*Juliet Immortal* Stacey Jay, 2011-08-09 Fans of Maggie Stiefvater's *Shiver* and Becca Fitzpatrick's *Hush* will relish this intense paranormal love story featuring Romeo and Juliet literary history's most tragic couple who meet again not as true lovers but truly as enemies The most tragic love story in history Juliet Capulet didn't take her own life She was murdered by the person she trusted most her new husband Romeo Montague a sacrifice made to ensure his own immortality But what Romeo didn't anticipate was that Juliet would be granted eternity as well and would become an agent for the Ambassadors of Light For 700 years she's fought Romeo for the souls of true lovers struggling to preserve romantic love and the lives of the innocent Until the day she meets someone she's forbidden to love and Romeo oh Romeo will do everything in his power to destroy that love These violent delights have violent ends And in their triumph die like fire and powder Which as they kiss consume Romeo and Juliet by William Shakespeare

**Young Adult Gothic Fiction** Michelle J. Smith, Kristine Moruzi, 2021-06-15 Focus on young adult literature This focus on young adult literature means that this book expands scholarship specifically in this area Focus on the Gothic for young people Gothic texts are very popular in children's and young adult literature but there hasn't been a lot of scholarship on the Gothic for adolescents This book expands our knowledge of how the Gothic intersects with young adult literature Includes coverage of YA fiction from the UK US Canada Australia and New Zealand a range of genres that intersect with the Gothic including historical fiction and fairy tale as well as forms such as the short story and graphic novel

*Gothicka* Victoria Nelson, 2012-04-23 The Gothic has taken a revolutionary turn in this century Today's Gothic has fashioned its monsters and devils into heroes and angels and is actively reviving supernaturalism in popular culture Nelson argues that this mainstreaming of a spiritually driven supernaturalism is a harbinger of what a post-Christian religion in America might look like

**Shakespeare and Millennial Fiction** Andrew James Hartley, 2018 This book analyses the ways contemporary fiction writers draw on Shakespeare the man his work and his cultural legacy

**Adaptation in Young Adult Novels** Dana E. Lawrence, Amy L. Montz, 2020-09-03 *Adaptation in Young Adult Novels* argues that adapting classic and canonical literature and historical places engages young adult readers with their cultural past and encourages them to see how that past can be rewritten The textual afterlives of classic texts raise questions for new readers What can be changed What benefits from change How can you too be agents of change The contributors to this volume draw on a wide range of contemporary novels from Rick Riordan's *Percy Jackson* series and Megan Shepherd's *Madman's Daughter* trilogy to Jesmyn Ward's *Salvage the Bones* adapted from mythology fairy tales historical places and the literary classics of Shakespeare Charles Dickens Jane Austen and F Scott Fitzgerald among others Unpacking the new perspectives and critiques of gender sexuality and the cultural values of adolescents inherent to each adaptation the essays in this volume make the case that literary adaptations are just as valuable as original works and demonstrate how the texts studied empower young readers to become more culturally historically and socially aware through

the lens of literary diversity     Shakespeare's Fans Johnathan H. Pope, 2019-12-05 This book examines Shakespearean adaptations through the critical lens of fan studies and asks what it means to be a fan of Shakespeare in the context of contemporary media fandom Although Shakespeare studies and fan studies have remained largely separate from one another for the past thirty years this book establishes a sustained dialogue between the two fields In the process it reveals and seeks to overcome the problematic assumptions about the history of fan cultures Shakespeare's place in that history and how fan works are defined While fandom is normally perceived as a recent phenomenon focused primarily on science fiction and fantasy this book traces fans practices back to the eighteenth century particularly David Garrick's Shakespeare Jubilee in 1769 Shakespeare's Fans connects historical and scholarly debates over who owns Shakespeare and what constitutes an appropriate adaptation of his work to online fan fiction and commercially available fan works     Julieta imortal Stacey Jay, 2012-08-02 Julieta Capuleto não tirou a própria vida Ela foi assassinada pela pessoa em quem mais confiava seu marido Romeu Montecchio que fez o sacrifício para assegurar sua imortalidade Mas Romeu não imaginou que Julieta também teria vida eterna e se tornaria uma agente dos Embaixadores da Luz Por setecentos anos Julieta lutou para preservar o amor e a vida de inocentes enquanto Romeu tinha por fim destruir o coração humano Mas agora que Julieta encontrou seu amor proibido Romeu fará tudo que estiver ao seu alcance para destruir a felicidade dela Segredos mistérios e surpresas envolvem este poderoso romance em que o casal mais famoso da literatura mundial tem a chance de contar sua verdadeira história

**Integrating Young Adult Literature through the Common Core Standards** Rachel L. Wadham, Jon W. Ostenson, 2013-01-07 This book advocates for a stronger role for young adult literature in ELA classrooms compellingly documenting how this body of work meets both the needs of adolescent students and the demands of the common core for complex texts and tasks Integrating Young Adult Literature through the Common Core Standards provides a compelling template for teachers that uses young adult literature and inquiry learning to meet students needs and the demands of the common core standards The first part of the book addresses the widely adopted common core state standards by examining closely the standards model of text complexity and demonstrating how young adult literature can fill the requirements of this model The second part provides theoretical discussions and analysis of the standards as well as concrete applications of young adult literature within the classroom in order to give school professionals a comprehensive understanding of how young adult literature and the standards can work together The book empowers schools and teachers to make intelligent informed decisions about texts and instructional practices that benefit their students Finally the authors explore a powerful teaching approach that integrates current understandings about learning young adult literature and the common core standards in a way that will facilitate greater learning and understanding in English classrooms     *New York Magazine*, 1974-07-15 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography
