Atlas of Prejudice Yanko Tsvetkov, 2016-10-04 More than a hundred stereotype maps glazed with exquisite human prejudice especially collected for you by Yanko Tsvetkov author of the viral Mapping Stereotypes project Satire and cartography rarely come in a single package but in the Atlas of Prejudice they successfully blend in a work of art that is both funny and thought provoking A reliable weapon against bigots of all kinds it serves as an inexhaustible source of much needed argumentation and occasionally as a nice slab of paper that can be used to smack them across the face whenever reasoning becomes utterly impossible This second edition packs the most extensive collection of Tsvetkov's maps to date in a single book suitable for all ages genders and races

Atlas of Prejudice 2 Yanko Tsvetkov, 2014-02-10 Atlas of Prejudice 2 will help you overcome the post coital tristesse that's been torturing you since you finished reading the first volume It will take you to fresh climatic heights unveiling new fascinating landscapes of human bigotry The book offers a unique view on otherwise trivial subjects like the Spanish Reconquista and its incestuous but God fearing masterminds Isabella and Ferdinand the transatlantic voyages of a racist xenophobe called Christopher Columbus the passion for ridiculous hats of an Ottoman sultan the love affair between Charlemagne and Pope Leo III and the discovery of America by Scandinavian socialists known as the Vikings You will also find out that virtuous men like Alexander the Great only commit mistakes when they listen to women what's the difference between the author's grandmother and Amelia Earhart how many mummies did Europeans eat during the Renaissance and why unicorns who love the company of virgins got extinct in the early 17th Century never to be seen again In the moments when it doesn't reinvent history the book offers a stomach cramping map of horrible European food a guide for dividing the Old Continent a prophecy about the aftermath of the coming Blitzjihad and a world map according to Facebook users
