Soul Winners David Clary, 2022-09-15 American evangelicals have always been innovators They reimagined what a church could be whether it was a humble tent in a rural field or a high tech urban megachurch They embraced new forms of media to spread their message to the masses They thrived in a fiercely competitive religious marketplace In Soul Winners journalist David Clary argues that this entrepreneurial spirit has indelibly shaped evangelical ministries and their worldview For generations evangelical leaders have partnered with tycoons to pay for their churches crusades and campuses In turn evangelicals adopted the pro business anti government values of their conservative benefactors White evangelicals evolved into the Republican Party s most loyal voting bloc The close relationship between business and evangelicals has produced the growth oriented megachurches that dot the nation s landscape Pastors such as Rick Warren used market research and management theory to create their seeker sensitive churches Televangelists and prosperity gospel preachers most notably Joel Osteen tell their audiences that faith will be rewarded in this world as well as in the kingdom to come Clary s narrative approach brings to life colorful characters such as the ballplayer turned preacher Billy Sunday who condemned the godless social service nonsense of liberal churches and Billy Graham who brought evangelicalism into the highest precincts of business and politics Soul Winners offers a fresh balanced perspective on evangelicals and the consequences of their enduring influence on American life

Gospel Witness through the Ages

David M. Gustafson,2022-02-24 A definitive history of Christian evangelism including noteworthy persons movements and methods from the past Christians have been sharing the good news of Jesus Christ with nonbelievers for two thousand years Within this deep history is wisdom for today including numerous models for understanding what evangelism is and how it should be done In Gospel Witness through the Ages David Gustafson introduces readers to evangelism s noteworthy persons movements and methods from the entire scope of church history including both examples to emulate and examples to avoid With this thorough historical approach Gustafson expands the reader s conception of the evangelistic task and suggests new ways to shape our identity as gospel witnesses today through the influence of these earlier generations of Christians With discussion questions for further reflection and primary sources from major evangelistic figures of the past Gospel Witness through the Ages is the most definitive history of evangelism available essential for understanding how Christians today can continue proclaiming the gospel to the whole world as Christians have in every century past **Light of the Word** Susan C. Lim,2023-12-05 The more we understand how Scripture came to be the more we discover its power and truth Unpacking how the history of the Bible bolsters our faith historian Susan Lim explains how Christians came to accept certain documents as inspired and how the books we now call the Bible came to be assembled and canonized as authoritative *Turn To Me* Tom Reed,2019-11-07 Most devotionals tend to be happy Hallmark card feel good writings with little to no Scripture foundation There is nothing wrong with these but if you are hungering and thirsting for daily devotionals saturated in the Word then Turn to Me is that kind of daily devotional book These daily devotionals are almost like mini sermons to fill in your day with the Word of God Turn to Me is a turning to God s timeless Word and letting it shape your life today **All Things New** Tim Snider,2011-10-05 All Things New is not just another book on Bible prophecy Are we the terminal generation Are we the generation of mankind that will see the fulfillment of its prophecies This book answers those questions The book of Revelation needs to be engaged more now than in any era of human history However many recent books on the subject of Revelation take a much too scholarly approach to a book that was written to be understood by the common man All Things New is a verse by verse commentary guide for the Christian or non Christian reader who may simply want to know what the book of Revelation is all about and what its significance is for us today Included are definitions of the basic terms related to the Church and Christianity that a non believer might not understand but are necessary for a clear comprehensive understanding of Revelation This book is not just about scary beasts incomprehensible images and mind boggling catastrophes and judgments Its also a book of vindication for the people of God a demonstration of God s eternal justice and most importantly a book of hope for a world that seems to have lost its way There are storm clouds on the horizon and a cold night of despair will follow but the night is never so cold as just before the dawn May everyone who reads this book find joy peace and tranquil hope for the future in the person of Jesus Christ A new day is coming and a new world will dawn in which God will indeed make All Things New To read a Kirkus review for this book copy and paste this address into your browser

 Pastor Greg Laurie sheds light on Graham's lesser known struggles such as a broken heart before he met the love of his life and a crisis of faith from which he emerged stronger than ever Explore the evangelist's private challenges and public successes to his disappointments and joys in this portrait of one of history's most well known Christian lives **Streams of Living Water** Richard Foster, 2017-09-07 In this landmark work Richard Foster examines the streams of living water the six dimensions of faith and practice that have defined Christian tradition around the world and down the centuries In this inspiring book he looks at the Contemplative tradition or the prayer filled life the Holiness tradition or the virtuous life the Charismatic tradition or the Spirit empowered life the Social Justice tradition or the compassionate life the Evangelical tradition or the word centred life the Incarnational tradition or the sacramental life Foster's celebration of the spiritual life incorporates history's most significant Christian figures and movements and argues for a rich well rounded faith free of constricting labels A Terrifying Grace Rob Yule, 2017-04-28 Romance and sexual intimacy are among life's highest joys How we handle our sexuality is an ultimate challenge particularly in today's sexualised global culture Rob Yule looks at a fascinating selection of romantic relationships from throughout Christian history from Augustine Abelard and Heloise and the Luthers to Billy and Ruth Graham and Pope Saint John Paul II Illustrating how challenging and far from straightforward the relationship of men and women is in real life he draws many insights for relationships and marriage today A Terrifying Grace explores the romantic relationships of leading Christians throughout history and how they handled sex and marriage What were their relationships and marriages like What did they believe or teach about sexuality and marriage Did their marriages or celibate lives live up to their professed beliefs How did they handle the joys pains temptations and responsibilities of their intimate relationships alongside their public life and witness Even great Christians have struggled to handle their intimate relationships We can learn much from them how to live with integrity in today's hypersexualised culture **The Nehemiah Factor (Revised and Expanded)** Dr. Frank S. Page, 2013-05-08 What does a missional leader look like Trusted pastor and denominational leader Dr Frank Page answers that question in The Nehemiah Factor when he examines the 16 vital keys to living like a missional leader Drawing from the life of well known biblical examples targeted Scripture passages personal leadership stories and testimonies of others Page provides the basis every leader needs to understand what it means to be a person of calling comprehension fruitfulness and integrity Personal reflection questions are included in each chapter to help readers apply the model and the characteristic to their specific leadership situations *One Lost Soul* Daniel Silliman, 2024-08-08 Impious and amoral petty and vindictive Richard Nixon is not the typical protagonist of a religious biography But spiritual drama is at the heart of this former president's tragic story The night before his resignation Richard Nixon wept and prayed Though his demanding parents had raised him Quaker he wasn't a regular churchgoer nor was he quick to express vulnerability As Henry Kissinger witnessed Nixon's loneliness and humiliation that night he remarked Can

you imagine what this man would have been had somebody loved him In this provocative and riveting biography Daniel Silliman cuts to the heart of Nixon s tragedy Nixon wanted to be loved by God but couldn t figure out how This profound theological struggle underlay his successes and scandals his turbulent political career his history changing victories and his ultimate disgrace As Silliman narrates the arc of his subject s life and career he connects Nixon s character to religious influences in twentieth century America from Cold War Christianity to Chick tracts Silliman paints a nuanced spiritual portrait of the thirty seventh president just as he offers fresh insight into US political and religious history Readers who lived through Watergate will discover a new perspective on an infamous controversy A historical page turner One Lost Soul will surprise and absorb students scholars and anyone who likes a good story

Radio Knight of Faith, Volume 1 Norman Percy Grubb, 2006-03-06 The title Knight of Faith is taken from Fear and Trembling by Soren Kierkegaard This knight is an ordinary man who believes Gods word to him against all appearances like Abraham the original knight of faith did with Isaac He enters this narrow way of faith where few venture Kierkegaard says he is very different from the knight of infinite resignation who believes the answer will come sometime if not in this life then in the next About this knight of faith Kierkegaard writes But if I knew where there was such a knight of faith I would make a pilgrimage to him on foot for this prodigy interests me absolutely I would not let go of him for an instant every moment I would watch to see how he managed to make the movements I would regard myself as secured for life and would divide my time between looking at him and practicing the exercises myself and thus would spend all my time admiring him This knight of faith is found in Norman Percy Grubb He looked the ordinary man such as any ordinary man but he had discovered the keys of the kingdom and shared it with all As you read his letters you too will find a remarkable yet very human person who spent a lifetime seeking Gods face believing by virtue of the absurd and relentlessly sharing in every way possible that which God had given him The world will not always recognise the true knight but he is there butcher baker or candlestick maker or a housewife with a vision of the impossible God Is Still for You Bob Page, 2025-10-21 With wisdom and deep empathy a seasoned chaplain reminds readers of Gods steadfast loving presence in their lives When life turns upside down the worlds cruelty can feel crippling Unexpected and devastating news like a diagnosis betrayal or layoff can make God feel distant or nonexistent Its natural to wonder where God is and whether he cares at all Those who face trials need a reminder that God is still for them Bob Page retired Air Force brigadier general offers ten reasons to persevere in faith and move toward a life of renewed hope and purpose God Is Still for You invites readers to sit with a battle seasoned chaplain who knows firsthand how painful life can be and ask the hard questions With decades of experience in active duty Bob personally understands how dark it can feel to believe God is absent Each chapter highlights Scripture contains real life stories and ends with a clear statement of why the reader can be sure that God is still for them With biblical truth fresh and compelling retellings of Bible stories and a wise and personal writing style Bob will guide readers to find hope
