Quicklet on Martin Dugard and Bill O'Reilly's Killing Lincoln: The Shocking Assassination that Changed America Forever (CliffNotes-like Summary and Analysis) Tom Szollosi, 2012-07-30

ABOUT THE BOOK The man with six weeks to live is anxious He furls his brow as he does countless times each day and walks out of the Capitol Building which is nearing completion He is exhausted almost numb It is a rare to find a historical work written in the present tense but in Killing Lincoln The Shocking Assassination that Changed America Forever that is what Martin Dugard and Bill O'Reilly have done In a USA Today interview O'Reilly says Dugard did the research on the Lincoln book and I wrote it A true collaboration While the book is light on attribution it is a compelling and fast read O'Reilly says he wanted Killing Lincoln to read like a thriller for people who are not particularly interested in history and to show what true leaders are like It does indeed read like a thriller Using the present tense gives the work immediacy and heightens pace but at times also feels intrusive because the subject matter so clearly isn't immediate today A historical overview might be better served by the good old past tense Nevertheless the book brims with conspiracy facts touching on mysteries never conclusively proven wrong although they've also never been proven right Most notable of these theories is one centering on Secretary of War Edwin Stanton who was in possession of assassin John Wilkes Booth's diary thanks to the work of private investigator Lafayette Baker Baker was personally hired by Stanton and gave him the diary which he found in Booth's hotel room Furthermore when Stanton finally released the diary 18 pages were missing raising many an eyebrow The Stanton theory has as the authors admit been repudiated and dismissed by the vast majority of trained historians

EXCERPT FROM THE BOOK Lincoln strides purposefully back and forth unprotected and unafraid as vulnerable as a man can be to sniper fire the bombardment serving as the perfect distraction from his considerable worries When will this war ever end Abraham Lincoln was a man racing his fate He knew it even as he gave his second inaugural speech before 50 000 drenched citizens Among them was John Wilkes Booth a young handsome famous actor who had originally planned to kidnap the president but instead decided to murder him along with General Ulysses S Grant Secretary of State Seward and Vice President Andrew Johnson On April 1 1865 Lincoln awaited news from Grant whose Union Army was engaged against General Robert E Lee's Army of Northern Virginia A succession of horrific battles would end in Lee's surrender when his ravaged army could no longer match the vast Union force Lincoln's terms of surrender were lenient despite calls for vengeance Amid Washington celebration Lincoln became Booth's obsession He learned that the President and Mrs Lincoln would attend Our American Cousin at Ford's Theatre one of Booth's favorite

haunts on Good Friday After a nerve wracking day of preparation he was a coiled spring His co conspirators knew their roles Lewis Powell would kill Secretary of State Seward George Atzerodt would kill Vice President Andrew Johnson while Booth shot Lincoln and Grant who would be with the President To Booth s frustration Grant left the capitol that afternoon But the show went on As Booth shot Lincoln Powell slashed at Seward in his bed where he was recovering from a carriage accident But Powell had to literally hack his way through Seward s son daughter and two others first Amazingly all in the house survived Only William Bell a young black servant in a pressed white coat who answered the door buy the book to continue reading

The Life and Death of Abraham Lincoln Charles River Editors, 2025-05-01 Abraham Lincoln 1809 1865 is one of the most famous Americans in history and one of the country s most revered presidents Schoolchildren can recite the life story of Lincoln the Westerner who educated himself and became a self made man rising from lawyer to leader of the new Republican Party before becoming the 16th President of the United States Lincoln successfully navigated the Union through the Civil War but didn t live to witness his crowning achievement becoming the first president assassinated when he was shot at Ford s Theater by John Wilkes Booth on April 14 1865 In the generation after the Civil War Lincoln became an American deity and one of the most written about men in history With such a sterling reputation even historians hesitate to write a critical word in Team of Rivals Doris Kearns Goodwin casts Lincoln as an almost superhuman puppet master in control of his Cabinet s political machinations and the war s direction juggling the balancing act flawlessly As a result Lincoln the man is far less known than Lincoln the myth Part of that is because Lincoln was the first president to be assassinated Until April 14 1865 John Wilkes Booth was one of the most famous actors of his time and President Lincoln had even watched him perform But his most significant performance at a theater did not take place on the stage That night Booth became one of history s most infamous assassins when he assassinated President Lincoln at Ford s Theatre in Washington D C Booth was a member of the prominent 19th century Booth theatrical family from Maryland and by the 1860s was a well known actor But he was also a Confederate sympathizer who dabbled in espionage and he was increasingly outraged at the Lincoln Administration Although Robert E Lee s Army of Northern Virginia had surrendered days earlier Booth believed the war was not yet over because Confederate General Joseph E Johnston s army was still fighting the Union Army so he and his group of conspirators plotted to kill Lincoln and other top officials in a bid to decapitate the federal government and help the South Perhaps not surprisingly the actor s flair for the dramatic came at a cost to the plot It took almost no time for the shocked public and the federal government to begin unraveling Booth s conspiracy which had mostly faltered from the beginning Following the shooting America s most famous manhunt commenced which itself became the stuff of legends After the shooting during which it is believed he broke his leg Booth fled south on horseback with authorities hot on his tail 12 days later while he was at a farm in rural northern Virginia Booth was tracked down and shot by Boston Corbett a Union soldier who acted against orders Eight others were tried for their alleged involvement in the plot and convicted and four were hanged shortly

thereafter as a result of some of the nation's most famous trials *The Life and Death of Abraham Lincoln: The Political Career and Shocking Assassination of the Sixteenth President* chronicles the president's life and the assassinations that rocked the country. Along with pictures and a bibliography you will learn about Lincoln's life and death like never before. **The Messiah Conquers the White House** Aying Godman, 2013-10 On November 4, 2008, Barack Hussein Obama, a senator from the state of Illinois, was elected to the White House as the forty-fourth president of the United States. This momentous event overwhelmed America and took the whole world by surprise. Although he had led his opponent, Senator John McCain, throughout the period preceding the election, in the opinion polls no one really believed that the timing was right for an African American president of the United States. In *The Messiah Conquers the White House*, author Aying Godman combines scripture, biography, politics, and numerology to explain the historic victory of Barack Obama and to reveal his messianic mission to the White House. An eminent biblical scholar, mystic, and numerologist, Godman predicted the reelection of President Barack Obama in 2012, and it happened in spite of a steep political opposition and an unfavorable economic backdrop. This study also examines the impact and significance of Obama's victories and concludes with a projection of what the world will be like after he leaves office. *The Messiah Conquers the White House* uncovers the sacred weapons that Barack Obama uses as he fights, conquers, and exercises power in the White House. This evidence demonstrates the power of numbers and the Holy Scriptures in the ongoing victories of Barack Obama. *SUMMARY BUNDLE | For History Buffs* ZIP Reads, PLEASE NOTE: This is a collection of summaries, analyses, and reviews of the books, and NOT the original books. The Million-Dollar Man Who Helped Kill a President Christopher McIlwain, 2018-07-19

George Washington Gayle is not a name known to history But it soon will be Forget what you thought you knew about why Abraham Lincoln was assassinated by John Wilkes Booth No it was not mere sectional hatred Booth's desire to become famous Lincoln's advocacy of black suffrage or a plot masterminded by Jefferson Davis to win the war by crippling the Federal government

Christopher Lyle McIlwain Sr's *Untried and Unpunished George Washington Gayle and the Assassination of Abraham Lincoln* exposes the fallacies regarding each of those theories and reveals both the mastermind behind the plot and its true motivation The deadly scheme to kill Lincoln Vice President Andrew Johnson and Secretary of State William Seward was Gayle's brainchild The assassins were motivated by money Gayle raised Lots of money 20 000 000 in today's value Gayle a prominent South Carolina born Alabama lawyer had been a Unionist and Jacksonian Democrat before walking the road of radicalization following the admission of California as a free state in 1850 Thereafter he became Alabama's most earnest secessionist though he would never hold any position within the Confederate government or serve in its military After the slaying of the president Gayle was arrested and taken to Washington DC in chains to be tried by a military tribunal for conspiracy in connection with the horrendous crimes The Northern press was satisfied Gayle was behind the deed especially when it was discovered he had placed an advertisement in a newspaper the previous December soliciting donations to pay the assassins There is little doubt that if Gayle had been tried he would have been convicted and executed However he not only avoided trial but ultimately escaped punishment of any kind for reasons that will surprise readers Rather than rehashing what scores of books have already alleged *Untried and Unpunished* offers a completely fresh premise meticulous analysis and stunning conclusions based upon years of firsthand research by an experienced attorney This

slight Guiteau bought a revolver and plotted to kill the president He got his chance on July 2 1881 at a railroad station shooting Garfield in the back twice and bragging to the authorities I am a Stalwart of the Stalwarts Arthur is president now In reality Garfield would live for nearly 3 more months and the poor standards of medical care in the 1880s would end up being responsible for the fact he did not survive wounds that he would ve survived at the end of the 19th century Indeed Guiteau would cite medical malpractice at trial stating I deny the killing if your honor please We admit the shooting President James Garfield had been assassinated just 20 years earlier but McKinley didn t worry about presidential security or his own safety and that was the case in Buffalo McKinley s insistence on greeting the public and shaking hands allowed Czolgosz to walk up to him on September 6 1901 at a public reception in the Temple of Music on the expo grounds and shoot him point blank with one bullet grazing the president and another lodging in his abdomen In the aftermath of the shooting as Czolgosz was beaten and seized by the crowd he uttered I done my duty For his part McKinley said He didn t know poor fellow what he was doing He couldn t have known Despite being president McKinley s medical services were shoddy and given the still primitive medical standards of the early 20th century gunshots to the abdomen often brought death One of the best known aspects of the assassination is that Thomas Edison s x ray machine was on hand and may have been used to try to locate the bullet that doctors couldn t find but for reasons that remain unknown the x ray machine was not used November 22 1963 started as a typical Friday and many Americans were unaware that President Kennedy was even heading to Dallas Texas John and Jackie arrived in Dallas in the morning with Texas Governor John Connally alongside them and Vice President Lyndon B Johnson due to arrive later to meet them there The Kennedys and the Connallys intended to participate in public events later in the day

The Invention of Terrorism in Europe, Russia, and the United States Carola Dietze, 2021-07-20

Terrorism s roots in Western Europe and the USA This book examines key cases of terrorist violence to show that the invention of terrorism was linked to the birth of modernity in Europe Russia and the United States rather than to Tsarist despotism in 19th century Russia or to Islam sects in Medieval Persia Combining a highly readable historical narrative with analysis of larger issues in social and political history the author argues that the dissemination of news about terrorist violence was at the core of a strategy that aimed for political impact on rulers as well as the general public Dietze s lucid account also reveals how the spread of knowledge about terrorist acts was from the outset a transatlantic process Two incidents form the book s centerpiece The first is the failed attempt to assassinate French Emperor Napol on III by Felice Orsini in 1858 in an act intended to achieve Italian unity and democracy The second case study offers a new reading of John Brown s raid on the arsenal at Harpers Ferry in 1859 as a decisive moment in the abolitionist struggle and occurrences leading to the American Civil War Three further examples from Germany Russia and the US are scrutinized to trace the development of the tactic by first imitators With their acts of violence the invention of terrorism was completed Terrorism has existed as a tactic since then and has essentially only been adapted through the use of new technologies and methods
