Jack the Ripper Paul H. R. or have not changed since the Victorian era *The Ripper Inside Us* Rebecca Frost,2024-04-10 The story of Jack the Ripper has had continual interest since he stalked the streets of Whitechapel during the Autumn of Terror in 1888 During this time the murders of the Canonical Five made headlines all over the world while in the modern day the Ripper story continues to permeate all forms of media on the page screen in podcasts and in fiction We continue to search for something we will likely never and perhaps do not even wish to discover Jack s true name This book looks at the lasting intrigue of Jack the Ripper and how his story and the stories of the Canonical Five victims are brought back to life through modern lenses As psychological approaches and scientific techniques advance the Ripper s narrative evolves opening a more diverse means of storytelling and storytellers How these storytellers attempt to construct a full tale around the facts including the burning questions of motive and identity says more about us than the Ripper *Shadow Pasts* William D. Rubinstein,2014-09-11 For many intelligent people the stuff of history does not consist of the kind of dry as dust investigations of diplomatic economic or political history that most university historians research and write about but the famous topics of history s mysteries who was Jack the Ripper Was there a conspiracy to kill President Kennedy Did Richard III murder the Princes in the Tower What are the mysteries of the ancient Pyramids Not only have a great many books and articles been written on these and similar topics by so called amateur historians but they have generated societies conferences newsletters and television programmes Many people who are not academic historians take a keen interest in these topics and have in some cases made themselves real experts on them with interesting theories of their own Despite all of this however these topics are virtually ignored by academic historians and can be treated with contempt In *Shadow Pasts* William D Rubinstein a well known and widely published history professor examines seven of the most famous and interesting topics which have been discussed debated examined and written about by amateur historians Each of these mysteries and the theories surrounding them are examined in detail with Professor Rubinstein presenting his own original and sometimes surprising conclusions about what really happened *The Diary of Jack the Ripper - The Chilling Confessions of James Maybrick* Shirley Harrison,2010-04-05 The pages of *The Diary of Jack the Ripper* reveal the unimaginable that over a century ago the legendary serial killer at work in London s Whitechapel kept a record of his bestial mutilations of women The writer of the horrific journal is James Maybrick a depraved drug taking womanising 49 year old Liverpool cotton merchant with a history of domestic violence In this analysis of his diary investigative author Shirley Harrison explains all about the origins of the text the rigorous scientific analysis it has endured and reveals startling new information about Maybrick s shadowy background All this combines with a chilling confession scratched into a watch I am Jack J Maybrick provide powerful justification that Maybrick was Jack the Ripper The diary itself is reproduced in full so that you too can judge whether these are the deeply distributing words of Jack the Ripper himself reaching out from across the abyss of more than a century *The Prince, His Tutor and the Ripper* Deborah McDonald,2014-07-15 Of the many attempts to discover Jack the Ripper s identity few omit the name of James Kenneth

Stephen tutor to Queen Victoria's eldest grandson fondly known as Prince Eddy While Stephen superficially fit the profile investigators established was he really capable of the demented violence perpetrated by England's most famous serial killer This volume takes an in depth look at the life and experiences of James Kenneth Stephen examining the relevant evidence and attempting to determine whether or not Stephen could actually have been involved in the Ripper murders Delving into what little is known of Stephen's early years the work discusses his relationship with his mother and his family's struggle with a hereditary mental illness It follows him through his formative years at Eton which he considered his true home and where he was introduced to the Greek notion of homosexuality The work's primary focus is Stephen's relationship with Prince Eddy who also became a suspect in the infamous London murders The way in which Stephen's life intertwined with those of Prince Eddy and Montague Druitt another Ripper suspect is examined in detail Other incidents of the fateful fall of 1888 and Stephen's final surrender to mental illness are also discussed Appendices contain Stephen's poetry and details regarding his family ancestry

A Poisoned Life Richard Jay Hutto,2018-05-27 Florence Maybrick was the first American woman to be sentenced to death in England for murdering her husband a crime she almost certainly did not commit Her 1889 trial was presided over by an openly misogynist judge who was later declared incompetent and died in an asylum Hours before Maybrick was to be hanged Queen Victoria reluctantly commuted her sentence to life in prison in her opinion a woman who would commit adultery as Maybrick had admitted would also kill her husband Her children were taken from her she never saw them again Her mother worked for years to clear her name enlisting the president of the United States and successive ambassadors including Robert Todd Lincoln Decades later a gruesome diary was discovered that made Maybrick s husband a prime Jack the Ripper suspect

Books Magazine ,1997 **Ripperology** Robin Odell,2006 Ripperology a sometimes obsessive interest in studying the crimes of Jack the Ripper is a subject of timeless interest that has suffered from confusion exaggeration and hyperbole for over a century Jack the Ripper was probably the first serial killer to appear in a large metropolis at a time when the general populace was literate and the press was a force for social change The press was also partly responsible for creating many myths surrounding the Ripper

Marked Women Russell Campbell,2006-04-05 Julia Roberts played a prostitute famously in Pretty Woman So did Jodie Foster in Taxi Driver Jane Fonda in Kluge Anna Karina in Vivre sa vie Greta Garbo in Anna Christie and Charlize Theron who won an Academy Award for Monster This engaging and generously illustrated study explores the depiction of female prostitute characters and prostitution in world cinema from the silent era to the present day industry From the woman with control over her own destiny to the woman who cannot get away from her pimp Russell Campbell shows the diverse representations of prostitutes in film Marked Women classifies fifteen recurrent character types and three common narratives many of them with their roots in male fantasy The Happy Hooker for example is the liberated woman whose only goal is to give as much pleasure as she receives while the Avenger a nightmare of the male imagination represents the threat of women taking retribution for all the oppression they have suffered at the hands of men The Love Story a common narrative represents the prostitute as both heroine and anti

heroine while *Condemned to Death* allows men to manifest in imagination only their hostility toward women by killing off the troubled prostitute in an act of cathartic violence The figure of the woman whose body is available at a price has fascinated and intrigued filmmakers and filmgoers since the very beginning of cinema but the manner of representation has also been highly conflicted and fiercely contested Campbell explores the cinematic prostitute as a figure shaped by both reactionary thought and feminist challenges to the norm demonstrating how the film industry itself is split by fascinating contradictions
