While there they will be working with a small team to track down one of the masterminds behind the USS Cole bombing, a high ranking Al Qaeda operative known as The Panther. Ruthless and elusive, he's wanted for multiple terrorist acts and murders, and the U.S. government is determined to bring him down no matter the cost. As latecomers to a deadly game, John and Kate don't know the rules, the players, or the score. What they do know is that there is more to their assignment than meets the eye and that the hunters are about to become the hunted. Filled with breathtaking plot turns and told in John Corey's inimitable voice, *The Panther* is a brilliant depiction of one of the most treacherous countries in the world and raises disturbing questions about whether we can ever know who our enemies or our allies really are.

**Wild Fire** Nelson DeMille, 2006-11-06 From 1 New York Times bestselling author Nelson DeMille comes a suspenseful new novel featuring Detective John Corey and an all too plausible conspiracy to detonate a nuclear bomb in two major American cities. Welcome to the Custer Hill Club, an informal men's club set in a luxurious Adirondack hunting lodge whose members include some of America's most powerful business leaders, military men, and government officials. Ostensibly the club is a place to gather with old friends, hunt, eat, drink, and talk off the record about war, life, death, sex, and politics. But one Fall weekend the Executive Board of the Custer Hill Club gathers to talk about the tragedy of 9/11 and what America must do to retaliate. Their plan is finalized and set into motion. That same weekend a member of the Federal Anti Terrorist Task Force is reported missing. His body is soon discovered in the woods near the Custer Hill Club's game reserve. The death appears to be a hunting accident, and that's how the local police first report it, but Detective John Corey has his doubts. As he digs deeper, he begins to unravel a plot involving the Custer Hill Club, a top secret plan known only by its code name Wild Fire. Racing against the clock, Detective Corey and his wife, FBI agent Kate Mayfield, find they are the only people in a position to stop the button from being pushed and chaos from being unleashed.

Asad sees himself as chosen to avenge not only his family but his nation, his religion, and the Great Leader Gadhafi. An eye for an eye, a tooth for a tooth. Twelve years later Asad arrives in New York City intent on killing all five surviving pilots across America who participated in the bombing, one by one. John Corey, from the international bestseller *PLUM ISLAND*, is no longer with the NYPD and is working for the Anti Terrorist Task Force. He has to stop Asad's revenge killings. But first he has to find him. A thrillingly entertaining read from a master storyteller.
