### **Martin Dressler The Tale Of An American Dreamer By Steven Millhauser:**

*Martin Dressler* Steven Millhauser, 2015-10-01 Young Martin Dressler begins his career as an industrious helper in his father's cigar store. In the course of his restless young manhood he makes a swift and eventful rise to the top accompanied by two sisters: one a dreamlike shadow, the other a worldly business partner. As the eponymous Martin's vision becomes bolder and bolder, he walks a haunted line between fantasy and reality, madness and ambition, art and industry, a sense of doom builds piece by hypnotic piece until this mesmerizing journey into the heart of an American dreamer reaches its bitter-sweet conclusion.

**The Brooklyn Bridge** Richard Haw, 2005 Bringing together more than sixty images of the bridge that over the years have graced postcards, magazine covers, and book jackets and appeared in advertisements, cartoons, films, and photographs, Haw traces the diverse and sometimes jarring ways in which this majestic structure has been received, adopted, and interpreted as an American idea. Haw's account is not a history of how the bridge was made but rather of what people have made of the Brooklyn Bridge in film, music, literature, art, and politics, from its opening ceremonies to the blackout of 2003.

*Understanding Steven Millhauser* Earl G. Ingersoll,2014-02-19 An exploration of the thematic interests and narrative strategies of a contemporary American master of fiction Earl Ingersoll introduces the fiction of Steven Millhauser whose distinguished career of more than four decades includes eight books of short fiction and four novels the latest being the Pulitzer Prize winning *Martin Dressler* 1996 In *Understanding Steven Millhauser* Ingersoll explores Millhauser's twelve books chronologically revealing the development of a major contemporary American writer and a master of fiction who cares as deeply about his craft as the modernists did earlier in the past century While most examinations of an author's work begin with at least a biographical sketch Ingersoll has faced distinct challenges because Millhauser has resisted efforts to read his fiction through the lens of his biography Responding to an interviewer's request for a brief biography Millhauser provided the succinct 1943 Part of such resistance Ingersoll argues arises from Millhauser's belief that if readers have too many questions about an author's work the author has failed and no amount of response can redress that failure Millhauser's central characters such as August Eschenburg and J Franklin Payne are often themselves artists or technicians who are overreachers and Ingersoll shows that Millhauser's early expressions of literary realism have given way to interest in departures from the real For Millhauser stories like conjuring tricks are invented because history is inadequate to our dreams Millhauser's strength is the ability to sustain obsessions because works of fiction succeed insofar as they are able to supplant reality As a master fabulist Ingersoll argues Millhauser is preoccupied with extravagance both in the subject matter of his fiction and in his style Whether it involves Martin Dressler doing himself in by designing and constructing increasingly complex hotels or the miniaturists in the short story *Cathay* pushing their impulse to extremes past the eye's ability to see their art objects Millhauser's fiction is full of such an impulse which can produce prolific artists as well as compulsive lunatics The triumph of Millhauser's craft Ingersoll shows is that it merges a fascination with the relationship between imagination and experience with a precise and allusive prose to produce works seamlessly joining the everyday with the radical and fantastic in forms ranging from travelogues of the imagination to works merging the waking world with the world
