John Donnes Poetry By John Donne

John Donne

John Donnes Poetry By John Donne:

John Donne's Poetry John Donne, Donald R. Dickson, 2007 A Chronology Selected Bibliography Index of Titles and Index of First Lines are also included BOOK JACKET John Donne's Poetry John Donne, 1966-04 Donald Dickson s John Donne s Poetry is the best text of Donne now available It is scrupulously edited and equally useful for students and for scholars Harold Bloom Yale University **Selected Poetry** John Donne, 1998 John Donne 1572 1631 is perhaps the most important poet of the seventeenth century In his day it seemed to his admirers that Donne had changed the literary universe and he is now widely regarded as the founder of the metaphysical school Donne s poetry is highly distinctive and individual adopting a multitude of rhythms images forms and personae from irresistible seducer to devout believer His greatness stems from the subtleties and ambivalences of tone that convey his remarkably modern awareness of the instability of the self This collection of Donne s verse is chosen from the Oxford Authors critical edition of his major works It includes a wide selection from his secular and divine poems such as the rebellious and libertine satires and love elegies the virtuoso Songs and Sonnets and the desperate passionate Holy Sonnets John Carey s introduction and extensive notes provide valuable insights into Donne s poetic genius **The Poems of John Donne: Volume One** Robin Robbins, 2014-09-11 John Donne 1572 1631 is firmly fixed in the canon of English literature No man is an island and For whom the bell tolls are just two of his phrases known by virtually everyone The Poems of John Donne is a two volume edition of Donnes poems based on a comprehensive re evaluation of his work from composition to circulation and reception Donnes output is tremendously varied in style and form and demonstrates his ability to change his writing according to context and occasion This edition presents the text of all his known poems from the epigrams songs and satires written for fellow young men about town to the more mature verse epistles and memorial elegies written for his patrons Volume One contains the Epigrams Verse Letters to Friends Love Lyrics Love Elegies and Satires **John Donne's "desire of More"** M. Thomas Hester, 1996 This volume is composed of thirteen essays by an international group of acclaimed Renaissance scholars on the presence of Anne More Donne in the poetry of her husband In his epitaph for his wife upon her death in 1617 John Donne called her Faeminae lectissimae dilectissimaeque A woman most choice and most beloved and loving but these Latin terms of endearment also figured her as a woman both well read and very well read This book aims to endorse and to explore that view of her that is espoused by the poet in his epitaph through readings of his readings of her presence and absence as central subjects of Donne s own presentations of himself his world and his God **John Donne: The Poems** Joe Nutt, 1999-09-03 John Donne s poems are some of the most challenging and stimulating in the English literary heritage This book looks at the entire range of his poetic output from the erotic to the divine from satires to sonnets Through detailed analysis of a large number of individual poems Donne s intellectual vitality and unique poetic voice is entertainingly explored The practical techniques are explained clearly and when applied to the work of other poets will enable the reader to feel confident in understanding and discussing even the most demanding verse

Selected Poems: Donne John Donne, 2006-05-25 Regarded by many as the greatest of the Metaphysical poets John Donne 1572-1631 was also among the most intriguing figures of the Elizabethan age A sensualist who composed erotic and playful love poetry in his youth he was raised a Catholic but later became one of the most admired Protestant preachers of his time The Selected Poems reflects this wide diversity and includes his youthful Songs and Sonnets epigrams elegies letters satires and the profoundly moving Divine Poems composed towards the end of his life From joyful poems such as The Flea which transforms the image of a louse into something marvellous to the intimate and intense Holy Sonnets Donne breathed new vigour into poetry by drawing lucid and often startling metaphors from the world in which he lived His poems remain among the most passionate profound and spiritual in the English language **John Donne's Lyrics** Arnold Sidney Stein, 1962-01-01 John Donne's Lyrics was first published in 1962 Minnesota Archive Editions uses digital technology to make long unavailable books once again accessible and are published unaltered from the original University of Minnesota Press editions Combining modern insight with historical perspective Professor Stein offers a fresh interpretation of Donne's lyric poems His method is cumulative it includes cross references to the religious writing analysis of individual poems and their relationship to larger patterns which reflect Donne's poetic mind Among the specific problems he deals with are those which concern metaphor symbol myth wit fictions negative theology consciousness and simplicity binary and ternary form in poetry meter and meaning rationalism and affective language the visual and the auditory Professor Stein demonstrates that to gain insight into the integrity of Donne's poetic mind it is necessary to take seriously two propositions that Donne is a poetic logician endowed with a talent and love for the unity of imaginative form and that Donne's poetry though it is not simple nevertheless deeply and persistently engages important problems which concern simplicity In one of his sermons Donne wrote The eloquence of inferiours is in words the eloquence of superiours is in action Professor Stein maintains that in his best poems Donne aspires to the eloquence of action and never to the eloquence of words Although the study is focused on Donne's lyrics the interpretation is based on a long study of all the poems and the prose and on background and foreground materials In a postscript the author discusses Donne's modern career **The Collected Poems of John Donne** John Donne, 1994 John Donne's poetry is marked by a scientific colloquial directness and a complex even tortured intelligence It falls into two classes There is the early ironic and erotic poetry that contains some of the finest English love poetry and also his later religious poetry *John Donne* Harold Bloom, 2009 Presents a critical analysis of some of the works of John Donne with a short biography **John Donne** John Donne, 1990 Selection of 73 poems by the English metaphysical poet The Good Morrow The Canonization The Relic A Valediction Forbidding Mourning To His Mistress Going to Bed Death Be Not Proud more Note The Greatest Poems of John Donne John Donne, 2023-12-24 In The Greatest Poems of John Donne readers are invited into the intricate and often tumultuous realm of love faith and mortality through the poet's masterful use of metaphysical conceits and innovative imagery This collection includes some of Donne's most celebrated works such as The

Flea and Death Be Not Proud where he deftly intertwines themes of desire and despair crafting a unique literary style that challenges conventional poetic forms Set against the backdrop of the late 16th and early 17th centuries Donne s work reflects the anxieties and complexities of the Elizabethan era offering profound insights into the human condition that resonate through time John Donne a quintessential figure of the Metaphysical poets was deeply influenced by his diverse experiences from his time as a soldier to his later career as a priest His rich educational background and engagement with both law and literature equipped him with a keen awareness of the philosophical and spiritual dilemmas of his time This juxtaposition of intellectual rigor and emotional depth is evident in his poetry reflecting a quest for truth in an increasingly fraught world For readers seeking a profound exploration of the complexities of love and existence The Greatest Poems of John Donne is a must read This compilation not only displays Donne s unparalleled ability to merge intellect with emotion but also invites contemporary readers to engage with enduring questions of faith desire and the passage of time *John Donne* John Carey,2011-11-03 Donne is perhaps the most intellectual of English poets and John Carey is perhaps the most intelligent of contemporary English literary critics The encounter as one might expect is fierce and enthralling This book is sensitive searching powerful exciting provocative and witty It is a superb achievement Christopher Hill TLS John Donne Life Mind and Art is a unique attempt to see Donne whole Beginning with an account of his life it takes as its domain not only the whole range of the poetry but also the sermons the letters the spiritual and controversial works and such highly personal documents as the treatise on suicide The result is a clearer picture than has hitherto emerged of one of the most intricate and compelling of literary personalities The one book we have needed all along A magnificent exercise in reappraisal I have never read a critical work which reaches as deeply inside the mind of its subject Jonathan Raban Sunday Times Carey s book is itself alive with the kind of energy it attributes to Donne Christopher Ricks London Review of Books **John Donne's Poetry** John Donne,1966 **John Donne, Coterie Poet** Arthur F. Marotti,1986 The Poems of John Donne; Volume II John Donne,2023-07-18 Considered one of the great English poets of the seventeenth century John Donne s poetry is renowned for its wit intelligence and emotional depth This volume offers a comprehensive collection of Donne s poems including sonnets love poems elegies and religious meditations With its vivid imagery and emotional intensity this collection is a must read for anyone interested in the history of English literature This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant The Variorum Edition of the Poetry of John Donne, Volume 7, Part 2 John Donne,2021-01-05 Based on an exhaustive study of the

manuscripts and printed editions in which these poems have appeared the eighth in the series of The Variorum Edition of the Poetry of John Donne presents newly edited critical texts of thirteen Divine Poems and details the genealogical history of each poem accompanied by a thorough prose discussion Arranged chronologically within sections the material is organized under the following headings Dates and Circumstances General Commentary Genre Language Versification and Style the Poet Persona and Themes The volume also offers a comprehensive digest of general and topical commentary on the Divine Poems from Donne s time through 2012 *John Donne Holy Sonnets* John Donne, John Daniel Thieme, 2014-10-09 The nineteen poems that comprise John Donne s Holy Sonnets are works of anxiety and spiritual crisis Most of the sonnets are thought to have been written between 1609 and 1611 but were not published until two decades later two years after Donne s death The Holy Sonnets explore the poet s fear and trembling when faced with the realisation of his mortality and self described unworthiness as a recipient of God s grace and mercy Donne s poems navigate through his doubts in search of a divine comfort and assurance in the hope of salvation and eternal life With an introduction by poet John Daniel Thieme

Poems of John Donne John Donne, 1896 *The Poems of John Donne* John Donne, 1970
