily lives Women have found the book to be a profoundly moving and revealing read while men acquire recognition and a sense of hope that life can be different Topics include Your relationship with your father Getting sex right Being a true dad Real male friends Finding a job with heart This edition has been revised and updated to meet the needs of younger men who are struggling with these issues in the twenty first century

The Routledge Handbook of Gender and Communication Marnel Niles Goins, Joan Faber McAlister, Bryant Keith Alexander, 2020-11-29 This volume provides an extensive overview of current research on the complex relationships between

gender and communication Featuring a broad variety of chapters written by leading and upcoming scholars this edited collection uses diverse theoretical frameworks to provide insight into recent concerns regarding changing gender roles representations and resources in communication studies Established research and new perspectives address vital themes in this comprehensive text including the shifting politics of gender ethical and technological trends in gendered media and gender in daily life Comprising 39 chapters by a team of international contributors the Handbook is divided into six thematic sections Gendered lives and identities Visualizing gender The politics of gender Gendered contexts and strategies Gendered violence and communication Gender advocacy in action These sections examine central issues debates and problems including the ethics and politics of gender as identity impacts of media and technology legal and legislative battlegrounds for gender inequality and LGBTQ human rights changing institutional contexts and recent research on gender violence and communication The final section links academic research on gender and communication to activism and advocacy beyond the academy The Routledge Handbook of Gender and Communication will be an invaluable reference work for students and researchers working at the intersections of gender studies and communication studies Its international perspectives and the range of themes it covers make it an essential and pragmatic pedagogical resource [Dangerous Prayer](#) Darren

Cronshaw,2017-02-01 Dangerous Prayer offers a strategy for fostering prayer and spirituality in mission that focuses on neighbourhood transformation and global needs using the Lord s Prayer as a radical blueprint Sustainability in mission is not possible without prayer vibrancy in prayer is not possible without mission Christians on mission need a vibrant life of prayer in order to be effective yet to have a vibrant prayer life they need an outlet in mission The Lord s Prayer offers a radical inspirational framework to help move Christians beyond praying just for themselves and to have their imaginations captured by the mission of God and concern for global needs Jesus words guide us to pray for God s Kingdom on earth for restoration for food for all who are hungry for people to experience forgiveness and all that really is good news about Jesus It is a dangerous prayer because of its counter cultural and radical stance and because it invites us to be in part the answer to our prayers This book offers inspiring and practical approaches for unleashing the whole people of God for missional prayer and prayerful mission

**Sports and Play in Christian Theology** Philip Halstead,John Tucker,2020-11-24 Sport is a major preoccupation of the modern world It consumes the time and energies of millions of people around the globe In fact for many participants it operates much like a functional equivalent of religion giving them a way to interpret and understand the world Sports stadiums are the cathedrals of our time Sports stars are the saints or demi gods through whom we access the transcendent Members of the sports media serve as religious scribes and sports fans are the worshiping faithful What is true of sport is also true more generally of play Nevertheless and quite remarkably Christian theologians and religious historians have been surprisingly slow to recognize the spiritual and cultural significance of sport and play or to engage in the study of these concepts This book attempts to redress that neglect by integrating sport and play with Christian faith and practice In

Sports and Play in Christian Theology ten Christian scholars and practitioners explore sport and play from theological biblical historical and pastoral perspectives This rich collection of wide ranging reflections and focused case studies will help readers locate sport and play within Christian faith and practice     Raising Boys in the 21st Century Steve Biddulph,2018-05-01 The most popular book ever about raising boys is back significantly updated to help raise sons in a world that offers gender equality respect and a whole new kind of man but is still haunted by toxic masculinity You ll find cutting edge science about the physical fours the emotional eights and how puberty can be turned into a positive time along with hundreds of other practical tips for raising a son No two boys are alike and you have to get to know our own unique boy The idea that if we understand them we can help them is what has made this book so well loved and trusted in over a million homes As one of Australia s best known psychologists for almost 30 years Steve has introduced a generation of fathers into hands on engagement with kids and helped thousands of mothers gain confidence in their ability to raise sons well He has worked with schools in 17 countries and 130 000 parents have heard his unforgettable live talks Biddulph is electrifying Telegraph Biddulph is a spellbinder 60 Minutes     *The New Manhood (Dyslexic Edition)* Steve Biddulph,2021 The landmark text aimed at conquering toxic masculinity and paving the way for a fairer world updated for a new generation For twenty years Steve Biddulph s groundbreaking book *Manhood* and the revised edition *The New Manhood* have had a remarkable impact around the world Thousands of men have reconciled with their fathers become more involved with their children rejuvenated their marriages and made sweeping changes to their lives This book explores every aspect of a man s life in an honest and uplifting way love friendship sex marriage raising children spirituality and finding your true work all in plain language and illuminated with powerful real life stories This is the handbook for men of all ages and for the women who love them now with a new foreword by the author *Delivering the Male*     The New Manhood Steve Biddulph,2012-03-02 In *The New Manhood* Steve Biddulph explores the elements of a man s life that often cause unhappiness emptiness or frustration     Do the Shadow Work Charlie Morley,2025-04-01 Discover what shadow work really is and how to reclaim and integrate your shadow self for healing and transformation Your shadow is made up of everything you hide from the world your fears your shame and your wounds but also your untapped brilliance unexpressed talents and potential By learning to embrace and integrate these hidden aspects of yourself you can unlock profound healing self awareness and personal power With over 20 practices that blend ancient wisdom and modern psychology this transformative guide will help you Recognize the shadow and how you create and project it Find and express the golden or positive shadow self Transform fear and shame into loving awareness energy and power Integrate the parental sexual ancestral and childhood shadows This book will take you on a life changing and healing journey of self acceptance It s time to stop running from your shadow and start befriending it It s time to do the shadow work Part of this book was previously published as *Dreaming Through Darkness* ISBN 9781781807354

Why Conserve Nature? Stephen Thomas Trudgill,Stephen Trudgill,2022-02-24 A philosophical discussion about the

meanings of nature which can give rise to our motivations to conserve nature      **The New Manhood** Steve

Biddulph,2013-10-01 In *The New Manhood* Steve Biddulph explores the elements of a man's life that often cause unhappiness emptiness or frustration      **Youth Sports in America** Skye G. Arthur-Banning,2018-06-21 Written by a former

Olympic consultant this book examines youth sports in America today from institutions that dominate organized youth sports to high profile controversies ranging from burnout and out of control parents to the health risks of youth football As organized youth sports occupy an ever greater role in the lives of American families critics have begun to question whether some programs and participants have lost their way This timely book examines the state of youth sports in America today analyzing how organized sports influence communities discussing the potential emotional and physical benefits as well as drawbacks of youth sports and profiling the industry's key participants ranging from parent coaches to club sports owners to personal trainers The work begins with a look at the evolution of youth sports in the United States then explores such topics as burnout self discipline performance enhancing drugs parental violence and scholarships The content includes coverage of 20 individual youth sports such as basketball softball lacrosse baseball volleyball football soccer cross country and swimming and provides breakdowns of historical and current participation rates injury rates and sport specific scholarship trends Each summary includes contact information on important organizations specific to that sport      **Gender and the Media** Rosalind

Gill,2015-10-02 Written in a clear and accessible style with lots of examples from Anglo American media *Gender and the Media* offers a critical introduction to the study of gender in the media and an up to date assessment of the key issues and debates Eschewing a straightforwardly positive or negative assessment the book explores the contradictory character of contemporary gender representations where confident expressions of girl power sit alongside reports of epidemic levels of anorexia among young women moral panics about the impact on men of idealized representations of the six pack but near silence about the pervasive re sexualization of women's bodies along with a growing use of irony and playfulness that render critique extremely difficult The book looks in depth at five areas of media talk shows magazines news advertising and contemporary screen and paperback romances to examine how representations of women and men are changing in the twenty first century partly in response to feminist queer and anti racist critique *Gender and the Media* is also concerned with the theoretical tools available for analysing representations A range of approaches from semiotics to postcolonial theory are discussed and Gill asks how useful notions such as objectification backlash and positive images are for making sense of gender in today's Western media Finally *Gender and the Media* also raises questions about cultural politics namely what forms of critique and intervention are effective at a moment when ironic quotation marks seem to protect much media content from criticism and when much media content from *Sex and the City* to revenge adverts can be labelled postfeminist This is a book that will be of particular interest to students and scholars in gender and media studies as well as those in sociology and cultural studies more generally      **Manhood** Steve Biddulph,2015-08-06 Being a man isn't always easy and

the transition to manhood can be hard Today s men are moving away from the old stereotypes and are seeking a more creative exuberant and connected life In this honest and uplifting book bestselling author Steve Biddulph tells us the stories of men changing their world and gives clear guidance on issues that affect us all in our personal and professional lives including Understanding relationships with parents partner and children Finding career fulfilment Forming rewarding friendships Embracing sexuality and spirit Now revised and updated this book will give modern men the understanding and advice they need to live full joyful and successful lives
